

Arnold Swart does it again "Nêrens, Noord-Kaap" - Part 2

Arnold Swart (16) was only 12 years old and a Grade 6 learner at Gansbaai Primary School when he took part in the filming of *Nêrens, Noord-Kaap*, a family drama series on kykNET, about three years ago. (Gans-Berg News, 6 August 2021: "Laerskool Gansbaai's Film Star - Arnold Swart").

"I saw the advertisement for a role in the series, met the requirements, sent in my application and forgot about it," Arnold told Gans-Berg News at the time. "Two months later I was invited to an audition and was accepted for the roll." Arnold's father, Francois Swart, owner of *Oom Piet Accommodation & Tourist Lodge*, was extremely proud. Arnold's mother, Riaana Swart, sadly passed away in 2018. In the meantime, Arnold attended Hermanus High School but switched to homeschooling a year ago and is currently completing his Grade 10 year.

Nêrens, Noord-Kaap is a two-part series, produced by Nagvlug Films, set on the farm Nêrens in the Northern Cape. The storyline: The mother of three brothers who grew up there dies at a young age. The brothers drift apart and do not see each other for years. They return to the farm for their father's 60th birthday, with Lourens -

played by Arnold - as the son of one of the brothers. At that point Lourens (Arnold) is going through a difficult time, even struggling with suicidal thoughts. The brothers search for the brotherhood they once had, but a tragic story unfolds. In the second season of *Nêrens, Noord-Kaap*, aired three years after the first, Arnold's role shifts to that of a teenager attending high school. There he makes new friends and "grows" as a character. His relationship with his father also strengthens, although problems and hidden secrets remain. More cannot yet be revealed.

Arnold says that playing the characters in both parts gave him a new perspective on the world of film. "In the first part, it was a wow and a proud feeling to be part of such a big production. But I didn't truly grasp the privilege and responsibility of working alongside well-known names in the industry," Arnold explains. "In Part 2 of the series, that realization really sank in."

He refers to the absolute privilege and responsibility placed upon him as a young actor, mentioning names like Frank Opperman, Albert Pretorius, Daneel van der Walt and Geon Nel (also a former Gansbaai learner), as well as the acclaimed writer and director of the series, Nico Scheepers. "I also experienced much more of the pressure in the second part, acting alongside seasoned professionals," he said. "Then there's the realization of how much work is done by so many people behind the scenes - it's definitely not child's play." He adds that it is precisely the behind-the-scenes crew who make the magic of a series come to life - set designers, makeup artists, sound, camera operators, writers, directors, and many others.

So here we have a former Gansbaai Primary learner as a young, up-and-coming actor! And what about his future plans? "I really enjoy acting and would love to continue with it, but at the same time I also love writing," Arnold told Gans-Berg News. He says he has always wanted to become a writer, but he will definitely continue in the film industry - whether as an actor or as a writer. To realise this dream, he plans to study drama at university after school. The editorial team of Gans-Berg News wishes Arnold all the best with his future plans - we are very proud of this former Gansie.

Tribute to Colleen Knox

Colleen Knox

26 October 1943 — 28 August 2025

Colleen Knox was a lovely lady who I met at Lighthouse Tavern restaurant which I had purchased in 2008. Both her and her late husband Melvyn were regular visitors to my restaurant.

It was Colleen's brilliant idea to ask me to host an art exhibition for the 'Kwaskenades Ladies Art Group' in November 2014. The exhibition was a huge success with many paintings of these talented ladies been sold. Colleen's talent never went unnoticed and at every exhibition, a painting of hers was sold. She was extremely proud of her work and so too was Melvyn, he enjoyed each painting of hers and would often brag about it. After the first exhibition, it became a regular event which I thoroughly enjoyed.

Colleen and Melvyn were social members at the Gansbaai Golf Club and always enjoyed the steak nights.

