## Heinrich Jansen did not stop dreaming -New York is waiting for him-

Celebrities often say that people who want to achieve something in life should not stop dreaming. This is what Heinrich Jansen (36) from Blompark, Gansbaai did with dedication - he kept dreaming and kept believing, but also worked hard to make his dream come true.

Heinrich's big day arrives in about 5½ months - on 7 July 2022 he and the rest of a group of candidates will fly to New York, America for the IMTA Fashion Convention. About 300 different companies with their respective fashion and other relevant products will be present. "This is an extremely big opportunity for me," says Heinrich. "If I'm lucky enough to get an agent's attention on me, I'll hopefully stand a chance of getting a contract." Such a contract includes international modelling, advertising, and acting opportunities. It will also result in Heinrich going to work permanently in New York.

On the 1<sup>st</sup> of April 1, 2022, Heinrich will fly to Sandton, Johannesburg where the candidates will be prepared for their performances in New York. "We will be taught how to walk correctly on the gang-board, how to conduct interviews and everything related to modelling, advertising and acting," says Heinrich. He recently also received an invitation for an interview to be published in the Glamour SA Magazine.

The realization of such a big dream, however, does not come automatically. Perseverance and hard work are crucial. Hannelie Oosthuizen, a former judge for Miss South Africa, saw Heinrich perform during modelling and wanted him to start a full-time modelling career. Hannelie introduced him to Elsabe Verlinden and he was subsequently recorded as a commercial model for advertising,

Heinrich Jansen 10 years ago when he was appointed permanently at Gansbaai Tourism in 2011.

modelling and acting at an agency in Sandton, Johannesburg.

"Doors started to open for me and among other things, I was specially invited for a shoot in Stellenbosch by one of the Western Cape's best photographers," says Heinrich. On 25 January 2022, he will be on his way to Cape Town for advertising work and for February 2022 another booking has already been confirmed.

In this profession, it also helps a lot to be in the right place at the right time to be noticed. The man who 'discovered' Heinrich, is Joey Hunter, Vice President of Model Wire, a software company that provides services to the modelling and talent industry. Heinrich showed The Gans-Berg News a copy of the glossy magazine for The International Arts Talent Showcase 2021. The magazine focuses on 'Live Your Dream' and interviewed several professionals in the modelling world. He was proud to mention that a picture of himself was also published amongst several other candidates.

The lives of a few international New York celebrities/professionals in the industry were also published in the magazine. They also took note of Heinrich, which meant a lot to him. They are Nate Butler

(Singer / Songwriter and Producer), Rhavynn Drummer (Award-winning Producer, Director, and Casting Director), Blaze Johnson (Singer / Songwriter), Kamey Butler (Head of Global Design Programs at Netflix), Elaine Marcos (10-time Broadway Actress) and Santana Trujillo (Dance Outreach Manager at AMDA College)

### Heinrich Jansen:

Heinrich was born in Robertson, where he completed his school career. At the age of 23, he moved permanently to Gansbaai. In Gansbaai, he worked for Gansbaai Tourism, White Shark Projects and Gansbaai SAPS. After that, he worked on the Queen Elizabeth II Cruiser for about 2 years in Dubai. In August 2019 he returned to his hometown, Blompark, Gansbaai.

"Firstly, I want to thank my heavenly Father for bringing me this far," Heinrich says. "Because of Him, I am where I am today, even if it's just at the beginning of my career." He also thanked Wilfred Chivell from Marine Dynamics and Michael Ludzeyer from Grootbos Nature Reserve who contributed towards his registration fee. Heinrich still

needs a balance of R60 000 to be paid. Anyone willing to contribute, please feel free to contact him at 081 531 5390, or send an email to him at [heinrich.jansen1@gmail.com](mailto:heinrich.jansen1@gmail.com). Heinrich can also be followed on Instagram, heinrich886.

# December 2021 Holidays -Gansbaai Tourism-

Happy smiling faces, joggers, walkers, cyclists - what a lovely sight this was! Restaurants, shops, and beaches full of holidaymakers and locals having a great time.

We are happy to report that this was a wonderful season, and most of the businesses were well supported and report good turnovers - a much-needed boost for everyone!

It all started for us on the 15<sup>th</sup> of December 2021 with our friendly welcoming roadblock. The goodie bags were filled with treats from a variety

of local businesses as well as emergency numbers and event dates - all much appreciated. Even a doggy treat was included this year.

Visitors to the information centre were mainly looking for activities and fun things to do - fortunately, we have plenty and could send them on their way with lots of ideas. The visitors enjoyed the various events, and this was shared on social media. The only thing that did not play along was the weather, but it did not dampen the spirit - it only made people look for alternatives.

