Boesmanskivier Enduro - laat die stof so staan

"Sowat 85 motorfietsryers het aan ons opwindende enduro-wedren op die plaas Boesmanskivier by Baardskeerdersbos deelgeneem," vertel Francois de Wet. "Dit was 'n enorme sukses en 'n gesellige dag wat deur almal geniet is."

Francois het die baan uitgelê en, in samewerking met Kobus Kroon van die Western Cape Off-road Club (WCOC), die spesiale dag aangebied. Hy sê hulle hoop om die enduro 'n jaarlikse instelling te maak. Die dag het uitstekend verloop, met trose wenners wat uit die stryd getree het. 'n Gesellige atmosfeer het by die begin- en eindpunte geheers, terwyl opgewonde toeskouers die wedren gade geslaan het. Verskeie kleurvolle tente het verder tot die feestelike atmosfeer bygedra.

Die onderskeie klasse waarin deelgeneem is, was Club Open, Club 85, Club Master, Club HS (Hoërskole), Club Quad, Club 200, Seniors en Club 65. Die wenners in die onderskeie klasse was soos volg (aantal rondtes en tyd in hakies):
 Christian Vosloo (6, 03:23:36); Liam Janse van Noordwyk (4, 02:08:35); Nicol Smit (7, 03:28:54); Quiron Weyers (3, 02:11:23);
 Jeandré Radyn (7, 03:16:54); Donovan Jacobs (6, 02:03:55);
 Heinrich Primic (6, 03:09:31); Wehahn du Plessis (7, 03:23:37).

Francois het ook verwys na 'n Fun Enduro wat moontlik teen die einde van Augustus 2026 aangebied sal word. Hierdie byeenkoms is 'n oop klas en is bedoel vir gesinne wat die dag rustig op hul motorfietse wil deurbring - met piekniekmandjies, stopplekke en genoeg tyd om die roete teen hul eie pas te geniet. "Dit is egter nie sommer net 'n oop deelname vir die publiek nie, maar sal op 'n georganiseerde basis aangebied word, met voorafbespreking," het Francois gesê.

Die Western Cape Off-road Club (WCOC) is 'n geaffilieerde klub van Motorsport South Africa (MSA) wat veldrenmotorfiets- en vierwielmotorfiets (quad)-kompetisies regoor die Wes-Kaap aanbied. Die klub bied gestruktureerde junior- en seniorkampioenskappe aan en is toegewy aan veilige, professionele en gesinsvriendelike veldrenbyeenkomste waar ryers van alle ouderdomme en vaardigheidsvlakke kan deelneem.

Die Gans-Berg Nuus sal lesers op hoogte hou van verdere verwikkelinge in hierdie verband. Vir navrae kan Francois de Wet by 082 610 8460 gekontak word.

Tony Haultzhausen: 'n Man van vele talente

"Wanneer ek iets sien wat my interesseer, wil ek dit doen en lei ek myself op om dit behoorlik te doen," is Tony Haultzhausen (71) van De Kelders se lewensleuse - 'n man van vele talente en lewenservaring - te veel om hier op te noem - en 'n toonbeeld van deursettingsvermoë. "Verder is 'n saak vir my of reg en vinnig gedoen, of glad nie."

Tony en Marietjie is op 1 Maart 1975 in Nelspruit, Mpumalanga, in die huwelik bevestig. Die egpaar het twee kinders: Helgaard, wat op 1 Desember 2022 oorlede is, en George (47). Hulle spog met vier kleinkinders en een agterkleinkind. In 2009 het hulle alles verkoop en na De Kelders verhuis. Hier het hulle vinnig bekend geraak toe hulle in dieselfde jaar De Kelders Bakkerij gekoop het - "vir 'n aftreewerk"! Hy het die bakkerij op 1 September 2009 oorgeneem en, soos hy dit stel, "as 'n leek" begin bedryf. Op grond van sy boukennis, nadat hy voorheen twee huise self gebou het, het hy verskeie verbeterings aan die gebou aangebring en ook nuwe produkte bekend gestel. Hy het selfs 'n slaghuysafdeling bygevoeg. Tony is ook besonder musikaal en het onder meer die trompet (van 13-jarige ouderdom af), saxofoon en mandolien leer bespeel. As jongman het hy musiekklasse bygewoon, met konserte gehelp en selfs sy eie dansorkes gehad.

