NEWSLETTER — AUGUST 2024

INTRODUCTION:

First of all, I would like to introduce our staff to everybody the faces behind all the hard work that is being done here at school.

Most of you know me I have been at the school for 17 years.

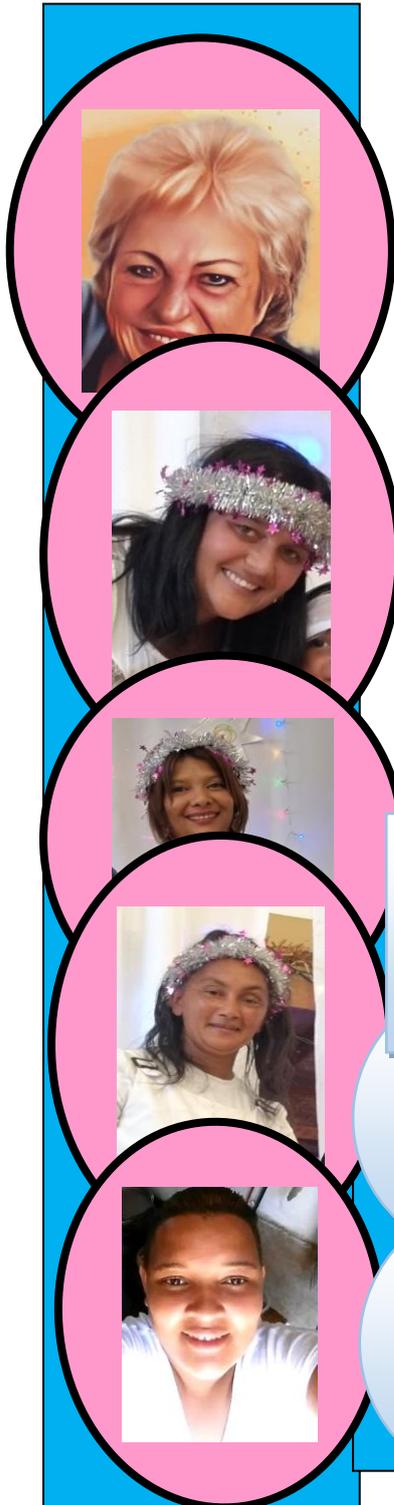

The second photo is Genevieve Carolus. She is a qualified ECD Level 4 teacher and has been with us for 7 years.

Third is Valnay Smith who has just qualified as an ECD Level 4 teacher and has been at the school for 4 years.

Fourth is Rose Krewitz, ECD Level 5 teacher in the Grade R class and has been with us for 3 years.

Last, but not least, Jamie Hartnick, our Cook, who has been with us for 2 years.

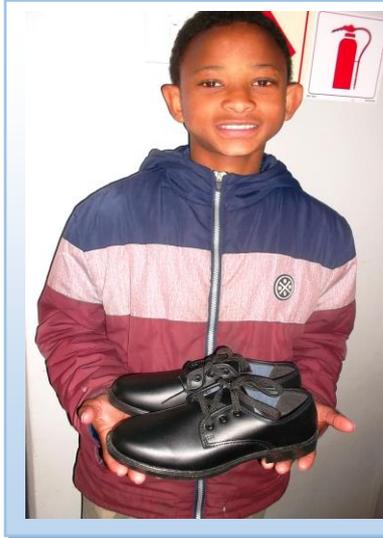

I am truly grateful to each one. Their dedication, hard work, and unwavering commitment, does not go unnoticed. Every day, they bring passion, creativity and care to everything they do, and it makes all the difference. They are the heart of this team, and I'm truly fortunate to have them by my side.

HAPPY MOMENTS

SCHOOL UNIFORMS

One of the things we do at Pikkewyntjies is to always give back to the Community. This will be the second year that we have bought some winter school uniforms for the kids that have left us for “big school”. We use the money that we raise during our February Challenge every year, thanks to our Challenger. Nearly 40 kids benefit every year from this.

CHRISTMAS HAMPERS

Another thing we do at Pikkewyntjies is provide annual Christmas hampers for our kids. Last year we started giving food hampers to our children so that they could also enjoy Christmas. The response from the parents was overwhelming last year and brought tears to our eyes. If anybody would like to donate towards this project, please use your name and “HAMPERS” as the reference in your deposit.

MINI SCIENCE LAB

This is also the second year that the Science Lab visited our school. This is always one of the highlights for our children. They just love all the science projects and the magic that goes with it.

MATRIC FAREWELL

Lauren Carolus started at Pikkewyntjies when she was only 3 years old. It is hard to believe that she is already celebrating her Matric Farewell. Her Mom, Genevieve, is one of our teachers. Well done, Lauren, we are very proud of you!

We wish you all the best with your exams!

PYJAMA DAY

This year was the first year we had a “Pyjama Day”. The tables were loaded with all kinds of snacks that most of the parents donated, and we ended the day with burgers and chips.

What a day — we enjoyed it just as much as the kids!

AFTER

BEFORE

MOMMIES WITH BABIES

These girls used their imagination and utilised anything they could find to represent a baby tied to their backs with their sweaters/jackets. Well done, mommies!

KIDS GETTING SPOILT

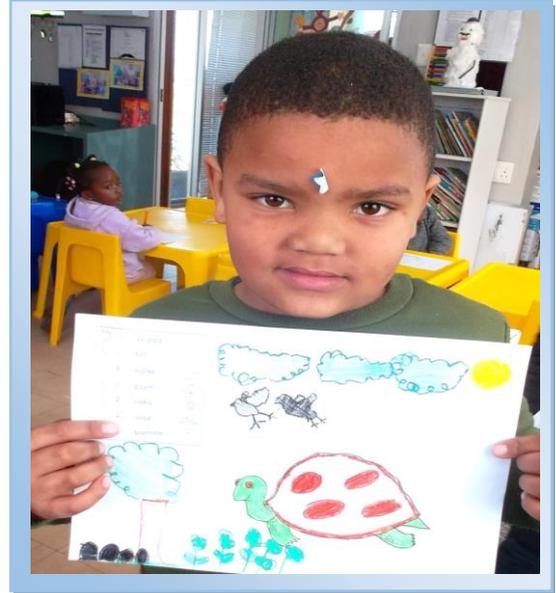

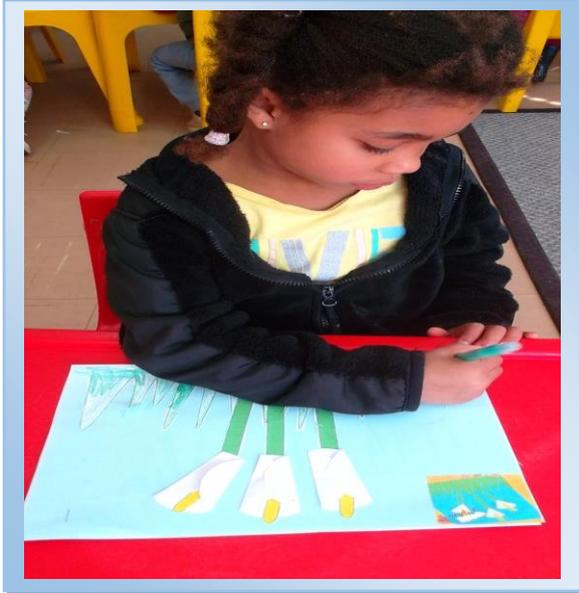

Our kids are so lucky Charlotte Keens from W.I.N.G.S. donated these most beautiful quilted blankets to all our kids. Each one is different and every child has his/her own with their names written on it. Thank you so much to all the ladies who helped with this awesome project!
