ROBOTICS

On August the 17th at the Cape Peninsula University of Technology, Janko Rossouw and Abri Janse Van Vuuren, did battle at the Inaugural Hackathon organised by the Coding and Robotics team at the WCED. 12 schools took part in the senior section. Their task was to build a smart house for the now infamous Ms Sara Jacobs. They were asked to use a variety of sensors and motors to complete the task. The sensors included motion, temperature and light detectors.

The winners were a team of 6 from Atlantis High school followed closely by La Rochelle Girls High School.

The BD's team was placed 5th.

The Cape Peninsula University of Technology were great hosts, providing our team with popcorn and juice during the building time and a chicken lunch.

The BD's felt it was a great experience to participate and meet like-minded learners.

LEWENSWETENSKAPPE

Die LW-leerders het onlangs hul jaarlikse hart- en longdisseksie praktiese klas gehad. Die praktiese ervaring help die leerders om die LW-teorie beter te verstaan.

Baie dankie aan Bredasdorp Slagpale vir die skenk van die harte en longe. Ons waardeer hierdie jaarlikse skenking.

INTERSKOLE GEESWEEK

Dankie aan elke BD, onderwysers, afrigter en ouer wat hulle deel bygedra het om van Interskole 2024 'n groot sukses te maak. Hoërskool Bredasdorp word nie sonder rede die “skool met gees” genoem nie.

Me Larissa Lombard en mev Estelle Genis uitgevat vir die geesbou in aanloop tot die interskole .

INTERSKOLE 2024

Ons het die GEES. Ja man, ja!

Dankie aan elke netbal-, rugby-, hokkie- en skaakspeler vir hul toewyding en deursettingsvermoë gedurende die wintersportseisoen.

Aan al ons borge, julle is vir ons van onskatbare waarde.

En al ons afrigters, julle tyd, motivering en raakvat word waardeer. Ook aan elke onderwyser, ouers en BD-vriend wat hulle deel gedoen het om Interskole 2024 vlot te laat verloop, sê ons opreg dankie!

SPANBOU VIR INTERSKOLE

Die 1ste rugby-, netbal-, dogters- en seunshokkiespanne het 'n gees- en spanbousessie by die rolbalbaan gehad om hul voor te berei vir vanjaar se interskole teen Hoërskool Montagu. Die rolbalspelery was groot pret en het beslis gesorg vir span- en geesbou.

Baie dankie aan die kapteine se ouers vir die reël van dié spesiale rolbalkompetisie!

'n Spesiale dankie aan mnr Riaan Nagel en die Rolbalklub, asook SPUR vir die maak en die verskaffing van die hamburgers teen 'n spesiale prys. Dit word opreg waardeer.

FUNDING FOR BHS CRICKET TOUR

Please help us support the Bredasdorp High School cricket team as they embark on a crucial cricket tour during the September holidays to develop their talents and build brighter futures. Some of these young cricket players, hailing from underprivileged backgrounds, lack the financial means to fund this opportunity themselves. This tour is not just about playing cricket; it's about helping all the players reach their full potential. Your donation can make a real difference, fostering their skills, discipline, and hope for a better future. Please join us in backing their dreams and potential. Be part of the reason that a child feels welcomed, seen, heard, valued and loved.