I lived in their downstairs flat after I sold my restaurant and we had many good times together. Colleen loved animals and often took care of my pets when I went away to participate in a race. During COVID, we had a wonderful support structure and helped each other get through it. We enjoyed celebration meals together; Mother's Day, Father's Day and birthdays - wonderful memories which I will always treasure.

It was sad to find alternate accommodation when they sold their house and moved to Trianon Retirement Village in Diep River Cape Town. We kept in contact and on 18 November 2022 Melvyn passed away. Colleen had lost her soul mate and took strain on her own and missed him dearly. She would talk about him during our telephone conversations. My friend Michele de Jager often visited Colleen which helped. Colleen even kept recycle items for Michele

and they had good conversations during those visits.

On Thursday 28 August 2025 Colleen passed away, Colleen is now with her soul mate. Rest in Peace my dear friend, until we meet again. I cherish our time together and the memories are forever.

Vroue - Toeka tot nou... Werkbare boererate en resepte

Glaudina Brand, Yvonne Ferreira, Suzette Wiese en Carmen Kelly.

Die tema, "Boererate en resepte van toeka tot nou", het baie interessante resepte - soms komies, maar gewaarborg om effektief te wees - opgelewer. Dit was tydens die Kleinbaai See- en Teekring se maandelikse byeenkoms in die Pretoriussaal, met Yvonne Ferreira as gasvrou. Die kring is op 9 Februarie 1989 gestig, sowat 36 jaar gelede.

Na die afhandeling van administratiewe sake deur die voorsitter, Hannelie Kellerman, is die groot groep dames aan die woord gestel met 'n verskeidenheid wenke, boererate en resepte - met die voorwaarde dat dit beproefde en effektiewe resepte moes wees.

Die Gans-Berg Nuus het na 'n paar (daar was baie!) van die kosbare resepte geloer:

****As jy bloed laat trek:** Smeer dadelik Vicks op die steekplekkie wanneer jy tuis kom en jou vel sal nie blou word nie;
****Vir slegte spysvertering:** 1 teelepel suiker, 1 teelepel koeksoda opgelos in 1½ koppie lout water, gooi 1 teelepel asyn by en drink - dit was toeka se "Eno's";
****Vir plastiekbakkies wat taai geword het (kan ook vir taaiheid by stowe en storte gebruik word):** Meng 60 ml goeie vloeibare opwasmiddel, 250 ml witasyn, 300 ml water en 125 ml suurlemoensap - dit werk;
****Wenk vir spierkrampe:** Drink 'n klein botteltjie gherkin sap - dit werk amper onmiddellik;
****Molle? - rou vis;**
****Mooi versorging:** Sorg dat jy aangetrek is, hare gekam is en lipstiffie aan het - binne 'n uur nadat jy opgestaan het!
Na afloop van die wenke, resepte en boererate wat oor en weer uitgeruil en afgeskryf is, het Yvonne en haar helpers gesorg vir 'n tafel vol heerlike versnaperinge en verleidelike soetgoed wat terdeë geniet is.

Bietoubossers vier Omgee-vrouwees

Die op-en-wakker Bietoubos Damesklub het hulle Vrouemaand-byeenkoms met 'n belangrike eienskap van vrouwees behoorlik gevier - 'omgee'. "Ons het reeds vroeër in die jaar fondse ingesamel om die *Verfraai Gansbaai*-projek te ondersteun," vertel Elizma de Lange. "Carla Gouws en Laurette Nel het op 12 Augustus elk R1 000 ontvang, onderskeidelik vir die tuinbou- en die kunsverfraaiing van ons dorp."

Albei het vertel van die verskillende projekte wat aangepak is en reeds 'n verskil in ons dorp maak. Onder andere is daar by verskeie straatingange plante aangeplant, en verskillende muurskilderye is oral te sien om Gansbaai op te helder. "Die gaste het vinnig besef dat ons bydrae maar 'n druppel in die emmer is om die koste te dek van arbeid, plante, verf, ensovoorts," het Elizma gesê. "Met dit wat Carla en Laurette ons vertel het van wat hulle

alles doen, was ons dankbaar dat die Bietoubosklub 'n blyk van erkenning gegee het aan mense wat nie net kla nie, maar met 'n passie werk om Gansbaai te verfraai."

