## Largest mass rally yet in Gansbaai

Louis Raats (President) and Mark Parry (Vice-president).

The 2nd Beach Bash Rally 2025, organised by The Syndicate MC Overberg under leadership of Louis Raats, President, and assisted by his Vice-president, Mark Parry, took place in Gansbaai from Friday to Sunday, 14-16 February 2025. This well-planned event was without any doubt the largest motorcycle mass rally yet in Gansbaai. The Birkenhead Boat Club was the centre of activities on Saturday, with stalls, fun and excitement. Most of the bickers stayed over in Gansbaai Caravan Camp for the weekend.

On Saturday morning the Bickers set off with a mass ride from Gansbaai Harbour through Franskraal en Kleinbaai on their way to Oak Grove in Blompark. Suzanne Hans, Manager of Silwerjare and Oak Grove welcomed the Bickers. She was overwhelmed by their donations to

the elderly. "I cannot tell you how much this is being appreciated," Suzanne said. The entire street in front of Silver Years and Oak Grove was packed with motorcycles of all colours, sizes, and shapes which led to great excitement - nothing like this has ever been seen by them.

During a relaxed conversation with the Gans-Berg News, Louis and Mark shared their plans for the weekend. "We're between 250 - 350 motorcycles from different motorcycle clubs that took part in this weekend's Rally," Louis said. "The bickers included clubs from Cape Town, Port Elizabeth, West Coast and Gansbaai." They also confirmed that they are planning this year's Rally to be an annual event in Gansbaai. Manny de Bruyn from TMS Builders organised Macs Motorcycle club to join the mass ride. "We are proud that we won several of the prizes, including the prize for the Beste Representative Club," Manny said.

Before the start of the mass rally, the bickers had already raised about R3 000 to distribute as donations

and food for charity organisations and they planned to collect more during the rally. "We were very friendly welcomed in Gansbaai," he said. Like many motorcycle clubs of which the Gans-Berg News have reported on, for these men and women Rallies are not just about the pleasure of touring with the motorcycles. Their primary purpose is charity, and these club members

Macs Motorcycle Club - Best Representative club.

work together as a 'family' and not just friends. "During our visit to Gansbaai, it was also important to support the community and businesses." Louis concluded that they appreciated the excellent traffic organising by Buks Minnie and his team from the Traffic Department during the mass ride.

# Die 'Sonvinders' se gesellige samesyn

Die 'Sonvinders' is beslis 'n gepaste naam wat Fanie Bothma van Franskraal vir sy en sy eggenote, Judy, se jarelange vriendekring uitgedink het. Hulle is 'n klein groepie vriende, voorheen almal bekendes van Gansbaai, wat oor jare heen saam kampeer het, 'n kampeerderij wat 'n tradisie geword het - veral teen die middel van Februarie met Valentynsdag.

Die groepie vriende ter sprake is:

\*Francois en Deonora de Jong, voormalige eienaars gedrukte Gansbaai Courant. Die egpaar het sowat 5 jaar gelede na Sedgfield verhuis.

\*Pieter en Ans Scholtz, met Pieter wat baie jare by Overstrandse Munisipaliteit in bestuursposte betrokke was, asook die Overstrandse Onderburgemeester. Die egpaar het sowat 11 jaar gelede eers na die Noorde verhuis, maar is nou lank reeds inwoners van Mosselbaai.

\*Kobie en Marie van Wyk is eweneens bekende oud-Gansbaaiers. Kobie was die eienaar van die destydse Fine & Country Eiendomme en die egpaar het sowat 11 gelede na Centurion, Pretoria verhuis.

Al vier egpare was aktief in die gemeenskap betrokke en was alombekend in Gansbaai. "Ek en Kobie was aktiewe lede van die

Kobie & Marie van Wyk, Francois & Deonora de Jongh, Pieter & Ans Scholtz en Fanie & Judy Bothma.

destydse Gansbaai Sakekamer, met Pieter wat ook betrokke was en Francois wat via die media ons dryfveer was en ook die gemeenskap en sakelui op hoogte van sake gehou het," vertel Fanie.

Vanjaar se samesyn is aan Judy te dankie. "Ons was verlede jaar by Francois en Deonora en het onder andere oor ons jaarlikse kampeerdae gesels," het Fanie gesê. "Net daar besluit Judy dat ons dit vanjaar weer oor Valentynsnaweek moet doen en dat almal in ons huis kan kom 'kampeer' soos voorheen in karavane." So het die drie egpare 'van buite' op Valentynsdag opgedaag en het die heerlike samesyn soos van ouds sommer in die Bothma-egpaar se huis voortgesit.

"Ons vier toe terselfdertyd sommer

almal se verjaarsdae gedurende hierdie tydperk," het Fanie verduidelik. Meeste van hulle verjaar so rondom Valentynsdag en dan is daar enkeles wat met hierdie verjaarsdae by gelyke getalle uitgekom het: *Kobie* in Oktober verlede jaar **80** en *Marie* in November **78**; *Francois* in Maart **74** en *Deonora* in Desember verlede jaar **70**; *Fanie* in Februarie **73** en *Judy* in Januarie **70**; *Pieter* in Maart **80** en *Ans*, wat met hulle aankoms op 14 Februarie, Valentynsdag, haar **75ste** verjaarsdag gevier het.

