

NEWSLETTER 2021

FIRST QUARTER

CABA members donated a jungle gym to Rising Eagles in Struisbaai as part of the community drive. It was installed just before Christmas. Thank you to Dr Deon Venter for this initiative, and another thank you to the following people involved; Ben Bester, Heindrie Marais, Jean Kriel, Saloma Gouws, Duane Venter and Ruben Venter. You did an amazing job!

Letter from the Chair

Dear CABA Members

I am sure all will agree that 2020 was an incredibly challenging year. This year it seems, are still holding the same challenges. My wish is that all our businesses will not only survive this, but will thrive and be stronger than ever before. In my opinion, the two most important words in the dictionary are persistence and perseverance.

When you are persistent

- you continue doing something even though it is difficult,
- or you have competition,
- or that you might have failed at it before.

We persevere because

- we know why we do what we do,
- want it badly enough,
- believe in ourselves and our own abilities,
- have clear goals,
- stay informed of the trends in our specific sector,
- and cultivate good habits such as positive thinking and positive speech.

Perseverance is persistence in sticking to a plan, continuing the course of action you have mapped out for yourself even if you get discouraged. Let us keep our heads clear, thoughts as positive as humanly possible and do not lose sight of our goals.

Kersliggie Kompetisie

KABA het 'n informele Kersliggie kompetisie rondom Kersfees geloots. Daar is deur die dorp se strate gery en gesoek na die mooiste liggies. Ses huise is geïdentifiseer en het pryse ontvang, van bottels wyn tot koffie geskenkbewyse. Baie dankie aan Alta Du Toit vir hierdie inisiatief.