Elizma sê hulle 'Minister van Omgee', Marie de Jager, is reeds besig om aan 'n volgende projek te werk - die Herberg aan See Basaar se poedingtafel. 'n Pragtige gehekelde kombors (deur Lanita Marais geskenk) is uitgelooft om fondse vir bestanddele aan te koop. Die gelukkige wenner van die kombors was Caren Labuschagne.

Omring met soveel ekstase oor omgee-projekte, kon die gaste nie anders as om heerlik saam te kuier met tee en verleidelike eetgoed om die byeenkoms mee af te sluit nie - natuurlik met 'n kreunende tafel soos net die Bietoubossers dit kan doen!

Swendelaars loop Arniston-man in

'n Middeljarige man van Arniston was sy Mercedes-Benz kwynt nadat vier mans 'n transaksie met hom 'beklink' het. Die man het sy motor aan hulle verkoop en die betaling het aanvanklik as verdiskonteer op sy 'Bank-App' gewys. Kort nadat die mans weg is, is die transaksie deur die bank gekanselleer.

Die voorval het op 26 Augustus 2025 plaasgevind, met die drie van die vier mans wat dieselfde dag deur Bredasdorp SAPD-lede voor ABSA Bredasdorp gearresteer is. Hulle is vir die vals transaksie, besit van vuurwapens en die afwesigheid van identifikasiedokumente aangekla. "Die vuurwapens was egter *toyguns*, maar die mans is moontlik onwettige immigrante," het Lt.kol. A.S. du Randt, stasiebevelvoerder van Bredasdorp SAPD, aan Gans-Berg Nuus bevestig.

"Die voertuig is intussen in Mfuleni gevind en die ondersoek duur voort." Lt.Kol. du Randt het die onderhoud met Gans-Berg Nuus só afgesluit: "Mense moet asseblief wegbly van 'online' aankope en verkope, dit bly 'n risiko."

DANKIE

Hiermee wil ek graag vir Nicolene Richards van Richards Prokureurs bedank vir die geleentheid wat sy my gebied het om my prokureur-klerkskap die afgelope twee jaar by haar firma te kon voltooi. Dankie Nicolene vir die vertroue wat jy in my gestel het om die waagstuk aan te gaan gegewe my gevorderde ouderdom. Dankie ook vir alles wat ek by jou kon leer en dat jy my toegelaat het om my inisiatief te gebruik en sodoende bygedra het dat ek my vlerke kon sprei. Ek was bevoorreg om by jou te kon waarneem hoe belangrik voorbereiding en etiese optrede in die regsberoep is. Jy is inderdaad 'n professionele regspraktisyn met integriteit. Ek is danksy jou 'n meer ingeligte en meer vervulde mens na die strawwe twee jaar se klerkskap onder jou toesig en deeglike leiding.

Mag jou praktyk floreer en geseend bly.

Beste wense – Gerhard Ras"

UNDER THE MICROSCOPE

FISHING FOR COMPLIMENTS

Behold the iridescent beauty of a Brown-hooded Kingfisher (*Halcyon albiventris*) feather! Did you know that not all colour in bird feathers comes from pigment? The brilliant blue shine is actually caused by nanostructures in the feather which scatter and refract light to give off a metallic sheen. For Brown-hooded Kingfishers, these shiny wings play a key role in identifying mates. But it may also be a useful defense mechanism by using flash colouration to confuse predators!

Gansbaai Wynproegilde

Ongelooflike wyne van Langverwacht

Charl Terblanche, Marko Pentz, Anne-Marè de Witt, Theunis Botha en Japie Spies.

