July 2025

BARC Mid-Year Update

What an incredible start to 2025 it's been for BARC! We're thrilled to share that the first half of the year has been nothing short of amazing, filled with significant improvements and successful projects around the centre. Thanks to your unwavering support, we've been able to enhance our facilities, providing an even safer and more comfortable environment for our furry residents. Every improvement makes a real difference in the lives of the animals in our care.

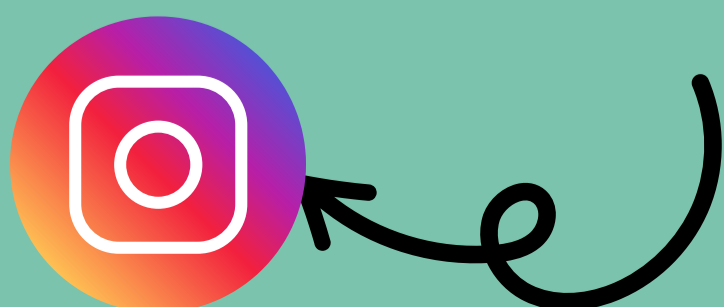

BARC's New Cattery: A Purr-fect Expansion!

We're absolutely thrilled to share some fantastic news! A massive thank you goes out to Trevor Penney and his incredible team for their immense generosity in building and sponsoring the extension of our cattery. This much-needed expansion is a game-changer for our feline residents. It provides significantly more space, allowing both our adult cats and playful kittens to have their own cozy spots to relax, play, and feel safe. This improvement dramatically enhances their quality of life while they await their forever homes. We're so grateful for this wonderful contribution to the comfort and well-being of our BARC kitties!

More amazing changes!

Local Heroes Help Create a Haven for Animals!

A big thank you goes out to Adel Koko from First Rand Volunteers for helping to sponsor the repair of the sewage pipes. This is a crucial step in ensuring the play area is safe and hygienic for our animal friends.

Additionally, Sharlene De Villiers from Grootbos has generously donated trees, which will undoubtedly enhance the environment, providing natural enrichment, shade, and a more stimulating space for the animals.

With such strong community support, the future of this play area looks very bright indeed! We can't wait to see the positive impact it will have on the well-being of the animals.

Feel free to come and visit!