Almal in die vriendekring is die eens dat die kuier die moeite werd en baie gesellig was. Saterdag, 15 Februarie het hulle 'n gesellig piekniek anderkant Pearly Beach langs die see gehou. "Ek het gereël dat ons met 4x4's ry, want ek het gesorg dat ons net bospaadjies en 4x4 roetes volg," het Fanie gesê. Sondag is hulle na Pearly Beach Bierbrouery vir 'n gesellige en smaaklike middagete. Die De Jongs, Scholtze en van Wyks het gevra dat die Gans-Berg Nuus groete aan al die bekendes in Gansbaai en omgewing sal oordra. Ongelukkig kom alle wonderlike en lekker dinge ook op 'n einde en gedurende Maandag en Dinsdag het die kuiergaste weer huiswaarts gekeer - met getroue onderlinge kontak, soos oor jare heen, wat altyd staande sal bly.

## 'Splinternuwe' walvis vir Hoofstraat

“Die gehawende walvis voor Gansbaai DJOLOF Shop oorkant Gansbaai OK Foods pla my al vir die afgelope 15 jaar,” vertel Manny de Bruyn van TMS Bouers laggend. “Toe besluit ek genoeg is genoeg en ek pak die bul (of is dit nou die walvis?) by die horings!”

Manny, wat sê hy is nie 'n kunstenaar nie, het verf en ander benodighede gekoop en hy en een van sy werkers, Gift, het aan die werk gespring. Eers moes al die gate en stukke plekke toegemaak en geseël word - verbygangers het die walvis as vullisblik gebruik met papiere,

'n Trotse Manny de Bruyn.

bottels en sigaretsompies wat in die gate gedruk is (Aitog!). Daarna het die verfwerk gevolg.

Manny het ogies ingeschilder, die pens mooi wit geverf, die wit strepe geverf en sommer die staander waarop die walvis gemonteer is, ook

netjies geverf - en siedaar, 'n 'splinternuwe' walvis!

Manny is 'n ou bekende bouer in Gansbaai, met TMS Bouers wat sowat 26 jaar gelede in 1999 gestig is - hy is ook 'n getroue ondersteuner en adverteerder van die Gans-Berg Nuus. Netjiese bouwerk is ook al deur hom by Herberg-aan-See Tehuis vir Bejaardes gedoen - waar hy op 'n stadium potjiekos vir die inwoners gemaak het, met 107 mense wat daaraan kon smul! Ons sê baie dankie aan Manny vir sy omgee vir die gemeenskap.

## Carine Badenhorst steeds Gansbaai se 'kreatiewe siel'

In 'n onlangse berig in die Gans-Berg Nuus van 31 Januarie 2025, het die drukkersduiwel (of is dit die rekenaarmannetjie?) met Carine Badenhorst se berig, “Carine Badenhorst, 'n kreatiewe siel”, ingesluit. Eerstens was Carine vir 46 jaar in die finansiële wêreld werksaam en nie 6 jaar soos berig is nie. Tweedens is die volgende inligting uitgelaat: “Altesaam het sy 8 jaar redaksionele werk gedoen, waaronder die Gansbaai Herald (Barend Crous) en Overberg Tribune (Orton King) en die begrip essays moet lees essay-bundels”.

Jammer daaroor, Carine, maar jy bly steeds Gansbaai se 'kreatiewe siel' en sterkte word jou met al jou aktiwiteite en kunswerke waarmee jy doenig is, toegewens.

# Black Marlin Dissection

An early morning departure from Kleinbaai Harbour on 20 January 2025, with the initial goal of deploying underwater video systems, took a turn as news arrived that a large, deceased fish was found floating in Joubertsdam, brought to our attention by fisherman Johan Stoop. The team on board the research vessel Lwazi, consisting of skippers Hennie Odendaal and Dickie Chivell, marine biologist Amy Webber, guide Sonja Fleck and Marine Dynamics Academy intern and volunteer, Thomas Merdy and Anja Baumgart, swiftly made their way to where the fish was being held alongside the fishing vessel. A smooth transfer of the evident swordfish was completed, towing it back to the harbour where it was transported to the International Marine Volunteer Lodge for further analysis and dissection.

Identifying the specific species of

swordfish was completed before measurements and dissection, led by Amy Webber, with the assistance of Sonja Fleck in the presence of Marine Dynamics Academy interns and volunteers. The rigid pectoral fins and grooves of the lower jaw were some of the main indicators that the fish being studied was a Black marlin (*Istiompax indica*).