“Vanaand het ons die voorreg om Langverwacht se goeie gehalte wyne teen baie billike pryse te proe,” het voorsitter Japie Spies gesê tydens Gansbaai Wynproegilde se byeenkoms op Dinsdag, 19 Augustus 2025. “Dit was weer eens 'n suksesvolle byeenkoms met 'n volhuis van 62 lede en gaste, ongelooflike wyne en heerlike kos.” Langverwacht Kelder in Bonnievale is langs die Stormsvlei-pad geleë en het 'n ryke geskiedenis wat terugstrek tot 1956. Sodat 13 000 ton druiwe word daar verwerk - waarvan 85% aan wit kultivars gewy is.

Langverwacht se aanbieders vir die aand was Marko Pentz (Keldermeester) en Theunis Botha (Senior Wynmaker). **Theunis** het na skool aan Elsenburg Landboukollege Keldertegnologie studeer. Sy eerste pars was in 2005

by 'n klein 300-ton kelder, Devon Hill in Stellenbosch. In Desember 2005 sluit hy by Langverwacht aan as Assistent Wynmaker, waar hy steeds as Senior Wynmaker werk. **Marko** het na skool die graad B.Sc. in Wingerd- en Wynkunde aan die Universiteit van Stellenbosch verwerf. Sy eerste pars was by Kanonkop Wynlandgoed. Daarna volg: Junior Wynmaker by Oranje Rivier Wynkelder se Groblershoop Kelder; Oos-Kaapse Wynkoöperasie (OWK) vir 13 jaar, wat hom ook na Frankryk vir 'n pars gestuur het. Hy het daarna aan die Stellenbosch Besigheidskool in Bestuur en Bemarking gekwalifiseer - aan die einde van 2003 sluit hy as Keldermeester van Langverwacht Wynkelder aan.

Die sewe spogwyne wat vir proe en volledige bespreking aangebied is, was: Chenin Blanc 2025; Sauvignon

Blanc 2025; Calcrete Chardonnay 2024; Chardonnay 2023; Ruby Cabernet 2022; Cabernet Sauvignon 2021; en 4 Barrel Shiraz 2022. As 'n spesiale verrassing is 'n Muskadel 2025 saam met die nagereg geproe - dit is nog nie gebottel nie, maar is spesiaal vir die proe saamgebring en sal eers in 2026 beskikbaar wees.

Die witwyn-wenner van die aand was 'n gelykop uitslag: Sauvignon Blanc (2025) en Calcrete Chardonnay (2024). Die rooiwyn-wenner was die 4 Barrel Shiraz (2022). Die algehele wenner van die aand was die 4 Barrel Shiraz, met die Sauvignon Blanc in die tweede plek.

Die gepaste spyskaart van sjef Chris Pead was: Voorgereg - Smoked Snoek Pâté met bykomstighede; Hoofgereg - Pulled Lamb & Thyme Phyllo Parcel met bykomstighede; Nagereg - Caramel Apple & Almond Cream Entremet Tartlets met roomys.

Na die gesellige en suksesvolle byeenkoms het Charl Terblanche en Anne-Marè de Witt die gebruiklike blyk van waardering, Gansbaai Wynproegilde-voorskote, aan Theunis en Marko oorhandig. Die res van die aand is gesellig deurgebring met saamkuier soos net die gilde kan doen.

Ons verken Botswana en Namibië -Deel 6-

het waar een persoon selfs buite die voertuig moet staan om die regte lyne aan te dui waar die bestuurder moet ry. Die kampplek is 'n aangename verrassing met mooi skadubome, opwasgeriewe en warm storte.

In Deel 6 gaan ons voort met die eppare Fanie en Judy Bothma (toerleiers) van Franskraal, en Dolf en Elna Nel van Saldanha, se reis deur Botswana en Namibië (8 Mei tot 27 Junie). Elna Nel se kunstige dagboek, *BOT-NAM Avontuur*, bly 'n bron van uitstekende inligting.

