

# Overstrand Medical Centre (OMC) Nuwe era vir Gesondheidsorg in Overstrand - einde Julie

“Die hospitaal is tans sowat 70-80% gefinaliseer, met die noodeenheid wat reeds gereed is,” het dr Pierre Nel, hoofkoördineerder van die projek, tydens 'n besigtigingstoer op Maandag, 9 Februarie 2026, aan die Gans-Berg Nuus gesê. “Na alle waarskynlikheid vertrou ons dat die konstruksiewerk teen einde April afgehandel sal wees.” Motorbestuurders wat verby die hospitaal ry, maak gereeld die opmerking dat dit voorkom asof daar niks aan die gang is nie - asof alles tot stilstand gekom het. Dit is egter 'n totale wanopvatting. Betree 'n mens die gebou, lyk dit soos 'n miernes, met sowat 50-60 werkers wat daaglik, elk in sy of haar eie beroepsveld, besig is om alles betyds gereed te kry.

Dit was 'n besondere belewenis om saam met Pierre deur die kompleks te stap en te hoor hoe die eindproduk gaan lyk, asook wat reeds gedoen is en wat nog afgehandel moet word. Die voltooiende noodeenheid waarna verwys is, beskik oor twee spreekkamers, 'n prosedurekamer en drie oornagbeddens vir die stabilisering van pasiënte. Na die voltooiing van die konstruksiewerk teen einde April, volg daar 'n wagtydperk van sowat twee maande vir die finalisering van 'n enorme hoeveelheid duursame toerusting wat geïnstalleer moet word, asook die opleiding van personeel. Indien alles volgens plan verloop, sal hierdie fase teen Mei/Junie afgehandel wees.

“Die meerderheid van die toerusting word oorsee aangekoop,” het Pierre verduidelik. “Hoewel die bestellings reeds lank gelede geplaas is, kan daar steeds onverwagte oponthoude met aflewering wees wat buite ons beheer is.” Hy het egter bevestig dat hy hoopvol is dat alles teen die einde van Julie vanjaar gereed sal wees vir die amptelike opening van die hospitaal.

Vloerplan.

### Hospitaal-vloerplan

Die hospitaal beskik oor twee teaters, met voor- en na-operasiegeriewe. Die saal bevat vier akute beddens, vier pediatriese beddens en twaalf dagbeddens vir volwassenes. Die gebou bestaan in geheel uit 'n parkeerkelder (*basement*), grondvloer en eerste vloer (sien meegaande vloerplan). In die parkeerkelder word voorsiening gemaak vir stoorkamers, parking en 'n hysbak. Die grondvloer bestaan onder andere uit 'n ingangs- en ontvangsportal, apteek, koffiewinkel met ontspanarea (*lobby seating*), ablusiegeriewe, nooduitgang, PathCare-fasiliteite, radiologiefasiliteite, stoorkamers, konsultasiekamers, 'n dialise-eenheid, nood-/ongevalle-eenheid en 'n daghospitaal.

Op die eerste vloer sal onder andere 'n ingangs- en ontvangsportal, tien mediese eenhede (medical suites), asook 'n portal en balkon beskikbaar wees. Hierdie inligting is slegs 'n neutredop-oorsig - die geheelbeeld is inderdaad 'n perd van 'n ander kleur. Sonder twyfel kan pasiënte hul voorberei op absolute professionaliteit en 'n hospitaal waarop die gemeenskap met reg trots kan wees - 'n fasiliteit uit die boonste rakke.

Gans-Berg Nuus hou lesers op hoogte ná die voltooiing van die konstruksiewerk in April vanjaar. Vollediger inligting sal dan beskikbaar wees.

## Leë plekkie by ons voete - Miela se nalatenskap leef voort

Die dood van Miela, Gans-Berg Nuis se geliefde 'personeelhond' op 6 Januarie 2026, was hartseer en selfs traumaties - veral vir Michelle van Zyl, eienaar van Gans-Berg Nuis en ook Miela se 'mamma' - Miela was haar 'baba' vandat sy nog net 'n bolletjie wol was - maar verseker ook ons almal s'n gedurende die afgelope jaar. Miela het elkeen van ons soggens liefdevol, vriendelik en met sagte oë gegroet - en bedags beurtte gemaak om by iemand se voete te lê. "Ek voel skoon onveilig met Miela wat nie meer praat as daar iemand by die deur is nie," het een van die bemarkers gesê, met 'n traan of twee wat steeds soms vloei.

