## Noodvergadering beklemtoon groeiende kommer oor misdaad

Die goeie opkoms van sowat 150 verteenwoordigers by die Nood- Veiligheidsvergadering op Donderdag, 25 Junie 2026, in die saal van die Gansbaai Golfklub in Kleinbaai, het verskeie rolspelers en die gemeenskap se kommer oor misdaad in Groter Gansbaai beklemtoon. Die vergadering is deur Manny de Paiva van Kuslans Pub & Restaurant, en ondervoorsitter van Franskraal Buurtwag, geïnisieer en gereël. "Die hoofdoel van die vergadering kan baie kortliks soos volg opgesom word: betrokkenheid, bewusmaking en kommunikasie tussen die onderskeie sleutelrolspelers," het Manny aan Gans-Berg Nuus tydens 'n onderhoud gesê. "Van die belangrikste sleutelrolspelers is buurtwagte, Geestelike Misdaadvoorkoming (GMV), krisisbestuur, besighede, die Gemeenskapspolisiëringsforum (GPF) en gemeenskapsamewerking, met die klem op gestruktureerde organisasies."

'n Verdere belangrike aspek was om relevante inligting onderling te deel en maniere te bespreek waarop samewerking en veiligheid in die gemeenskap kan verbeter. Enkele voorbeelde wat kortliks bespreek is, sluit in: gemeenskapsbetrokkenheid, verhoogde bewusmaking, waaksaamheid en om na mekaar om te sien; nalatigheid, veral deur vakansiegangers, met oop deure, vensters, motors en motorhuise; buiteligte en sensorligte wat langer aangeskakel moet wees; die skoonmaak van beboste gebiede; verhuringsagente wat misdaadinligting aan besoekers beskikbaar moet stel; relevante WhatsApp-groepe wat op feite fokus en nie die beskikbaarheid van groepe misbruik nie.

Aktiewe buurtwagte in Groter Gansbaai bestaan tans uit De Kelders, Perlemoenbaai, Gansbaai, Kleinbaai, Franskraal (1 en 2), Uilenkraalsmond en Pearly Beach. Hierdie organisasies speel 'n uiters belangrike rol in misdaadvoorkoming - met die

regte samewerking tussen hierdie organisasies, geregistreerde strukture wat binne die GPF funksioneer, sekere geloofsgebaseerde gemeenskappe en die GMV, kan 'n deurslaggewende bydrae tot misdaadvoorkoming gelewer word. In gevalle van ernstige krisisse moet nooddienste soos die SAPD, Brandweer en Wetstoepassing eerste gekontak word, waarna ander rolspelers hul regmatige rolle kan vervul.

Gevestigde strukture is van uiterste belang. Wanneer individue buite sodanige strukture optree, kan duplisering plaasvind, onbevestigde inligting versprei word en paniek ontstaan - veral op sosiale media. Daarom is betrokkenheid by hierdie strukture van groot belang. Mense hoef nie noodwendig by patrollies en soortgelyke aktiwiteite betrokke te wees nie, maar kan te alle tye as die oë en ore van die polisie en gestruktureerde organisasies dien. Lidmaatskap dra ook by tot die befondsing van onder meer sekuriteitskameras. "Die ideaal sou wees om veiligheidskameras op 'n moniteringsbasis te bedryf," het Manny gesê.

By wyse van afsluiting, word die hoofdoel van die afgelepe vergadering weer beklemtoon: wees paraat, bevorder samewerking, verbeter kommunikasie en ondersteun geregistreerde strukture deur middel van lidmaatskap. Soos Riaan Booysen, GPF-voorsitter, dit gestel het: "Waarom 'n nuwe wiel ontwerp as die bestaande wiel reeds effektief aan die rol is?" Manny de Paiva kan vir verdere navrae by 083 654 1374 gekontak word.

(Inligting soos verskaf deur GPF-voorsitter Riaan Booysen is ook gebruik - met dank aan Riaan.)