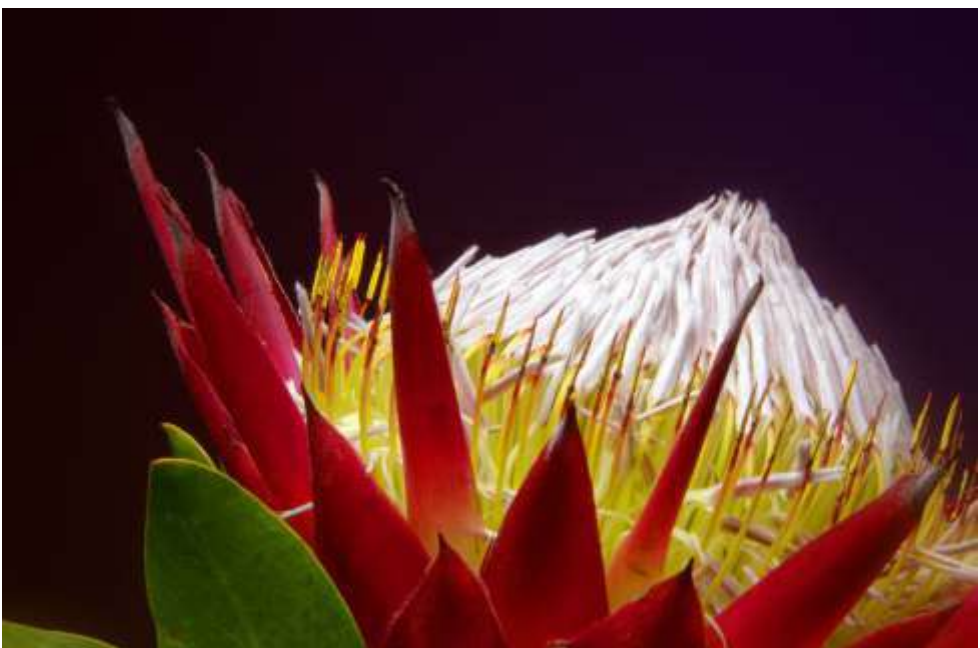

A thank-you must go to the various emergency services, SAPS, security services as well as neighbourhood watches who worked diligently and kept everyone safe. Not forgetting the municipal services, shop assistants and waiters and others who all ensured that our visitors had a great time.

Gansbaai is indeed "lekker" and proved it once again.

**Kind regards,

## Munisipale Dienslewering gedurende Feesseisoen in Gansbaai-area

Op 'n vraag aan Overstrand Munisipaliteit oor die algemene verloop van sake gedurende die afgelope feesseisoen deur die Gans-Berg Nuus, het die Munisipale Bestuurder, Dean O'Neill, enkele punte vriendelik onder ons aandag gebring.

"Die feesseisoen het baie goed afgeloop en die hoë standaard van dienslewering kan aan die beskikbaarheid van personeelle gedurende hierdie tydperk toegeskryf word," het Dean gesê. Hy het enkele punte rakende Gansbaai en omgewing uitgelig.

### **Verkeer:**

Die verkeersvloeï was in geheel goed gewees, en daar is slegs drie insidente van "dronk bestuur en

nalatige bestuur" op rekord geplaas. In al drie gevalle is die bestuurders gearresteer. Wetstoepassers het ook geen ernstige probleme met strandverbruikers gedurende die seisoen ondervind nie.

### **Riooltenker-dienste:**

Daar was ongeveer 1 700 versoeke vir dienste gedurende Desembermaand en daar is selfs tot na 22:00 saans gewerk om die tenkerdienste suksesvol af te handel.

### **Vakansiegangers:**

Vakansiegangers kon die munisipale fasiliteite by die strande met trots gebruik en Wetstoepassers het ook gehelp met die kontrole van die geriewe. Geen negatiewe kommentare is ingedien nie.

Inteendeel, komplimente vir die hoë standaard van dienslewering is ontvang.

### **Vullisverwydering**

Vullisverwydering is volgens skedule afgehandel, met skoonmaak-aksies wat deurlopend deur die EPWP-spanne uitgevoer is.

### **Brande:**

Drie brande is gedurende die seisoen in die Gansbaai-area by Kleinbaai, Baardskeerdersbos en Die Plaat hanteer. Al drie hierdie brande is binne 24 uur geblus, met spesiale dank aan die betrokke brandweer-personeelle.

## Over 5 000 visitors over the festive season at the APSS

Over 5 000 guests visited the African Penguin and Seabird Sanctuary (APSS) over the festive season. The APSS is a key conservation project of the Dyer Island Conservation Trust (DICT) and the support of the coffee and curio shop on-site directly benefits the penguins.