### Miela se geskiedenis

"Miela was 'n BARC-puppy," vertel Michelle. "Ek het haar aanvanklik vir my seun, Marlu, op 23 Desember 2020 gekry nadat hy onophoudelik vir 'n hondjie gevra het." Marlu se vraag aan haar was: 'Hoe weet mamma watter hondjie om te kies?' Michelle se antwoord? 'Die hondjie wat na jou kyk met ogies wat met jou praat, sal die regte een wees.' (En Miela hét oë gehad wat met 'n mens gepraat het!) "Wel, die res was vanselfsprekend," vertel Michelle. "Toe ek die twee beskikbare hondjies optel om te kies, kyk hier 'n wonderlike klein hondjie só diep in my siel in - en ons hartsnaartjies vleg daar en dan inmekaar soos *liquorice allsorts*. Ek bring haar dadelik huis toe om haar te was en te pampelang!"

Die volgende vraag was: 'Wat noem ons haar?' Marlu het voorgestel haar naam moet Miela wees - en Michelle het sonder huiwering ingestem. Dit was die begin van 'n wonderlike honde-liefde-pad, soos net mense met 'n opregte liefde vir hul hondenkinders sal verstaan. Die klein bolletjie wol het oral saam met hulle 'getravel' - winkels, see en mense wat net wou vryf en vashou. Miela was 'n pragtige kruising tussen 'n foxteriër en 'n skaaphond - 'n mooi gesiggie met 'n hart van goud.

### Mamma se baba

Soos Miela groter geword het, het die bolletjie wol by die dag gegroei. Maar soos baie gesinne sal kan getuig, was Miela teen die einde van die dag duidelik 'mamma-se-baba' en nie meer 'seuntjie-se-baba' nie: En mamma het maar ge-babysit - En Miela het by mamma geslaap - En Miela het mamma oral gevolg en haar beskerm asof haar lewe daarvan afhang.

"Die mooiste hart word ontbloot as mense inkom - sy gaan lê op haar rug en soek liefde," vertel Michelle. "Maar as jy uitstap, wil sy byt - sy wou jou net nie sien gaan nie!" "En wanneer ek van die

dorp af terugkom, het Miela dadelik kamer toe gehardloop, op my bed gespring en gewag dat ek met haar speel, terwyl sy my arm speels gekou het net om my naby haar te hou."

### Miela word 'personeelhond'

Toe Gans-Berg Nuis se kantoor sowat 'n jaar gelede na Michelle se huis verskuif, het Miela vanself deel van die personeelkorps geword. Sy het elke oggend 'n ieder en 'n elk met 'n glimlag, liefde en 'n swaaiende stert by die deur ingewag - dit was haar, en ook ons almal se, *safe space*. Sy het lekker saam met ons 'gewerk' en elke dag by een van ons se voete gelê. Wanneer die rokers

buite toe stap, was Miela kort op hul hakke - vir 'n bietjie streel en 'n 'geselsie' wat net sy kon verstaan. Daardie bruin ogies wat saam met jou praat, en 'n stert wat lyk asof hy vlieë probeer wegwaai van opgewondenheid oor al die aandag. "Ons aande se stap by die koppie en om die blok - waar sy rondtrippel soos 'n kind wat roomys kry wanneer sy sien haar groen leiband word van die yskas afgehaal," vertel Michelle.