In 2000 is Tony met skildklierkanker gediagnoseer en sy skildklier is verwyder. Die kanker het later na die limfkliere versprei en hom verskeie kere by die dood laat omdraai. Om egter te gaan lê en vir die ergste te wag, was nooit deel van sy plan nie. Op 1 April 2017 het Tony die bakkerij, ná bykans agt jaar, verkoop, maar het steeds aan die gang gebly - ondanks sy gesondheidsuitdagings. Tans verwerk hy vleis en maak op kleinskaal heerlike wors, iets waarmee hy reeds tydens sy dae by De Kelders Bakkerij begin het.

Binne kerkgeledere van die NG Kerk, waar hy tans as leierouderling: Kommunikasie dien, is hy voortdurend met sy uitgebreide rekenaarkennis besig. Hy het die uitsending van eredienste op die been gebring deur self die nodige toerusting te installeer. Verder hanteer hy rekenaarprobleme in die kerkkantoor, sorg vir die ontwerp en uitleg van die kerkalmanak,

Tony en Marietjie Haultzhausen.

Tony in sy 'rekenarsentrum' vanwaar hy eredienste beeldsend.

hou die webtuiste in stand en verrig talle ander take. Vir die NG-gemeente is Tony 'n ware aanwinst, al kan hy soms streng wees - 'n taak word ordentlik en vinnig gedoen, anders is daar "pêre"!

Tony is op 8 Februarie 1955 in Pretoria gebore, maar het in Barberton grootgeword, waar hy in 1972 gematrikuleer het. Daarna het hy aan Pretoria Technikon 'n driejaardiploma in Telekommunikasie verwerf. "Ek moes my studieskuld by die Pos- en Telekommunikasiewese oor 'n tydperk van tien jaar terugwerk," vertel hy. Daarna het hy by Measurex as 'n *Field Engineer* aangesluit, waar hy verantwoordelik was vir die proseskontrole van rekenaarstelsels. "In 1987 het ek besluit om op my eie te

gaan en 'winkel-winkel' te speel," vertel hy glimlaggend. Hy het saam met Marietjie vir twee jaar, tot 1989, onderskeidelik Tony's Kitchen en haar wegneemete-onderneming in Frankfort bedryf.

Later het Tony as tegnikus by Siemens aangesluit, maar is gou bevorder tot assistent-onderhoudsbestuurder en daarna installasiebestuurder, 'n pos wat hy tot 1995 beklee het. Daarna het hy as verspreider en subkontraakteur vir Siemens opgetree, met nog subkontraakteurswerk wat gevolg het. "Maar eintlik was ek van toe af 'unemployed'," skerts hy. Wanneer daar tyd is, geniet Tony fotografie en musiek as stokperdjies. Soos reeds gesê - inderdaad 'n man van vele talente.

Toekomstige sjefs en kelners wys hul staal

'n Verskeidenheid gaste is persoonlik deur Hannett van Deventer, onderwyser in Gasvryheidstudies by Gansbaai Academia, genooi om die Gr 12-studente se viergang-middagete te assesseer. Die ete is onder haar waaksame oog voorberei en bedien, terwyl die leerders deur Maryke de Villiers, vakadviseur van die Overberg Onderwysdistrik, geëvalueer is.

Die gaste is vriendelik buite die restaurant ontvang en afsonderlik na hul tafels begelei, waar stoele hoflik vir hulle uitgetrek is. Elke tafel het 'n persoonlike kelner gehad wat netjies geklee was en flink gereed gestaan het om diens te lewer. Alkoholvrye verwelkomingsdrankies is bedien, terwyl die tafels professioneel gedek was, met eetgerei, blomme en 'n netjies getikte spyskaart - soos 'n mens dit in 'n hotel sou verwag.