Die toer bly sonder twyfel 'n 'Wow-belewenis' en 'n voorreg! Ná die asemrowende Eupa Falls, begin Deel 6 (Dag 28, 4 Junie) waar hulle die 'groot wildernis' gaan binne ry, rigting suid in Kaokoland. Elna vertel van baie meer Himba-krale en ronde kleihutte, asook groot trope bokke, met die omgewing wat van bosagtig na plat grasvelde verander met minder bome. By die dorp Okangwati is 'n netjiese skool, polisiestasie, regeringsgeboue en 'n aanloopbaan waar hulle brandstof kon ingooi. "Duidelik is hier tekens van verwestering," skryf Elna. Dan volg Opuwo (hoofdorp van die streek en "Afrika op sy beste") en daarna Etanga - op pad na Otjitanda Junction.

Hulle ry wes na Marble Campsite op die D3703 wat bitter slegte dele

Die bekende Roodrom is die volgende bekende baken - daar is verskeie geverfde dromme op die roete wat hulle nog sal aandoen. Na Roodrom is daar groot krale en Himba-huisies tussen die baie klippe en bergagtige gebied. Uiteindelik is dit in sig, naamlik die langverwagte Marienfluss - hulle ry oor 'n koppie en voor hulle sien hulle die asemrowende witgras vlaktes, omring deur blou berge in die agtergrond en soek dadelik 'n piekniekplek om hierdie belewenis deeglik in te asem.

Op pad na Camp Syncro deur die Marienfluss, soek hulle na die 'fairy circles' en kry 'n paar - die ontstaan daarvan word baie oor bespiegel. Dan ry hulle deur die laaste gedeelte van die Marienfluss wat baie droog is. Opgewonde sien hulle die 1ste Klipmannetjie op 'n hoogtetjie sit. Hierdie klipmannetjies is omhul in misterie oor wie dit gemaak het, waarom dit op sekere plekke geplaas is, hoeveel daar is en die nommers en kort boodskappies wat op metaalplaatjies aangebring is. Hulle ry weer terug verby Roodrom en aan na Bloudrom en "wild camping" in 'n rivierloop. In die omgewing van Bloudrom, beskryf Elna die wêreld as 'n woestynwêreld, met klipperige stofpaaie en baie

min bome. Skaars weggetrek, of Judy roep oor die radio: "Mannetjieeeeee!" - die volgende Klipmannetjie. Hulle ry verder en neem ook by Witdrom foto's. Judy sien weer eerste die volgende Klipmannetjie. Hulle ry in die verlate rivierlope van die Hoarusrivier en verken die omgewing op 4x4 roetes. Daarna volg 'wild camping' in die Hoarusrivier, suid-wes vanaf Puros en naby die Puros Canyon sien hulle die eerste woestyniere.

Na nóg 'n interessante gedeelte verken ons Namibië volgende week in Deel 7 verder saam met die eppare vir 'wild camping' waar hulle soek vir woestynolifante, kameelperde en ander diere.

Maak jou Veters vas

Dis Saterdag, 30 Augustus 2025, mooiweersdag - ek, Marilé, en Kie (Gerbrand) haar seun van 9, maak toe mos nou ons Veters vas en vat die pad B'bos toe, bekend as Baardskeerdersbos vir die wat hom nou nie so goed ken nie. So 9-uur ry ons na die Markie wat nou weer by Ou Skool Restaurant begin het.

Maar eers gelyk asof daar nie veel aangaan nie, maar vertel ek nou vir julle toe ons nou in die parkeerarea kom, soek ons staanplek en binne kan jy nie roer nie, mense net wa jy kyk...Man, het ons dit nou geniet - vanaf klere, leerbenodighede, Solar verkope, koffie, Arts en Crafts, brode, Justine verkope, branded T-hemde, vars groente, koekies en nog wat. Toe kom ons by die eetgoed, man ek sê nou vir julle genoeg om van te kies en te keur.... Burgers, rooties, pannekoek, springrolls en ek is seker ek vergeet om nog op te noem.