### Miela se agteruitgang

In Oktober 2025 is Miela geopereer vir haar kruisligament. Mamma het haar rondgedra, medisyne gegee en alles moontlik gedoen om dit vir haar so

gemaklik moontlik te maak - sy is mos mamma se Miela-muis, mamma se baba. Die baba wat meestal soet was, nooit teruggepraat het nie en, as mamma hartseer was, haar kop teen mamma se nek gedruk het vir die lekkerste drukkies. Ongelukkig het Miela stadig maar seker begin gewig verloor en is sy weer veearts toe geneem. Sy het verbeter, maar tog het dit geblyk dat daar 'n onverklaarbare, onderliggende probleem was. Voordat verdere ondersoek die oorsaak kon vasstel, was dit reeds te laat. "Die oggend van 6 Januarie 2026 kry ek my Miela op die vloer - my meisiekind, leweloos en stemloos. My hart was gebreek en my lewe weer uitmekaar geruk deur die hartseer van dood," het Michelle droewig vertel. Die personeellede was almal diep hartseer en het deur die loop van die dag kom inloer - selfs dié wat op daardie stadium met verlof was. "Almal mis jou nog so baie hier. Trane het gevloei en vloei steeds daagliks. Miela, jou plekkie is leeg sonder jou. Ek mis jou so vreeslik baie. Kyk mooi na my mense - *not by my side, but forever in my heart.*" - Michelle van Zyl.

En dit is ook die gevoel van Gans-Berg Nuis se personeel: ons mis jou vriendelike oggend-groete, jou swaaiende stert en jou skelm drukkies.

## Biddag vir Opvoeding en Onderwys

Saadjies word in ons kinders en jongmense geplant - saadjies wat groei en hulle help om te groei om hulle volle lewenspotensiaal te bereik. Sondag, 8 Februarie 2026 was 'Biddag vir Opvoeding en Onderwys'. "Julle moet weet: die gemeente waardeer julle en bid vir julle," was die tema wat aan ons onderwysers oorgedra is. "Weet dat julle die Here se sorg sal ervaar - die Groot Tuinier!"

Sondae in die NG-gemeente is dit die gebruik om sjokolade vir verjaarsdae, huwelikshedenkings, doopdatums en dies meer te oorhandig - so het ds Hanri Joubert toe ook sjokolade aan elke onderwyser oorhandig. Hy het egter 'n 'foutjie' begaan deur te vra dat alle afgetrede onderwysers ook hulle hande moes opsteek - bykans meer as die helfte van die gemeentelede het hande in die lug gestee! "Jammer, maar hier is nie genoeg sjokolade vir almal nie," het hy laggend gesê. "Ek sit die bakkies hier en dié wat eerste hier is na afloop van die diens, kan sjokolade kom neem!"

Die NG-gemeente se koor het 'n gepaste koorlied vir ons onderwysers gesing - om mosterdsaadjies in ons kinders te plant wat sal lei tot groot en sterk bome op hulle lewenspaai:

### Mosterdsaad

"Hy't 'n mosterdsaad kom plant in my en met sy Woord het hy dit natgelei - en 'n sonstraal van liefde daaroor laat skyn - en die mosterdsaad word 'n lewensboom, gewortel langs 'n waterstroom - en dra vrugte van geloof, liefde en hoop. En as jy my vra hoe ek staande bly in 'n stukkende wêreld en rigting kry, dan bely ek - dis daai mosterdsaad in my!"

### Gebed vir ons onderwysers Deur Anriëtte de Ridder

(Erkenning: Dink Jeug Families)

Here, ons prys U vandag.  
Ons dank U vir onderwysers -  
Elkeen wat U dien en vertrou  
en met blydschap hulle roeping uitleef.  
Mag hulle invloed verder strek as wat hulle ooit sal sien,  
van geslag tot geslag.  
Gee vir hulle genoeg -  
genoeg wysheid, genoeg krag, genoeg geduld,  
en ook genoeg rus.  
Laat U sonlig oor hulle lewens skyn,  
veral op moeilike dae, wanneer hulle moeg is of druk ervaar.  
Here, vorm hulle harte om vrygewig te wees -

6 Februarie 2026 was 'Hardop Lees Maand' - op die foto is Laerskool Gansbaai se skoolhoof, Devin Sauls, geduldig besig met die lees van stories!

met tyd, aandag en hoop.  
Leer hulle om reg te doen,  
selfs wanneer niemand dit raaksien nie.  
En mag hulle vreugde groei  
waar hulle leer, lei en liefhet.  
**Amen**

Die redaksiespan van die Gans-Berg Nuis dra ook hulle dank en waardering oor aan ons onderwysers: vir 'n beroep om ons kinders op te voed - gevul met kennis, deernis, liefde, omgee en gereedmaking vir die toekoms - baie dankie!