# Hospitaal se eerste funksie?

*Pam Golding se span, met Le Roux van der Merwe (eienaar) regs en Dave Shawtelle (organiseerder) links.*

Wat moontlik as 'n eerste "funksie" by die Overstrand Medical Centre (OMC) beskou kan word, is Vrydagaand, 26 Junie 2026, deur Pam Golding Properties aangebied - 'n gesellige en eksklusiewe kaas-en-wyngeleentheid vir kliënte. "Pam Golding het onlangs 'n aantal verkope afgehandel en ons het besluit dat veral die nuwe kopers die geleentheid moet kry om ander nuwe kopers sowel as verkopers te ontmoet, sodat hulle tuis in Gansbaai kan voel," het Dave Shawtelle, organiseerder van die funksie, die Gans-Berg Nuis, wat ook na die funksie uitgenooi is, meegedeel.

"Ons het besluit om 'n kaas-en-wyngeleentheid te reël en dr Pierre Nel, hoofkoördineerder van Gansbaai se hospitaalprojek van die begin af, gevra om by ons aan te sluit en oor die hospitaal te praat, aangesien dit so belangrik vir die gemeenskap is." Pierre het ingestem om as gasspreker op te tree en ook aangebied dat die funksie by die hospitaal plaasvind, waar hy die gaste op 'n besigtigingstoer deur die fasiliteit sou neem.

Meer as 40 gaste het die suksesvolle en gesellige geleentheid bygewoon. Le Roux van der Merwe, hoof van Pam Golding, het saam met Dave die

byeenkoms geïnisieer, terwyl Pam Golding se personeel verantwoordelik was vir die wyn en verversings, insluitend tuisgemaakte bier, heerlike kolwyntjies en soet bolletjies.

Dave het die verwelkoming behartig, die doel van die funksie verduidelik en Pierre aan die woord gestel. Pierre het die gaste eers op die besigtigingstoer geneem en hulle op 'n insiggewende wyse ingelig oor wat alles in die hospitaal verwag kan word wanneer dit voltooi is. Die gaste het verskeie relevante vrae gestel, wat tot hul tevredenheid beantwoord is. "Ons stap al 'n lang pad en die struikelblokke wat ons moes oorkom, is legio," het Pierre gesê.

Pierre het die gaste vanaf die ontvangslokaal deur die volledige hospitaal geneem. Volledige en insiggewende inligting, asook die

vloerplan, is met hulle gedeel. By die hoofingang vir ambulans is die 24/7-noodeenheid, waar pasiënte, afhangend van die graad van hul toestand, onmiddellik die nodige aandag sal ontvang. Pierre het verduidelik dat pasiënte daar as rooi (kritieke gevalle), oranje (minder kritieke gevalle) en groen (nie-kritieke gevalle) geklassifiseer sal word. Daar sal ook 'n

diensvlakooreenkoms met die Departement van Gesondheid wees vir staatspasiënte sonder mediese fondse. Die groep het die indrukwekkende teaters, die 20-bed-sale, konsultasiekamers en ander fasiliteite besigtig.

Dave het saamgestem dat hierdie inligting slegs 'n neutedopvoersig van die fasiliteit in geheel is. "Die volledige omvang daarvan klink werklik indrukwekkend," het hy gesê. "Dit is egter duidelik vir ons dat hierdie 'n hospitaal gaan wees waarop die gemeenskap met reg trots sal kan wees - 'n fasiliteit uit die boonste rakke!"

## Van materiale na moordraaisels - Karin Franken boei Leeskring

Die dames van die bekende Leeskring het hulle verluister aan Karin Franken van Kaliko se interessante boekbespreking - "van materiale na boekbesprekings", kan 'n mens maar sê. Karin het die reeks boeke van Sally Andrew, 'n Suid-Afrikaanse topverkoper-skrywer, met die dames bespreek, maar veral op Sally se nuutste boek, *Wild Things Never Die*, wat in Mei 2026 vrygestel is, gefokus. Die byeenkoms op 23 Junie 2026 is weer gekenmerk deur vrolik versierde tafels met allerlei verleidelike verversings, insluitend 'n heerlike sjokoladekoek wat deur Almarie Janse van Vuuren gebak is. Die gasvroue was Marieta van Heerden en voorsitter Petro Pretorius, wat ingestaan het vir Lucia Dill, wat ongesteld is.