Die professionele viergang-spyskaart het die volgende smaaklike disse ingesluit: *Hors d'Oeuvre - Vol-au-Vents* met spinasie- en fetavulsel; as voorgereg *Patat- en gemmersop* met focaccia-driehoek; as hoofereg *Blindevinke, aartappel-rösti* en roerbraaigroente; en as nagereg *Sjokolade Bavarois*, waarna tee of koffie bedien is.

Die kelner by die Gans-Berg Nuus se tafel het homself as Zusange voorgestel - 'n aangename

jongman wat aan die gaste vertel het dat hy graag eendag 'n toneelspeler wil word. Hy het ontspanne en natuurlik met die gaste gesels, sonder om dit te oordoen, en dadelik en flink gereageer wanneer iemand iets benodig het.

Twee groepe leerders was onderskeidelik op Dinsdag en Woensdag, 28 en 29 Julie 2026, verantwoordelik vir die voorbereiding van die kos en die bediening van die gaste - altesaam 35 Gr 12-leerders: Dinsdag: 1 x *Maître d'Hôtel* (hoofkelner); 1 x drankkelner; 1 x *Chef de Cuisine*; 1 x *Aboyeur*; 9 x sjefs; 6 x kelners. Woensdag: 1 x *Maître d'Hôtel* (hoofkelner); 1 x drankkelner; 1 x *Chef de Cuisine*; 1 x *Aboyeur*; 6 x sjefs; 6 x kelners.

Met die geurige en smaaklik voorbereide ete, die flink en vriendelike bediening en die ontspanne atmosfeer wat geheers het, kan Hannett met reg trots wees op haar studente. Die Gans-Berg Nuus vertrou dat Maryke tydens haar evaluering dieselfde indruk gekry het en dat die leerders daarvoor met uitstekende punte beloon sal word.

450kg doppies vir 'Journey of Hope'

"Gansbaai is reeds 'n paar jaar besig met 'n herwinningsprojek waar plastiekdoppies versamel word," het Marina van Dyk die *Gans-Berg Nuus* meegedeel. Die doppies word by die Vrydagmark (Pretoriussaal) ingedien, terwyl Liesbet Kondokter doppies in Blompark versamel en Susan du Toit doppies in Franskraal

oplaai. "Die jongste besending het 450 kg beloop," vertel Marina.

Die doppies word deur die vrou gesorteer en daarna per kilogram aan 'n plastiekerwinningsmaatskappy verkoop. Die fondse word aangewend vir die *Journey of Hope*-program van Straatwerk in Kaapstad. Straatwerk is 'n nie-winsgewende organisasie wat verskeie uitreikprogramme vir haweloses, mishandelde en ander kwesbare mense aanbied.

"Die *Journey of Hope*-program is 'n rehabilitasieprogram wat daarop gemik is om vroue wat kies om die leefstyl van prostitusie te verlaat, te ondersteun," het Marina gesê. "Die

program fokus op geloof, persoonlike berading en vaardigheidsontwikkeling om die vroue toe te rus sodat hulle die arbeidsmark kan betree."

Die gemeenskap word hartlik uitgenooi om by hierdie projek betrokke te raak. 'n Woord van opregte dank gaan aan almal wat reeds plastiekdoppies versamel. Die kontakpersone vir enige navrae is Dirk (emerituspredikant) en Marina van Dyk. Hulle kan by 082 528 8864 geskakel word.

'Winter Warmth Run' verwarm harte in Pearly Beach

Welkom Winter Warmth Run is onlangs ten bate van die inwoners van Pearly Beach Oord deur Francois Kotze, eienaar van die Visgat Pub in Pearly Beach, en Elzette Bester gereël. "Ons het dit in samewerking met die Hermanus Social Motorcycle Club gedoen," vertel Francois. Elzette voeg by: "Die motorfietsryers met hul groot harte vir liefdadigheid het sommer ook agt sakke tweedehandse klere saamgebring, wat ons aan die BARC-winkel geskenk het."

