

# Get pre-qualified with ooba Home Loans

Hundreds of thousands of homeowners have trusted us with their dream of home ownership, and that's why we are South Africa's leading experts in home loans.

Getting pre-qualified is one of the most powerful ways to improve your chances of qualifying for a home loan. Do it yourself with our online Bond Indicator tool.

## What is the ooba Bond Indicator (OBI)?

The ooba bond indicator is an online tool that allows you to check your credit score and establish what you can realistically afford in a matter of minutes.

## 3 reasons why you should get pre-approved:

- 1.** Shop with confidence. Knowing your credit score allows you to address any issues before applying for a home loan.
- 2.** Get a competitive advantage. Sellers are more likely to accept an offer from someone who has proof that they can afford to buy.
- 3.** Sign a sale agreement with peace of mind. Pre-approval protects you from putting in an offer on a property you can't afford.