## Department of Employment and Labour - Joint Employer Session planned

The Department of Employment and Labour is organising a joint employer session and Jobs and Careers Fair in Overstrand, Western Cape, to address unemployment. The Department, through its Provincial Office and the Public Employment Services (PES) branch, in partnership with the Overstrand Municipality, will host an integrated stakeholder engagement session, a large-scale jobs and careers development event, and a service delivery campaign in Overstrand.

The integrated model is designed to address severe structural unemployment, acute spatial inequality, and persistent skills mismatches within the Overstrand Municipality.

The Overstrand Municipal Area stretches nearly 1,708 square kilometres and is divided into three administrative areas: Hangklip-Kleinmond, Greater Hermanus, and Gansbaai-Stanford. It has the highest unemployment rate in the Overberg District, at more than 21.5 percent. The region's economy is focused on finance, insurance, real estate and business services; wholesale and retail trade and hospitality; manufacturing; tourism; and agriculture, while indigent communities are largely active in the informal sector.

Through the comprehensive integrated programme, to be held alongside an exhibition, the Department will deploy its services, including:

- \***Public Employment Services (PES):** registration, matching and counselling of work seekers;
- \***Unemployment Insurance Fund (UIF):** processing of unemployment insurance claims;
- \***Compensation Fund:** processing of claims for occupational injuries and diseases;
- \***Inspection and Enforcement Services:** conducting

compliance inspections in terms of labour legislation. Alongside the Jobs and Careers Fair, a high-impact inspection blitz will be conducted to strengthen workplace compliance and promote ethical labour practices.

# Camphill School Hermanus - A Place of Hope

Little is heard about Camphill School Hermanus, yet the school was established in 1952 - some 74 years ago - as an independent residential and day school for children and young people with special needs. It is a Christian-based haven of tranquillity for learners with intellectual and other disabilities, registered as a Section 21 special needs school. With a strong focus on life skills, the school helps learners grow in confidence and independence. Camphill School follows a holistic approach to education, combining classroom learning with therapeutic services and practical activities that prepare learners for everyday life. The school is situated in the beautiful Hemel-en-Aarde Valley near Hermanus.

Camphill School is part of the international Camphill Movement and aims to create and sustain a therapeutic community in which children and young adults with special needs can live, learn and work together in healthy social relationships based on mutual care and respect. The activities, studies, practical lessons and much more that are offered should not be underestimated - what is being done for the students, both young and old, is truly phenomenal.

Currently, around 50 students attend the school, of whom 20 are day learners from socially disadvantaged backgrounds. Apart from school lessons and various therapies, Camphill School Hermanus also provides three nutritious meals per day to its students. The school week begins on Monday with a School Assembly, where the entire school community gathers -

students, teachers and volunteers alike. They come together to enjoy music, sing, and reflect on a particular theme. Birthdays for the week are announced with great enthusiasm, allowing the whole community to prepare for these special celebrations. Following this weekly ritual, students aged 6 to 16 attend their main lesson, which follows the guidelines of the Waldorf curriculum.

Later in the day, more practically oriented lessons follow, often requiring one-on-one mentoring. These sessions focus on painting, drawing, music and drama. Older students (aged 16 to 21) participate in the Upper School Programme, where the emphasis shifts to life skills and work-related activities such as pottery, woodworking, land work, leatherwork and gardening. Although they still attend academic lessons three mornings a week, these practical experiences provide valuable preparation

and a meaningful transition into a working environment. Co-workers and residential students live together in "extended families" across three house communities. The school's large vegetable garden supplies the houses and the neighbouring Camphill Farm Community with biodynamically produced vegetables. Many residents with special needs from the Farm work in the garden, which also provides outdoor work opportunities for Upper School students as part of their programme.

The school and the neighbouring Camphill Farm Community share a community hall, library, tuck shop and therapy centre, all located on the Farm. The Ministry for Social Affairs of the Western Cape has recognised and rewarded this initiative for its dedicated work and successful integration of children and young people with disabilities.