Na afloop van die byeenkoms het Karin ingestem om met die *Gans-Berg Nuus* oor *Wild Things Never Die* te gesels. "Dit is die vyfde en nuutste Tannie Maria-moordraaisel wat deur Sally geskryf is," het Karin vertel. "Die verhaal speel af in die Klein Karoo, waar Tannie Maria - die geliefde kosrubrieksrywer met haar talent om mense se harte én probleme te verstaan - by 'n raaisel op 'n natuurreservaat betrokke raak. Tannie Maria, haar verloofde, speurder Henk Kannemeyer en hul vriende op die natuurreservaat probeer skaars vetplantjies teen stropery beskerm, maar soos gewoonlik neem dinge 'n dramatiese wending wanneer 'n moord plaasvind. "Die boek meng misdaad, humor, kos, eksentrieke karakters en tipiese Karoo-atmosfeer."

Karin vertel verder dat, wanneer 'n groep

uiteenlopende gaste by die reservaat bymekaarkom, ou geheime, konflik en onverwerkte emosies na vore kom. "Te midde van die Karoo se ruwe skoonheid ondersoek Tannie Maria en haar vriende nie net 'n verdagte sterfte nie, maar ook temas soos liefde, verlies, genesing en die mens se verbintenis met die natuur." Soos in Sally se vorige boeke speel kos 'n belangrike rol as simbool van troos, gemeenskap en liefde. "Die Karoolandskap word amper 'n karakter op sy eie, terwyl die verhaal lesers herinner dat wilde dinge - en die gees van hoop, veerkragtigheid en verbondenheid - nooit werklik sterf nie," het Karin die gesprek afgesluit. "*Wild Things Never Die* kombineer dus moordraaisels, humor, Karoo-sjarme en diep menslike insig in nóg 'n warm en onderhoudende avontuur vir Tannie Maria."

### Die skrywer

Sally Andrew is die topverkoper-skrywer van die Tannie Maria Mysteries-reeks. Sy woon in 'n moddersteenhuus op 'n natuurreservaat in die Klein Karoo saam met haar kunstenaar-lewensmaat, 'n reusagtige eland en 'n geheimsinnige luiperd. Sy bring ook tyd deur in die wildernis van Suider-Afrika en in die kusvoorstad Muizenberg. Voordat sy voltyds begin skryf het, was sy 'n sosiale en omgewingsaktivis en het sy ook 'n meestersgraad in Volwasse Onderwys verwerf. Haar boeke is in ongeveer 15 tale vertaal en die Tannie Maria-verhale is later vir televisie verwerk. Van haar bekendste boeke sluit in *Recipes for Love and Murder*, *Tannie Maria and the Satanic Mechanic*, *Death on the Limpopo* en *The Milk Tart Murders*.

# Nederburg se bekroonde wyne beïndruk Gansbaai Wynproegilde

"Vanaand proe ons agt van Nederburg Wynlandgoed in die Paarl se bekroonde wyne," het Japie Spies, voorsitter van Gansbaai Wynproegilde, gesê. "Dit is ons vyfde byeenkoms van die jaar, met 67 gaste - meer as wat ons normaalweg hanteer." Nadat enkele formaliteite afgehandel is, het Japie Nederburg se keldermeester, Samuel Viljoen, bekendgestel en daarna aan die woord gestel.

Samuel het die grootste deel van sy jeug ver van wingerde deurgebring - aanvanklik in die Kalahari, waar sy pa 'n predikant was, en daarna in Bredasdorp. Sy pa het wel driuwe naby Rawsonville verbou, wat vir Samuel en sy broer, Kobie, aangespoor het om hulself as wynmakers te kwalifiseer. Ná matriek in 1998 het hy vir 'n BA BSc-graad aan die Universiteit Stellenbosch geregistreer, met spesialisering in oenologie en vitikultuur. Hy het drie jaar by die Goudini-wynkelder gewerk, asook vir een oeseisoen by Domaine Serene in Oregon. In 2007 het hy as assistent-rooiwijnmaker by Nederburg begin en word in 2014 na rooiwijnmaker bevorder. Sedert April 2021 is hy Nederburg se keldermeester. "Ek en my span is deeglik bewus van die strewe om 'n hoë standaard te handhaaf en verder te verhoog," het hy vertel. "Dit is 'n verenigende krag in die wingerde en die kelder."

Samuel het die proewyne op 'n insiggewende wyse verduidelik - een op 'n slag. Die verwelkomingswyn was 'n *Nederburg MCC 2018*. Daarna het Nederburg se puik witwyne gevolg: *Heritage Heroes Anchor Man 2023*, *Nederburg Winemasters Chardonnay 2025* en *Nederburg Winemasters Sauvignon Blanc 2026*. Die rooiwyne wat vir proe aangebied is, was *Nederburg se Heritage Heroes The Motorcycle Marvel 2022*, *Heritage Heroes The Brew Masters*

Ian de Witt, Samuel Viljoen, Anne-Maré de Witt en Japie Spies.

