

# Are you sure that you are getting the best deal from your bank?

You've shopped around for the best deal on the house of your dreams, so why not shop around for the best deal on your home loan?

You can't be guaranteed of the best rate and terms from your bank until you've given the other banks an opportunity to quote. The simple assumption that your bank will offer you a preferential rate could end up costing you hundreds of thousands of Rands over 20 years. So before putting pen to paper, let us do your research for you. Our services are **free!**

## We will assist you with the following expertise:

A dedicated consultant to manage your application up to registration.

We prequalify you, check your credit score and evaluate your affordability.

We apply to up to 9 banks on your behalf including your own.

We negotiate the best deal and terms.

We provide you with multiple quotes to compare.

We help you with your zero deposit bond if required.

Self-employed, no problem, we're experts.