Weet julle, die lekkerste samesyn van soveel mense het ons lanklaas gesien. Marilé en Kie het rondgeleef en koop, terwyl hulle tussendeur fotos neem. Ek natuurlik het kennis gemaak met mense, lekker gesels en met ou vrinne en kennisse weer opgevang en gehoor wat weer orals aangaan. Mense, as julle nou wil wegbreek, dan kom julle die laaste Saterdag van die maand hiernatoe en kom sit en drink jou koppie boeretrees en eet jou goedjies hier op die stoep en gesels met ieder en elk.

Ons stop toe oppad terug weer by 'n stalletjie teen die pad, Pop-Up-pad-markie van Janké en Riané Uys. Sien toe paar karre en so nuuskierig soos altyd, stop ons toe ook mos daar. Klein plekkie wat van ver nie na veel lyk nie, maar was ons toe nou weereens verbaas mense. Soos hulle se "dynamite comes in small packages". Die markie is klein, maar pragtig, hy het hart oral op hom geskryf met twee susters wat hierdie bedryf bestuur en mamma en tannies wat ook met 'n glimlag uithelp. Hulle dra pragtige T-hempde wat mense kan sien waar om na iets te vra, indien hulle hulp nodig het.

Hulle vertel: "Ons het begin bak en brou tydens Covid-19, aangesien ons vir 'n groot deel van die skooljaar tuis deurgebring het en daar het die Uys Suster begin. Ons het vir verskeie plekke ons gebak gelewer, regoor die Overberg. Met die terugkeer na normaal en ons wat moes terug skool toe, moes flink dink en daar ontstaan die Pop Up Markie in Desember 2022 tussen êrens en nêrens!"

Die Pop up markie hou hulle so tussen deur so na as moontlik aan die

einde/begin van die maand, afhangende hoe die skoolsportprogram is - die beste is om hulle Facebookblad of WhatsApp dop te hou vir die markies. Dis so lekker om die plaas gasvryheid te kan deel met die mense met die gratis koppie boeretrees - hulle probeer om iets weer terug te ploeg en dat elke persoon wat daar stop, regtig die natuurskoon en plaasatmosfeer sal geniet!

Die pragtigste uitstal van produkte wat jou mond laat water - van proteas, groente, juweliersware, lekkernye, en nog om op te noem.

Die manne sit om die vuur, waar die koffie prut en elkeen uitgenooi word om 'n lekker gratis koppie boeretrees te geniet en aan die ander kant staan die manne weer by die kole om wors gaar te kry vir die worsbroodjies en roosterkoeke wat ook verkoop word. Weet nie van julle nie, maar niks ruik lekkerder as daardie vleisie op die kole nie.

Ons sit toe mos nou lekker en bak in die sonnetjie wat nou net lekker begin warm skyn op die bankies en bekyk die uitsig en neem nog foto's terwyl ons gou vir ons bestelling wag, wat sommer vinnig reg was. Gaan maak gerus 'n draai by die twee jonge dames en ondersteun hulle padstal. Jy sal nie spyt wees nie. Dit is goed vir die sie! Sien julle volgende keer daar.

GEARING UP TOWARDS ENHANCED FRONTLINE SERVICE DELIVERY

Boost for freshwater in new Reserve

A new nature reserve has been declared in the Western Cape, marking another significant milestone for the province's environment. The Wilderness Nature Reserve, spanning over 643 hectares, has been declared a Provincial Nature Reserve in terms of the National Environmental Management: Protected Areas Act (Act 57 of 2003).