Smartie Genade, Sameul Viljoen en Charl Terblanche, voorheen al drie van Distell.

Die knap Great White House kombuisspan, met Marmara de Klerk links en Maretha Cooper regs.

2021 en *The Winemasters Double Barrel 2024*. Saam met die nagereg is hul uitstekende *The Winemasters Noble Late Harvest 2025* geproe.

Die Witwyn van die Aand, asook Wyn van die Aand, was die *Nederburg Winemasters Sauvignon Blanc 2026*, terwyl die Rooiwyn van die Aand *The Winemasters Double Barrel 2024* was.

Great White House se spyskaart is weer op 'n besondere wyse deur Marmara de Klerk van die gilde versier. Maretha Cooper het die spyskaart op 'n insiggewende wyse met die gaste bespreek. As voorgereg is *Cape Malay Curried Prawns* bedien, met *Slow-Braised Beef Short Rib* as hoofereg en *Warm Pear & Almond Crumble* as nagereg - uitstekend soos altyd!

Nederburg Wynlandgoed in die Paarl se geskiedenis dateer terug na 1791, toe die Duitse immigrant, Phillipus Wolvaart, 49 hektaar grond in die Paarlvallei verkry het. Hy het sy eiendom Nederburgh genoem, ter ere van die VOC-kommissaris Sebastian Cornelis Nederburgh. Verskeie eienaars het daarna gevolg, met die "h" in die spelling wat mettertyd verwyder is, waarna dit Nederburg geword het soos dit vandag bekend staan.

"Dit is interessant dat ons vanaand drie voormalige werknemers van Distell, nou bekend as Heineken, in ons teenwoordigheid het," het Japie gesê. Die drie is wynproegilde-lede, Smartie Genade en Charl Terblanche, asook Nederburg se aanbieder, Sameul Viljoen. Ian de Witt het die gilde se dank en waardering aan Samuel oorgedra, waarna Anne-Maré de Witt die gebruikelike voorskoot aan hom oorhandig het. Dit was weer eens 'n gesellige en saamkuieraand wat terdêe deur almal geniet is.

# Newly discovered Species named after Dr Martine Jordaan

A rare glimpse into the underwater world of the Rondegat River.

An adult Clanwilliam sawfin.

Dr Jordaan retrieving nets while sampling the fish community during a field survey.

The pristine habitat of the Rondegat River.

A newly described Paradiplozoon species has been named after CapeNature Fauna Ecologist, Dr Martine Jordaan, in recognition of her knowledge and passion for the aquatic life of the Cape Fold Ecoregion, her continuous enthusiasm for studying the region's fishes, and her understanding of their parasitofauna.

The newly identified species, *Paradiplozoon jordaanae*, was named after Dr Jordaan and described through studies of parasites found on the gills of two near-threatened endemic freshwater fish species - the Clanwilliam sawfin (*Cheilobarbus serra*) and the Clanwilliam redbin (*Sedercypris calidus*) - from the Matjies and Rondegat rivers in the Cape Fold Ecoregion. CapeNature CEO Dr Ashley Naidoo said the recognition highlighted the importance of collaboration in advancing conservation science in the Western Cape. "This collaboration demonstrates how partnerships - both formal and informal - between conservationists and academic researchers can deepen scientific understanding and strengthen conservation outcomes," he said.

The species was identified by researchers from the Water Research Group at North-West University (NWU) following a collaboration that began nearly six years ago, when Dr Jordaan encountered an unusual fish parasite during fieldwork on redbin fish. The parasite, in this case an ectoparasitic fish flatworm, had not been observed in the rivers of the Cape Fold Ecoregion for many years. The discovery led to closer cooperation between Dr Jordaan and researchers from NWU, combining field-based conservation work with advanced laboratory

research to better understand freshwater ecosystems and aquatic biodiversity.

As part of the ongoing collaboration, Dr Jordaan assisted researchers with extensive fish surveys and field sampling across river systems in the Western Cape, supporting research into parasite biodiversity, fish health, and species conservation. "For me, the specialness of it lies in seeing how your small contribution feeds into something bigger. It really shows the value of collaboration and what can be achieved when people with different expertise work towards the same goal," said Dr Jordaan. While the word "parasite" often carries negative connotations, non-pathogenic parasites that pose no risk to humans or animals also warrant conservation attention, as they form a unique part of local biodiversity.