"Die motorfietsryers van Hermanus kom gereeld op Sondag hier

by ons kuier, en Elzette het op die idee gekom om hulle, soos 'n vorige keer, te vra om donasies vir die inwoners van Pearly Beach Oord te bring," het François gesê. Onder meer is komberse, mussies, handskoene en toiletware vir die projek geskenk. Die uitstekende samewerking van almal wat betrokke was, het daartoe bygedra dat die projek 'n groot sukses was.

Die Gans-Berg Nuus het al by verskeie geleenthede berig oor motorfietsklubs wat nie huiwer om liefdadigheidsprojekte te inisieer of volhartig te ondersteun nie - manne en vroue met oop hande en ruim harte wat graag 'n verskil in hul gemeenskappe maak.

Elzette spreek ook haar opregte dank uit teenoor die volgende borge: Jacques en Val van Cape Geomatics Landmeters, Hermanus Social Motorcycle Club, Macs Familia Overberg, Macs Swellendam en The Syndicate. "Dit was 'n voorreg om saam met julle te kon werk om ons medemens te help," het sy bygevoeg.

A Tiny Traveller from the Southern Ocean

Indeed, a tiny traveller from the Southern Ocean - and an extremely rare visitor to the Greater Dyer Island Ecosystem. On Friday, 24 July 2026, a message popped up on the Whale Whisperer whale-watching vessel group chat: "Possible diving petrel." For avid birders like Marine Dynamics CEO Wilfred Chivell, marine biologist Sandra Hoerbst, and skippers Hennie Odendal and Hennie Otto, the message sparked instant excitement. They were absolutely elated and immediately made plans to photograph the tiny visitor.

What makes this little bird so extraordinary?

The bird was identified as a Common Diving Petrel (*Pelecanoides urinatrix*), one of the Southern Ocean's smallest and most remarkable seabirds. Measuring just 19 to 23 centimetres in length and weighing between 120 and 200 grams - about the weight of a small apple - it is perfectly adapted for life at sea. Despite its tiny size, it is an exceptional diver, using its short wings almost like flippers to "fly" underwater in pursuit of prey. It feeds primarily on krill, copepods, amphipods and other small crustaceans, as well as tiny fish and squid, diving

repeatedly beneath the surface in search of food. Above the water, it flies low and fast over the waves with rapid, whirring wingbeats and rarely glides. When disturbed, it is more likely to dive beneath the surface than take to the air, making it surprisingly difficult to observe.

These birds breed on remote islands scattered throughout the Southern Ocean, including South Georgia, the Prince Edward Islands, Crozet, Kerguelen, New Zealand, Tasmania and islands off southern Chile. Outside the breeding season, they disperse widely across the cold, nutrient-rich waters of the Southern Ocean, often travelling hundreds or even thousands of kilometres between feeding and breeding grounds while spending almost their entire lives at sea.

What makes this sighting so exciting is just how rarely Common Diving Petrels are recorded from mainland South Africa. According to the 2022 scientific paper, *First Record of a Common Diving Petrel (Pelecanoides urinatrix) from Continental Africa, and a Summary of Diving Petrel Distribution in the Southern*

Ocean, by Peter G. Ryan, Vincent L. Ward and Susan M. Miller, the first confirmed record from continental Africa occurred only in March 2021, when a deceased Common Diving Petrel was found on a beach near Cape Town. The authors note that these birds are typically found 1,500 to 2,000 kilometres southwest of Cape Town during March, while other populations occur even farther south in Antarctic waters. Their appearance along the South African coastline remains exceptionally uncommon.

For birders, the Common Diving Petrel is a species that many hope to see but few are fortunate enough to encounter. For scientists, each observation contributes to a better understanding of seabird distribution and oceanic ecosystems. Every trip offers the possibility of something unexpected, and this tiny seabird proves that even the smallest wildlife encounters can become unforgettable moments.

Kalfieees: Die hartklop van 'n gemeenskap

Vir baie besoekers is die Kalfieees sinoniem met uitstekende teater, musiek en kuns. Maar die hart van die fees klop nie net op die verhoog nie – dit leef in die gemeenskap wat dit jaar ná jaar dra. Die Kalfieees is veel meer as ses dae van kuns en kultuur. Dit is 'n gemeenskapsfees.

