

NEWSLETTER 2021

SECOND QUARTER

CABA and various role players worked together to better the lives of children at Care Bears Bredasdorp. This is part of the CABA community drive. Care Bears were furnished with new bookshelves, a stove, other kitchen appliances, and the building is being painted. We would like to thank Lorinda Nel from LORON Education, Louis Botha from ASLA Construction and Uncle George for their special parts in this project.

Brief van die Voorsitter

Liewe KABA Lede

Daar kom tye in enige entrepreneur se lewe wat besigheid nie is wat dit moet wees nie en daar kan verskeie redes voor wees. Tans, glo ek dit is te wyte aan die heersende pandemie. Ons leef tans regtig in 'n baie moeilike tyd. Sommiges se besighede het selfs tot stilstand gekom. Nou is mens bekommerd oor die gesondheid van jou besigheid, jou werknemers, die rekeninge wat betaal moet word en die slakke pas waarteen die besigheid geld genereer. In sommige gevalle, geen geld nie. Hier is 'n paar dinge wat jy in die moeilike tyd kan doen:

- Bemark jou besigheid op gratis sosiale platvorms. Dit klink vanselfsprekend, maar glo my, daar is baie entrepreneurs wat dit nie genoeg aandag gee nie.
- Werk aan jou persoonlike "brand" en publieke gesig. Hoe meer mense jou ken en van jou weet, hoe beter.
- Geen besigheid doen alles reg nie. Dit is nou die ideale tyd vir refleksie, verfyning en herontwerp. Vra raad van ander wat WEET, en van wie jy goeie advies sal neem.
- Doen 'n kursus, daar is heelwat aanlyn beskikbaar wat jy kan doen terwyl jy ingeperk is tydens Covid. So 'n kursus, kan jou in jou besigheid help, of bloot net nuwe idees by jou laat posvat. So doen jy natuurlik ook waadevolle kennis op. Daar is baie areas waarin mens kan groei wanneer jy 'n entrepreneur is.
- As mens te lank in 'n sekere industrie werk, het jy later die spreekwoordelike "oogklappe" aan. Kyk na wat ander soorte besighede doen en hoe hulle probleme oplos. Oplossings wat jy dalk ook met 'n klein veranderinkie, kan toepas.
- Raak betrokke in besigheidsgroepe en bly in kontak met enersdenkende besigheidsmense en brei so jou netwerk uit.
- Oorweeg nuwe produkte en dienste wat jou "ou" kliënte sal kan gebruik.
- Vernuwe jou werkspasie of kantoor. Of dit nou met nuwe tegnologie, 'n ander kantoorstoel, of 'n vars laag verf is. Berei jouself voor om meer produktief te funksioneer.

Ek laat graag die volgende gedagte by elkeen:

"Tough times never last, but tough people do!"
