

NEWSLETTER 10 December 2019

Welcome to the very first quarterly newsletter which we trust will keep you informed of all BARC activities and provide insight into fundraising and other events. BARC is the acronym for *Birkenhead Animal Rescue Centre*. We would like to shine the light on everything that happens at BARC so future newsletters will carry bite size pieces of information about the organization, what it is achieving and future fundraising events. The existence of this centre relies purely on goodwill.

It is the season of giving and in that spirit we wish you all a very blessed festive season. Let us not forget those less fortunate than ourselves and especially those that cannot speak for themselves.