Vir 26 jaar lank bou die fees nie net aan 'n kunstefees nie, maar ook aan mense. Agter elke produksie en elke uitverkoopte vertoning lê maande se beplanning, vennootskappe en projekte wat daarop gemik is om die Overstrand-gemeenskap te versterk en geleenthede te skep waar dit die nodigste is.

Hierdie toewyding kry gestalte in projekte soos **OnseBlues**, waar **Illimar Neitz**, stigter van die **SA Blues Society**, saam met die Kalfieees se gemeenskapsontwikkelingsfonds 'n platform skep waar jong talent uit die Overstrand – onder meer die **Zwelihle Young Brothers**, **Straat Stem** en **Die Gansies** – deur mentorskap, musiek en storievertelling hul eie stem kan ontdek. Onder leiding van Illimar Neitz, **Luna Paige** en **Hester Finberg**, Feesdirekteur van die Kalfieees, ontvang hulle intensiewe mentorskap in bluesmusiek, liedjieskryf, kitaarspel en sang. Die eindresultaat is veel meer as 'n konsert. Dit is oorspronklike Afrikaanse bluesmusiek wat uit egte lewenservarings gebore word – eerlik, rou en diep gewortel in die Overstrand.

Die fees se betrokkenheid strek egter veel verder.

In 2025 het kunstenaars van Hermanus en die omliggende gebied hul talent op houtblokkies uitgeleef. **Cecile Walters**, dryfkrag agter die **KunsKuber-projek**, het elke blokkie daarna verder verryk met 'n skryfuitdaging. Die blokkies is tydens die Kalfieees uitgestal, waarna die opbrengs van die stilveiling aan **Creative Space** geskenk is.

Met die **2026 KunsKuber-projek** word plaaslike kunstenaars weer genooi om unieke kunswerke te skep waarvan die opbrengs terugvloei na kunsontwikkeling vir kinders en jongmense. Die projek vier kreatiwiteit, maar skep terselfdertyd nuwe geleenthede vir die volgende geslag kunstenaars. Besoekers word aangemoedig om die kunsroetes te volg, soveel moontlik KunsKuber-blokkies by galerye en uitstallings te ontdek en só deel van die projek te word.

Die **Hermanus Biblioteek**, in samewerking met die Kalfieees, speel ook 'n sentrale rol. Benewens die feit dat feesgangers daar hul kaartjies kan koop, dien die biblioteek as die tuiste van **Kalfie Boeke** – 'n geliefde ruimte waar skrywers, lesers en uitgewers jaarliks ontmoet om idees, stories en gesprekke te deel. Die biblioteek se bekroning as die **Wes-Kaapse Openbare Biblioteek van die Jaar** getuig van dieselfde gemeenskapsgees wat die Kalfieees nastreef.

Die fees ondersteun ook talle plaaslike organisasies en gemeenskapsinisiatiewe wat daarop gemik is om 'n blywende verskil in die Overstrand te maak. Deur vennootskappe met gemeenskapsorganisasies en toegewyde vrywilligers bou die Kalfieees doelbewus brúe tussen kuns, gemeenskapsontwikkeling en maatskaplike betrokkenheid. As deel van hierdie verbintenis het die Kalfieees onlangs ook as

medeprojekteenaar by **Creative Space** se **Clean to Feed**-inisiatief aangesluit – 'n projek wat die fees se visie weerspieël om deur samewerking 'n tasbare verskil in die gemeenskap te maak.

Daarby skep die Kalfieees jaar ná jaar 'n betekenisvolle ekonomiese inspuiting vir die Overstrand. Gastehuse, restaurante, koffiewinkels, galerye, winkels en talle klein ondernemings verwelkom besoekers van regoor Suid-Afrika. Vir baie plaaslike ondernemings is die fees nie net 'n kulturele hoogtepunt nie, maar ook 'n belangrike dryfveer vir ekonomiese groei gedurende die wintermaande.

