STAR SIGNS

The Bredasdorp High School 0/19 Cricket team will be taking part in the Punt High School cricket festival from 3 to 7 October in Mossel Bay. This is an opportunity for the boys to go on tour and at the same time get ready for the last term of cricket. They will be staying in the hostel and competing in three matches against schools they would not normally face in our school cricket league. This tour obviously comes at a cost to the learners so we need the funds to make the tour a possibility for them. Tours like these happens once a year and it is something that the boys look forward to the whole year. It is an opportunity for them to play the sport they love, make memories as a team, learn more about themselves and the sport and come back as better cricketers.

All donations would be highly appreciated and would obviously make the boys very happy.
