Tourism Survey

We recently asked our stakeholders and product owners to take part in a tourism survey so that we can be of better service to our tourists and guest.

We will be sending said survey on a quarterly basis to collect data, see trends and report back to our stakeholders and product owners.

We would like to thank those who took part we believe this information can be helpful to all to build our tourism sector.

See full report attached.

Love is in the air

We love that we get to do tourism with you.

There are so many projects on the go, and we cannot wait to share all the news with you as it unfolds.

It is going to be a busy year in revitalizing tourism and conservation and having the freedom to do what we love.

Here is to many more adventures with you,

Team BBM

HAPPY BIRTHDAY TO THE SA WINE INDUSTRY

South Africa is the only country that knows the precise date its wine industry started, 2 February 1659.

Let's raise a glass to our winemakers and vineyards and celebrate with them.