## Foot-and-Mouth Disease near Wellington Agri Western Cape

Agri Western Cape (AWC) and the Red Meat Producers' Organisation Western Cape (RPOWC) have received official confirmation from the Western Cape Department of Agriculture's Veterinary Services of a positive case of Foot-and-Mouth Disease (FMD) in Mbekweni, near Wellington.

The FMD Joint Operations Committee (JOC) met this morning, and the 48-hour response plan was immediately

activated. The primary objective of this plan is to enforce strict control over the movement of animals. AWC and the RPOWC remain in continuous communication with the Department's Veterinary Services. FMD remains a state-controlled disease, and the state veterinarian is responsible for the containment and control of the disease, with the support of all relevant stakeholders.

All relevant stakeholders have already been informed, and good cooperation is in place to manage the situation responsibly. Strong emphasis is placed on strict animal movement control during this time. Members are urgently requested to adhere strictly to all prescribed protocols, to avoid any unnecessary movement of animals, and to apply biosecurity measures on farms without exception.

Die finale uitslae was soos was soos volg: 1ste plek - Langenhoven Gimnasium, Oudtshoorn; 2de plek - Hoërskool Overberg; 3de plek - HTS Drostyd. Dit was voorwaar 'n groot en trotse oomblik vir Ovies wat tweede op die toekenningslys geëindig het.

### Uitslae

Elba sê die hengeluitslae vir die dag is met groot opgewondenheid ingewag. Die voorste spanne en hengelaars begin mekaar nou redelik opdreun en die puntestand verander met elke kompetisie. Die Leervisspan, onder leiding van 'n baie 'nederige' Frans

Die prysoorhandigings het egter nie daar geëindig nie. Op 31 Januarie 2026 het Hoërskool Overberg ook die volgende toekennings tydens die Overbergstreek se 2025 NSS-toekenningsgeleentheid ontvang:

### Hoërskool Overberg

## Overberg Kushengelklub: Leervisspan loop kortkop voor

“Die eerste hengelkompetisie van 2026 het somer goed weggespring met mooi vangstes,” vertel Elba Tredoux van die Overberg Kushengelklub in Pearly Beach opgewonde. “Dit was dan ook 'n jolige saamkuier ná 'n vakansietydperk van twee maande op 'n lieflike somersaand, met groot dankbaarheid teenoor ons Hemelse Vader en die brandspanne wat die onlangse brande kon weghou van ons klubhuis af!”

Claassen, loop tans voor, met die kampioene van verlede jaar, die Knorhane-span, wat so hap-hap aan hul voorsprong.

“Ons kan sien dat Thys Kemp (Leervisspan) weer ten volle herstel het ná sy operasie, met 'n totale massa van 23,74kg wat hy ingeweg het,” het sy gesê. In die tweede plek was Janco Coetzee met 'n massa van 20,12kg, met 'n nuwe lid, André Viljoen, in die derde plek met sy 8,74kg massa - albei in die Knorhane-span. 'n Totaal van 73kg vis is deur lede ingeweg - *catch and release*. Dit is die klub se beleid om hulle visse te weeg, te meet, foto's te neem en veilig in die see terug te sit. Die voorslag-spysenieringspan van die Leervisspan, onder die bekwame leiding van Henriette Roux, het die lekkerste

gourmet-hamburgers bedien, met worsies as voorgereg. “Groot dankie aan Duif en Marjoh Pienaar van Van Blommenstein Slaghuis in Hermanus vir die skenking van die vleisprodukte,” sê Elba. “As jy kwaliteitvleis wil kry, is dít die plek!” Sy bedank ook graag die klub se maandelikse borge: Kuslang's Restaurant, Gansbaai Vismark en Fish Fever. “Baie dankie ook aan Arno en Sonja van der Merwe (Battery Centre Kuilsrivier en Brackenfell), asook Riel en Monique Vosloo van Chas Everitt Gansbaai, vir gereelde skenkings.” Die klub se volgende hengelkompetisie vind op Saterdag, 28 Februarie 2026, plaas - met hengelgroete van Elba Tredoux.