Dr Jordaan said conservation science often depends on partnerships that allow specialists from different fields to contribute towards a shared conservation objective. "In the case of fish parasites, there is this whole undiscovered world that can essentially only be accessed under a microscope. As conservation is such an applied and practical field, we do not always have the opportunity to investigate these specialist disciplines," she said.

# Ses jaar van gemeenskapsnuus en sukses vir Gans-Berg Nuus

Verskeie gelukwense is gedurende die afgelope week van oraloor deur tevrede lesers na die kantoor van Gansbaai se weeklikse gemeenskapskoerant, Gans-Berg Nuus, gestuur - hoe dan nou anders? Ons vier op Vrydag, 3 Julie 2026, ons sesde suksesvolle bestaansjaar met die verskyning van ons 310de uitgawe!

“Ses jaar waarop ons baie trots is en waarop ons, net soos in vorige jare, met dankbaarheid op nog 'n suksesvolle jaar van groei en vooruitgang kan terugkyk,” het Michelle van Zyl, eienaar en redakteur, met trotse dankbaarheid gesê. Michelle sê sy wil eerstens graag haar redaksiespan bedank en gelukwens wat saam met haar nog 'n jaar van die koerant 'n groot sukses gemaak het: Melissa van Rooyen (grafiese ontwerper), Hardus Botha (joernalis), Tracy Hulme (administratiewe assistent) en Janine Williams (advertensie-vertegenwoordiger). “Maar almal van ons se harde werk sal nutteloos wees sonder ons getroue lesers en staatsmaker-adverteerders, wat 'n baie groot dankie verdien - sonder julle sou die voortbestaan van ons koerant nie moontlik gewees het nie,” het Michelle gesê.

Sedert 3 Julie 2020, toe Gans-Berg Nuus die eerste keer die lig gesien het, is daar gereeld nuwe hoogtepunte bereik wat op uitstekende groei van ons weeklikse gemeenskapskoerant dui. Die ontstaan van Gans-Berg Nuus te midde van die uitdagings van die Covid-pandemie in Julie 2020, is 'n bewys van die onverskrokke waagmoed en deursettingsvermoë van Michelle en

haar span. Verskeie mylpale en hoogtepunte is gedurende die afgelope ses jaar bereik, waarvan enkele die volgende is: Laerskool Gansbaai se jaarlikse Interskole boekie; 'Recipe & History Book'; Aktiwiteitsboekies; 2de Resepte boekie (Uit ouma se Spens); Uilenkraalsmond Nuustak-koerant; Kersfees Mark; Jaarlikse Getye boekies; Met nog meer - te veel om alles te meld.

“Baie dankie nogmaals aan ons lojale lesers en getroue adverteerders vir elkeen se volgehoue ondersteuning gedurende die afgelope jare. Sonder julle toegewyde ondersteuning en lojaliteit sou die suksesse van die afgelope ses jaar nie moontlik gewees het nie. Ons sien met groot opgewondenheid uit na ons volgende bestaansjaar!”

Die weeklikse verspreidingsgebied van Gans-Berg Nuus sluit die volgende dorpe in (alfabeties): Franskraal, Gansbaai, Hermanus, Kleinbaai, Pearly Beach, Stanford en Uilenkraalsmond. Gans-Berg Nuus se kantoor is geleë te Andrewstraat 21, Gansbaai. Ons kan gekontak word by 028 205 0100 of via WhatsApp by 066 225 4280.

# Marine Dynamics honoured for transforming Tourism into Conservation Impact

Marine Dynamics has been named a joint winner of the prestigious ATTA® Traveller Education and Awareness Award, sharing the honour with Blood Lions in a historic first for the ATTA® for Action Awards. This achievement marks a second consecutive ATTA® award for Marine Dynamics, following its Marine Impact Award win in 2025, and reinforces the organisation's position as a leader in conservation-led tourism and environmental education in Africa.

The recognition celebrates organisations that successfully educate travellers to become more responsible visitors and create positive social, environmental and conservation outcomes across Africa. This year marked the first time in the awards' history that two organisations shared a category win, reflecting the exceptional quality and impact of both programmes. For Marine Dynamics, the award is not simply recognition of educational excellence - it is validation of a model that demonstrates how tourism can become a powerful force for conservation.

