

Get Expertly Pre-qualified with ooba Home Loans

Investing in a home is one of the most significant decisions you'll make, and you'll want to ensure you have the best chance of buying your dream home.

Armed with your certificate, you have a realistic idea of the property you can afford and proof that you are eligible for a home loan.

What is the ooba Qualified Buyer's Certificate (QBC)?

A Qualified Buyers Certificate (QBC) is a robust assessment of the bond amount you could qualify for. This assessment is conducted by an ooba Home Finance Expert who evaluates your affordability in much of the same way that the banks do.

Why you should get a Buyer's Certificate (QBC):

Gives you a competitive edge over other potential buyers when putting in an offer.

Gets you ready. By the time you're ready to apply, you'll know exactly what each step will entail and that your finances are already in order.

No wasted time. Knowing what you are able to afford means knowing which properties are out of your range.