Die Kalfieees vereer vanjaar ook die buitengewone bydrae van **Anton**

Goosen, wat as die fees se **Teëltjewenner vir 2026** aangewys is. As een van die invloedrykste liedjieskrywers in die geskiedenis van Afrikaanse musiek het Goosen oor meer as vyf dekades nie net die landskap van Afrikaanse musiek help vorm nie, maar ook die weg gebaan vir nuwe generasies kunstenaars. Die toekening is 'n gepaste huldeblyk aan sy blywende nalatenskap en sy onskatbare bydrae tot die Suid-Afrikaanse kultuurerfenis.

Die verhoog is waar die stories vertel word, maar die ware Kalfieees-verhaal word egter geskryf in die lewens van die mense wat daardeur geraak word – die jong kunstenaar wat vir die eerste keer sy eie lied sing, die entrepreneur wie se onderneming nuwe momentum kry, die vrywilliger wat sonder erkenning help bou, die biblioteek wat 'n kulturele ontmoetingsplek word en die gemeenskap wat ontdek dat kuns nie net vermaak nie, maar mense verander.

Dis waarom die Kalfieees veel meer is as 'n kunstefees.

Dit is die hartklop van 'n gemeenskap.

Hester Finberg (Feesdirekteur)
Tosca Korver (Bevoording en Administratief)
Debbie van Vuren (Leefstylbestuurder)

The Kalfiefees is a celebration of *creativity, community & culture* in our beautiful town. Let's come together to make this festival one to remember!

CapeNature welcomes the conviction of Cape Town couple for wildlife crime

One of the Crested Geckos found during the execution of the search warrant

CapeNature welcomes the sentence imposed by the Wynberg Magistrate's Court on Mr Zirkie Bernardus Jansen and Mrs Valerie Gayle Simpson-Jansen of Kirstenhof following their conviction on multiple offences relating to the unlawful keeping,

possession and transport of reptiles.

The couple were each sentenced on 30 July 2026 to pay a fine of R40 000 or serve 18 months' imprisonment after being convicted on seven counts under the Nature Conservation Ordinance 19 of 1974.

The convictions arose from offences committed during March 2022 involving the unlawful keeping and transport of 95 reptile specimens, including crested geckos, new Caledonian geckos, gargoyle geckos and ball pythons without the required permits and authorisations.

The court also convicted the Jansens of failing to comply with permit conditions, failing to provide a satisfactory account for the possession of certain animals and submitting false information in connection with a wild animal permit application.

CapeNature views offences involving the unlawful captivity, transport and trade with wildlife as serious environmental crimes. The Western Cape's wildlife permitting system exists to ensure that the acquisition, possession, captivity, breeding, transport and trade in wildlife are conducted responsibly, lawfully and in a

manner that supports biodiversity conservation while preventing illegal wildlife trade.

Dr Ashley Naidoo, CEO of CapeNature said: "The unlawful trade and keeping of wildlife undermines biodiversity conservation, threatens the integrity of our regulatory systems and place law-abiding permit holders at a disadvantage. We welcome the court's decision and trust that it sends a clear message that deliberate non-compliance with conservation legislation will have consequences."

The Western Cape is internationally recognised for its exceptional biodiversity and effective enforcement of conservation legislation is essential to protecting the Province's unique environment.

Members of the public who wish to acquire, keep in captivity, transport, capture, release or otherwise dispose or trade in wildlife are reminded that these activities are regulated by law and generally require permits issued by CapeNature. Permit holders are also required to comply fully with all permit conditions and provide truthful information when submitting permit applications.

CapeNature is committed to dealing with wildlife crime through proactive compliance monitoring, investigations and collaboration with the South African Police Service Stock Theft and Endangered Species Unit and the National Prosecuting Authority. Protecting biodiversity relies on the collective efforts of government, responsible wildlife keepers and the public.

Anyone wishing to report wildlife crime can contact their nearest police station, CapeNature on 087 087 9262, or the Crime Stop Tip-Off Line on 08600 10 111.

Moss Frogs (the genus *Arthroleptidae*) include the smallest vertebrates in southern Africa, with most species reaching a maximum size of less than 2 cm. All ten described species are endemic to the south-western Cape, each confined to their own specific mountain range.