At the heart of the organisation's approach is a simple principle: education creates awareness, awareness inspires action, and action drives conservation impact. Through its marine ecotourism experiences, environmental education programmes, scientific research, wildlife rehabilitation initiatives and community outreach projects, Marine Dynamics and the Dyer Island Conservation Trust reached 70,000 people in 2025 alone.

The impact extends beyond awareness. Independent research found that 74% of participants adopted at least one environmentally friendly behaviour within four weeks of their experience, while 40% adopted four or more positive environmental behaviours. The programme also generated more than R3 million for marine conservation initiatives through conservation fees and donations, directly supporting research, environmental programmes and wildlife rehabilitation.

The judges described Marine Dynamics as: "An exceptionally strong example of conservation-led tourism education that successfully connects tourism, research, wildlife rehabilitation and community engagement into one highly impactful model." They further praised the organisation's ability to translate complex marine science into engaging educational experiences for international visitors, local schools and community groups, creating meaningful and lasting conservation impact.

Over the past 25 years, Marine Dynamics has developed an integrated ecosystem that combines responsible tourism, conservation, research, education and community development. Together with the Dyer Island Conservation Trust (DICT), Marine Dynamics Academy, the African Penguin and Seabird Sanctuary (APSS), and the Great White House, the organisation has created a platform where every visitor encounter contributes to a

broader conservation journey. Each year, thousands of guests experience South Africa's Marine Big 5 while learning about marine ecology, endangered species, climate challenges, marine pollution and the role individuals can play in protecting biodiversity.

This educational journey continues beyond the boat. Through the African Penguin and Seabird Sanctuary, visitors witness conservation in action while learning about the threats facing the Critically Endangered African Penguin. The organisation's impact also extends into local communities through the Dyer Island Conservation Trust Environmental Education Programme (DEEP), which has empowered more than 130 local learners since 2016, as well as through school programmes, community Marine Evening events and marine conservation awareness campaigns.

Scientific research remains a cornerstone of the model. Over two decades, the Dyer Island Conservation Trust has contributed to more than 40 peer-reviewed scientific publications, helping to advance understanding of sharks, whales, seabirds, seals and marine ecosystems while making science accessible through public engagement and education. According to Wilfred Chivell, Founder and CEO of Marine Dynamics and Founder of the Dyer Island Conservation Trust, the award recognises the power of education to create long-term conservation outcomes. "We are incredibly honoured to receive this recognition from ATTA® and especially proud to share this award with Blood Lions, an organisation that has made an extraordinary contribution to responsible wildlife tourism and traveller education." The award

comes during a milestone period for the Marine Dynamics ecosystem, marking 25 years of Marine Dynamics, 20 years of the Dyer Island Conservation Trust, and 10 years of the African Penguin and Seabird Sanctuary.

## LSG se leerders toon groot harte vir diere

*Nols Jonas van BARC by Devin Sauls (skoolhoof) en Lisa Brand.*

Laerskool Gansbaai (LSG) het aan die einde van verlede kwartaal besluit om Gansbaai se plaaslike dierereddings- en welsynsorganisasie, BARC (Birkenhead Animal Rescue Centre), te ondersteun.

Vrydag, 26 Junie 2026, was tradisioneel Civiedag by die skool. "In plaas daarvan dat

leerders vir Civiedag betaal, het ons hulle gevra om 'n donasie in die vorm van honde- of katkos skool toe te bring," het Devin Sauls, LSG se skoolhoof, gesê. "Ons het gevra vir enige bydrae, groot of klein, om die diere-nood in ons gemeenskap te help verlig."

Annalie Jonker, voorsitter van BARC se Trustee, het namens die Trustee en personeel van BARC haar opregte dank en waardering teenoor die leerders uitgespreek.

"Ons is baie dankbaar, aangesien daar voortdurend nood by BARC heers en elke bydrae opreg waardeer word - dankie dat julle saam met ons bereid is om 'n verskil te maak," het Annalie gesê.

