Awsome Charters is a registered business which follows all Guidelines stipulated by SAMSA, ICASA and Sea fisheries. Our crew and Skippers are all competent, trained, and able to deliver what is expected.

Skippers hold Valid SAMSA documentation to Navigate open waters, with experience to the Coastal environment.

Our vessel is Annually inspected by SAMSA and Insurance Governing bodies to ensure our standards are in place.

Electronics, Navigational criteria and Communications with Cape Town Radio and Coastal stations are current and maintained.

While your safety is our primary concern, we strive to make each Charter a memorable one.

Kindly note: All bookings require a 50% deposit to confirm your Charter, for all enquiries contact us.