Moss Frogs are particularly fond of damp vegetation where water seeps from the mountain. Here, males attract females with their cricket-like calls. After breeding, females disperse and males stay behind to watch over the eggs. These are laid in a gelatinous mass, tucked away in the moss. Tadpoles complete their entire development within this jelly (shown here), instead of swimming freely, and emerge as fully formed, tiny froglets!

Panthera Africa Rises from the Ashes

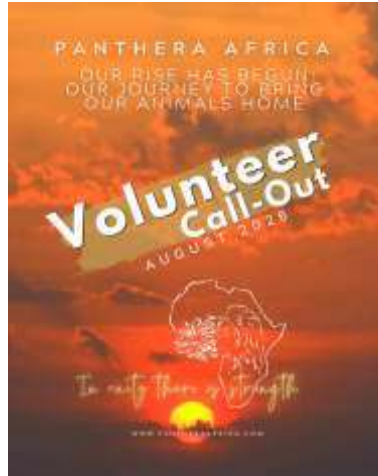

Nestled beneath the Klein River Mountains near Stanford, Panthera Africa Big Cat Sanctuary stands as one of South Africa's leading ethical sanctuaries for rescued captive big cats. Founded in 2015 by Cathrine S. Nyquist and Lizaene Cornwall, the registered non-profit organisation was established with a simple yet powerful mission: to provide a safe, permanent home for lions, tigers, leopards, caracals and other predators rescued from lives of exploitation.

Then, in January 2026, disaster struck. One of the most destructive wildfires in recent Overberg history swept across the landscape surrounding Stanford. Driven by strong winds and extreme conditions, the fire tore through thousands of hectares before reaching Panthera Africa. Within hours, years of dedication and hard work were threatened as flames engulfed the sanctuary.

What now?

The sanctuary now needs the support of the community and local businesses. Panthera Africa's "Rise from the Ashes" campaign has begun, and the sanctuary is now in Phase One - "Rise and Recover". This first stage of the recovery journey focuses on restoring and rebuilding the well-known sanctuary and preparing to bring its animals home following the wildfire. At present, the priority is clearing large amounts of burnt vegetation, damaged trees and destroyed structures.

"We would love to welcome experienced chainsaw and brush-cutter operators, especially those who can bring their own equipment, as ours is limited, as well as strong, physically fit volunteers who are accustomed to hard, labour-intensive outdoor

work," Taryn said. "People with bakkies who can transport cleared material to the back of the property, and volunteers who can bring their own large pruning clippers, would also be a great help." Sponsorships and donations of equipment and supplies would also make a meaningful difference.

"Our sanctuary remains closed, we are still without our usual income streams and are solely reliant on public support while our insurance claim is being finalised," she continued. "Come and spend a day or half a day working alongside our team and help us prepare the sanctuary for the next phase, when rebuilding can begin. Every person who joins us becomes part of our journey to bring our animals home." Cathrine added that chopped wood and wood chips are available for collection from the sanctuary. "In return, we kindly ask for a donation towards the fuel, oil and other supplies needed to operate the chainsaws and equipment being used during the clearing process," she said. "Your contribution will help us continue this work while giving the cleared wood and wood chips a useful new purpose."

When and contact details

Volunteers are needed throughout August 2026 between 08:00 and 17:00, with both full-day and half-day opportunities available. Advance booking is essential so the team can prepare for your visit. Please do not arrive without a confirmed booking. To volunteer, email Taryn at marketing@pantherafrica.com and copy Eve at projects@pantherafrica.com. They will send you the full volunteer call-out with everything you need to know.

Overberg Kushengelklub

En die winners is...

"Die pragtige windstil, sonnige weer van die naweek was 'n bonus vir ons eerste wedstryd van die nuwe hengelaar," vertel Elba Tredoux van die klub. "'n Paar mooi visse is ingeweeg, wat somer reeds 'n hele paar lede op die puntelys geplaas het." Sy sê die al kleiner wordende visbron bly 'n groot bron van kommer, maar dat klublede hul deel doen deur 'n vang-en-vrylaatbeleid (catch and release) te volg.