After all required measurements were taken, the necropsy began for internal inspection of the individual to investigate as to whether there were any clues of the death. All organs were intact, with no surface signs of predation. The stomach contents showed full digestion, with no indication as to what the last meal may have been. Within the bay, warmer waters ranging from 20-24°C through the month of December could be a possible reason as to why the black marlin was found within Atlantic waters. No clear signs of internal stress were found. The continued inspection of the internal organs confirmed the black marlin to be a mature female, with the ovaries sighted within the body cavity. Samples of the gill filaments, pectoral fin and gonads were collected and stored to aid further investigation into the biology of billfish. To demonstrate the complexity of the black marlin biology, the

eye was removed. Marlin species have impeccable eyesight, relying largely on vision to identify their prey species. A unique adaptation that increases predation efficiency is the close alignment to the muscular structure that allows heat transfer via a counter current exchange of the large blood vessel leading to the back of the eye. Increased temperature allows the fish to view more 'frames per second', an advantageous feature when swimming at high speeds. Sincere appreciation to Johan Stoop and his team for allowing to the DICT and Marine Dynamics Academy staff to explore this unique and rare scientific practice.

# Pearly Beach Hengelklub Thys Kemp verhoog sy voorsprong

**Wenner Thys en Henriette Roux van Gansbaai Vismark**

“Ons klub se lede doen regtig moeite om ons maandelikse kompetisies by te woon en dit word só waardeer,” sê Elba Tredoux van Overberg Kushengelklub. “Dis ook verblydend dat 'n hele paar nuwe lede aangesluit het, veral vanuit die jonger geleedere.”

Elba vertel dat lede gereeld vanuit Durbanville, Stellenbosch en omliggende dorpe ry om aan hulle kompetisies te kom deelneem.

**Naaswenner, Eben Swanepoel**

“Gaan dit oor die lieflike aande en dae teen ons pragtige kuslyn met 'n visstok in die hand, of gaan dit oor die heerlike saamkuier op 'n Saterdagand by die klub?”, vra sy. “Ek glo die een vul die ander een aan.” Die sterk wind wat vir Saterdag voorspel is, het toe nie gewaai nie en dit het gesorg vir 'n lieflike hengeldag langs die see. Daar is slegs 4 kompetisies oor tot by die jaareinde en die spanne en bobaas-hengelaars dreun mekaar goed op.

Saterdag was dit weer 'n wendag vir die Leervisspan, met die hulp van Thys Kemp (De Kelders) as wenner, met 'n totale gewig 5.29kg en Eben Swanepoel in die 2de plek met 4.73kg. Mias Albrecht van die Mooinoeie was 3de met 3.18kg. “So verhoog Thys net sy voorsprong nog verder!”, is Elba se kommentaar.

Die klublede se afwagting is groot vir hulle jaarlikse wegbreek wat net om die draai is. “Vanjaar se wegbreek is somer so op ons voorstoep met 'n weeklange kuier vanaf 10 tot 16 Maart 2025 in Agulhas,” vertel Elba opgewonde. Die klub se volgende hengelkompetisie is Saterdag, 15 Maart 2025 en Elba sê almal sien baie uit na die hengel, asook die aande se saamkuier.

“Met die goeiehartigheid van ons borge kon goeie pryse aan ons hengelaars oorhandig word, asook pryse vir geluktrekkings,” sê Elba. “Baie dankie aan

**3de plek, Mias Albrecht**

Kuslang's Restaurant, Gansbaai Vismark, Buitesteen Pub and Grill, Battery Centre (Kuilsriver en Brackenfell) en Fish Fever.” Die aande is met 'n bobaas-ete van steak, chips en uieringe afgesluit, asook voetejuk-musiek deur hulle eie orkes wat weer 'gekook' het. (Foto's: Elba Tredoux)

## 100ste vir Gielie Genade

Nee, Gielie Genade (72) het nie 100ste in Saterdag, 15 Februarie 2025 se parkrun geëindig nie - dit was sy 100ste parkrun waaraan hy deelgeneem het! Om by 50 of 100 parkruns uit te kom, is groot gebeurtenisse by Groeneweide parkrun op Saterdag - gelukwense word oorgedra en balonne en 'n vlag word oorhandig - des te meer in die geval van parkrunners wat al effens gevorderd in ouderdom is.

Gielie het al 2 keer in Australië deelgeneem en 3 keer in die Paarl en 'skrik' dus nie vir sy 72-jarige ouderdom nie. Gielie is die eggenoot van Annaleen Genade wat bekend is vir die jaarlikse Borskankerstap wat sy in Franskraal reël. Gansbaai Lions het ook 'n gazebo opgeslaan met sagte kinderspeelgoed wat as geskenkies uitgedeel is - ter ondersteuning van kinderkanker.

Saterdag se parkruns het oor die jare baie gewild geword, maar kan nog beter ondersteun word. Daar is sowat 100+ deelnemers elke Saterdag en 'n aangename, onderlinge sportgees heers tydens elke week se parkrun. Groeneweide parkrun (altyd in klein letters) is op 19 Oktober 2019, 'n raps meer as 6 jaar gelede, amptelik deur die President van parkrun Suid-Afrika, Bruce

Gielie Genade by die eindpunt.

Fordyce, geopen - met bykans 350 opgewonde parkrunners wat die opening bygewoon het. Die twee 'ysters' aan die roer van sake is Henry en Brigitte Marais.