Situated near Heidelberg, the reserve, newly declared on 17 July 2025, has a significant role in protecting freshwater biodiversity, endangered species, and ecological corridors. It is home to a range of important species, including the Critically Endangered Breede River Redfin. It also serves as a breeding site for the Black Harrier, the rarest raptor in southern Africa and an Endangered species. Approximately 615 hectares of the new reserve are designated as a Priority Biodiversity Area, creating a key protected corridor directly linked to the Boosmansbos Wilderness Area, a formally protected Provincial Nature Reserve and part of a World Heritage Site

Western Cape Provincial Minister of Local Government, Environmental Affairs and Development Planning, Mr Anton Bredell, welcomed the declaration, commending the joint efforts of CapeNature and landowners. "This new nature reserve is a win not just for biodiversity, but for the people who rely on the ecosystem services it provides. Our commitment to expanding protected areas is essential in the face of biodiversity loss and climate change," said Minister Bredell. "The declaration of Wilderness Nature Reserve strengthens our efforts to connect and protect biodiversity across the Western Cape."

The reserve marks a step towards ensuring the long-term

health and resilience of the province's biodiversity by protecting essential parts of an ecosystem, which ensures important species have a safe space to thrive. Wilderness Nature Reserve forms a direct ecological link to the adjacent Boosmansbos Nature Reserve, enhancing the overall protected area network. The properties have a very high conservation value, not only from providing habitat for threatened species but also in the delivery of essential services from nature, forming part of a critical catchment for the Duivenhoks Dam, which provides water for people downstream.

The Strength of Commitment

Agri Western Cape celebrates successful Annual Congress

Agri Western Cape hosted its Annual Congress at Goudini Spa in Rawsonville on 13 and 14 August 2025 with the appropriate theme 'The Strength of Commitment'. The theme ran like a golden thread throughout - from discussions on stage to the valuable interactions between members, guests and key players within the agricultural sector.

During the congress, we had the privilege of engaging with former presidents of Agri Western Cape, as well as other influential agricultural leaders. Their insights and experience underlined the importance of strong ties within the sector - not only among producers, but also with role players in the wider communities and government agencies.

Awards for excellence

We are proud to announce the following awards: Best Stock Theft Member - Dep Officer Nick Cremer; Best Stock Theft Unit - Oudtshoorn Stock Theft Unit; Best Rural Safety

Officer - Dep Officer AD Adams of the Uniondale police station. These persons and units are leaders within their areas who demonstrate collaboration and commitment to the agricultural community.

Important messages from Minister John Steenhuisen

Minister John Steenhuisen, the guest speaker on Thursday, does not see organised agriculture as a passive stakeholder of government, but rather as an indispensable strategic partner in national development. "This year, as South Africa holds the G20 presidency, we have put agriculture at the forefront. We use this platform to strive for fairer trade tariffs, faster recognition of our quality systems, and stronger investments in Africa's agri-food systems. Our message to the world is simple: South Africa can feed itself and contribute to global food security."

Panel discussion: The role and relevance of organised

agriculture Following the minister's speech, journalist Lourensa Eckhard led a panel discussion with Mr Jaco Minnaar, Prof Johan Kirsten and Prof Piet Croucamp. The panel provided insightful commentary on the relevance of organised agriculture - how structures and representation not only protect producers, but also make their voice heard in policymaking, ensuring perseverance in the face of challenges. Agriculture is not merely a profession - it is a way of life passed down through generations. Behind every successful producer are structures that provide stability, support and a collective voice. Agri Western Cape has honoured some of these structures:

Agricultural associations in the Western Cape that have existed for 100 years and longer:

**Franschhoek Agricultural Association - since 1915;
**Graafwater Agricultural Association - since 1922;
**Hopefield Agricultural Association - since 1925;
**Cape Flats and District Agricultural Association - since 1885;
**Lower-Sneeuberg Agricultural Association - since 1917;
**Montagu Agricultural Association - since 1883;
**Philadelphia Agricultural Association - since 1925;
**Piketberg Agricultural Association - since 1920;
**Porterville Agricultural Association - since 1925. These structures are the cornerstones of organised agriculture and remain an indispensable link in the chain of sustainable production, cooperation and community development.

The congress at Goudini Spa not only showed what is possible through commitment, but also sent a resounding message: Agriculture is a powerful driver for a stronger future. Agri Western Cape reaffirms our commitment to partnership, collaboration and growth by fully embracing the power of commitment.