Klublede is Saterdagand met 'n voortreflike spyskaart van skaap op die spit en heerlike bykosse bederf. Die spit is deur hul braaimeester, Philip Kriel, voorberei, met Eddie de Jager wat hom bygestaan het. "Dié twee mag maar!" sê Elba. Die hoogtepunt van die aand was egter die prysuitdeling, wat vir groot opwinding en heelwat lag gesorg het - veral toe die alter ego van die klubkampioen vir 2026 sy verskyning gemaak het. Die karakter is in die geheim deur Johnny Hanekom geskep, wat ook verantwoordelik was vir die restaurasie van die klub se wisseltrofee en die vervaardiging van 'n kleiner trofee vir elke pryswenner. "n Allemtintig groot dankie aan Johnny!"

Saterdag se winners:

1ste - Thys Kemp met 19,4kg; 2de - Frans Claassen met 4,77kg; 3de - Etienne Jordaan met 4,70kg. Knap gedaan aan almal met 'n goeie begin van die nuwe hengelseisoen. "Die pryse en trofee vir die 2026-hengelaar is deur die klubvoorsitter, Hendri Badenhorst, oorhandig. Baie geluk aan elke hengelaar wat deur die jaar met oorgawe deelgeneem het," het Elba gesê. "Die wenspan vir die jaar was die Leervis, onder kapteinskap van Frans Claassen - baie geluk! Die Knorhane het tweede geëindig, gevolg deur die Koningsvisse. Die konsep van drie spanne werk goed en daar is tydens die jaarvergadering besluit om die spanne onveranderd vir die komende jaar te behou. 'n Stewige kompetisie kan egter verwag word!"

Jaarwinners:

*Kampioenhengelaar vir 2026 - Etienne Jordaan (326,54 punte); *Reserwe kampioen en Meeste gewig - Thys Kemp (304,56 punte, totaal van 60,8kg gewig); *3de - Mias Albrecht; *4de - Melch Botha (afwesig met foto-sessie); *5de en ook Dames Kampioen - Estelle Basson; *6de - Janco Coetzee; *Grootste Mosselkraker - Mias Albrecht; *Grootste Galjoen - Sihan Toua; *Grootste Steenbras - Jannes Gertenbach (afwesig met foto-sessie); *Grootste Kabeljou - Janco Coetzee; *Long Drop trofee - Arno van der Merwe ("Onthou, mens mag 'n foutjie net eenkeer maak!"); *Voorsitters trofee -

Pryswenners: Etienne Jordaan (Klubkampioen), Estelle Basson, Thys Kemp, Sihan Toua, Eddie de Jager, Frans Claassen, Mias Albrecht, Arno van der Merwe en Janco Coetzee (voor).

Wenspan - Leervis.

Eddie de Jager (Eddie sien om na die instandhouding by die klubhuis, maar verrig soveel meer as wat van hom verwag word - meestal sonder om vir hulp te vra).

Elba sê die klub se maandelikse pryse is baie belangrik om suksesvolle hengelaars te beloon, en die klub bedank sy gereelde borge:

Kuslans Restaurant (Manny de Peiva), Gansbaai Vismark (André en Henrietta Roux) en Fish Fever (Michiel Kemp). "Ons ontvang ook gereeld geskenke vir ons maandelikse gelukkige prysstrekking. Baie dankie aan Battery Centre, Kuilsrivier en Brackenfell (Arno en Sonja van der Merwe), asook Chas Everitt (Riel en Monique Vosloo).

Besighede en individue wat blootstelling verlang, kan gerus die klub ondersteun deur pryse of items te borg. "'n Groot dankie ook aan Overstrand Makelaars, wat al die sertifikate gedruk het en maandeliks die foto's van die kompetisies versamel en 'n skyfievertoning vir die prysuitdeling voorberei." "Stywe lyne tot die volgende kompetisie op 29 Augustus 2026. Ons lede sien ook baie uit na die uitstappie na Jongensfontein gedurende September 2026," het Elba afgesluit.