Leeu-Gamka-wedvlug na Gansbaai

Na die twee wedvlugte vanaf Laingsburg (1 en 2), het die duiwe Saterdag, 27 Junie 2026, vanaf Leeu Gamka gevlieg - net meer as 300km. "Dit was 'n mistige dag met 'n koue windjie, en stadig maar seker het die pad terug al hoe langer geraak," vertel Marisca Fourie van die Gansbaai Posduifklub. Uiteindelik was die duiwe tuis en kon ingeklok word.

*The Grootbos Foundation's Friday news kicks off with a face full of pollen. This fly along with a squadron of other fly species was spotted actively feeding on a species of daisy (Othonna bulbosa) which is in mass bloom in some of the burnt veld of the Grootbos Reserve. This is a bountiful season in the fynbos ecosystem. "If you zoom in its pollen-laden face and eyes can be seen - it almost needs racing goggles!"*

*This week, we bid farewell to Natasha Bredekamp, Sports Development Programme Manager, who has decided to move on from the Grootbos Foundation. All the children and coaches turned out at the sports field to thank Natasha and to wish her well in the next phase of her career. Thank you, Natasha, for your passion, energy, dedication to sports, and genuine care for the children over the years.*

## Spanning oor Overberg-hengelpryse loop hoog - wie gaan die kroon dra?

"n Meer perfekte dag as die afgelope voorafgaande Saterdag kan jy beswaarlik langs die see kry," vertel Elba Tredoux van die Overberg Rots- en Strandhengelklub. "Dit was dan ook ons laaste hengelkompetisie vir 2026, met die nuwe hengeljaar wat die naweek van 25 Julie afskop, tesame met die jaarvergadering en die prysuitdelingsfunksie later die aand."

Elba sê die vangste was maar aan die einaant, maar die getroue hengelaars het steeds hul kant gebring. Die drie topwenners vir 2026 is reeds aangekondig, maar Elba sê die voorsitter hou al die uitslae styf teen sy bors tot en met die prysuitdelingsaand. "Die skaal kan nog enige kant toe kantel vir die twee voorste spanne, naamlik die Leervisse en die Knorhane, asook vir die top-hengelaars - ons wag in spanning!" sê sy.

Hierdie maand se wenner was Thys Kemp, met Etienne Jordaan in die tweede plek en die klub se 'langman', Melchi Botha, derde - met voorsitter Hendri Badenhorst wat die pryse oorhandig het. Elba het ook 'n foto van Estelle Basson, geneem deur Venetta van Wyk, gestuur met die onderskrif: "Estelle wag geduldig op die ou grote om te byt!"

Klublede het in groot getalle vir die maandfunksie opgedaag en heerlijk saamgekuier terwyl hulle die uitmuntende geregte, voorberei deur die span van die Koningsvisse, geniet het. "Ons

vermoed ons is een van die min hengelklubs - indien nie die enigste nie - wat oor ons eie lewendige orkes beskik," vertel Elba trots. "n Aand sonder musiek is darem net nie dieselfde nie, en ons sê baie dankie aan die musikante - julle mag maar!"

Elba bedank ook die klub se getroue maandelikse borge: Kuslang's Restaurant, Gansbaai Vismark, Fish Fever en Battery Centre - Kuilsrivier en Brackenfell, asook die lede wat gereeld items vir pryse skenk. "Dit word opreg waardeer," sê sy.

## LSG - 2027 se Leerlingraad

Die Leerlingraad vir 2027 van Laerskool Gansbaai (LSG) is bekend gemaak - baie geluk aan elkeen van julle met hierdie verantwoordelike taak wat aan julle opgedra is! "Julle het die vertroue van julle maats en onderwysers verdien, en ons sien daarna uit om julle as leiers te sien groei en 'n positiewe verskil in ons skool te maak," het LSG se mediaspan laat weet. "Ons wens julle alle sterkte toe met die verantwoordelikheid wat voorlê - lei met integriteit, respek en trots, en wees 'n voorbeeld vir ander."

'n Spesiale gelukwensing word ook aan MJ Germishuys en Daniel de Villiers gerig, wat ongelukkig tydens die aankondiging afwesig was. Die skool is trots op julle en sien daarna uit om julle later saam met die res van die Leerlingraad te verwelkom. Sodra die leerders se name na afloop van die skoolvakansie vrygestel is, sal dit geplaas word - intussen 'n hartlike gelukwensing aan elkeen, ook vanuit die geleedere van die Gans-Berg Nuus se redaksiespan. Mag 2027 'n jaar van uitstekende leierskap vir LSG wees!