A total of 202 chicks were removed between October 2021 and November 2021 and hand-raised at the APSS, a project of the DICT. The removal of compromised chicks is one of the actions to try to stabilise the declining African penguin population and is part of the African Penguin Biodiversity Management Plan of the Department of Forestry, Fisheries and Environment. Most of these penguins have since been released on Dyer Island.

"Our team is very grateful for the incredible support received over the festive season, and for those who donated further towards the work," said Wilfred Chivell, founder of the Trust. "Fundraising is an ongoing challenge and this means a lot to the conservation efforts."

Visitors to the APSS were also enthralled by the Geological Trail and Rock Garden on site. The 46 metres of rope represents 4.6 billion years of geological history. Important geological milestones are highlighted, and in addition, different rock types are available for a closer look. This project was funded and assembled by Marine Dynamics and the Dyer Island Conservation Trust, under the guidance of Mike Dormer and in collaboration with the Overberg Geoscientists Group.

The Koen family visited the African Penguin and Seabird Sanctuary and were inspired to make their own colourful penguins. The APSS is open daily from 09:00 to 16:00 with a 15:00 feeding time that is viewed from the auditorium.

# Cyber Crime Awareness Safety Tips

The Station Commander of Gansbaai SAPS Lt Col Coetzee wishes to create awareness amongst community / residents of Gansbaai so that they do not become a victim to cybercrime scams.

Over the past three months they have observed a spike in fraudulent incidents whereby law-abiding citizens were scammed out of their hard-earned money. The most common scam is: a fraudster phones their victim posing as a bank official or service provider and uses social engineering tactics to manipulate them into disclosing

confidential information, while at the same time leading them to believe that they are speaking to the bank or service provider. This information is then used to defraud the victim.

- Prevention from becoming a victim to scams and fraud:**
- Bank officials will never call and ask you to confirm your confidential information via telephonic conversation.
  - Should you receive a telephone call requesting confidential or personal information, do not respond and end the call.
  - Check that you are on your bank's genuine website before submitting any personal data.
  - Never respond to emails or cellphone messages appearing to be from your bank requesting your personal details. **NB!!** No bank official will ever ask you to confirm or update your account details by email.
  - Never provide your online ID, password or PIN to anyone; never write them down or share them.
  - Do not save your Internet banking password on your desktop.
  - Do not leave your computer unattended

- after you have entered your Internet banking password.
- Always log off or sign off at the end of a session.
- Avoid doing Internet banking in public areas such as Internet cafés, or on any computer that can be accessed by people you do not know.
- Change your PIN and passwords frequently.
- Put sensible transaction limits on your accounts.
- Only provide your credit card details to reputable companies.
- If you think that you might have been compromised, contact your bank immediately.
- If it sounds or looks too good to be true, it usually is.
- **Never** send money or give credit card or online account details to anyone you do not know and trust.

# Other Scams

Quite often we read on Facebook or other social media platforms that members of the community have been scammed and funds are lost.

Be careful and vigilant:

- When hiring contractors, ensure that they are reputable, ask for references and check them out.
- Do not buy sand, compost, grass, stones, pot plants and more unless you know that they are legit and do not pay until the delivery / task is complete.
- Do not leave your home without supervision whilst contractor/s are busy in your home unless you are comfortable with the team.
- Pyramid schemes – this is one of the biggest scams where the community is losing funds – be very

careful before committing.

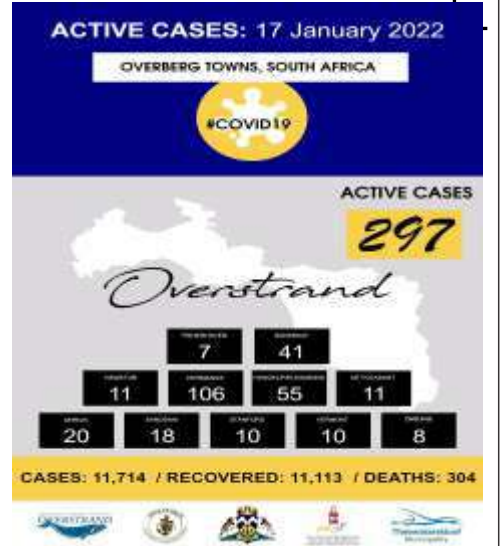

- Money lending – Do not lend your hard-earned money as you may not get it back.
- Internet purchasing – ensure that the company is legit.
- Telephone sales – be careful to upgrade or purchase items as it may also be a scam.
- Competitions – if you have not entered the competition, you have not won, **it is a scam.**
- Remember when asking for a parcel to be dropped off in another town, make sure the person is known to someone and can be trusted. Courier Services are always the safest, although it does cost but at least it is traceable.
- Vehicle purchases – there

has been a cellphone scam doing its rounds, do not pay monies unless you have seen the vehicle and completed purchased agreements. Vehicle companies do not operate in this way.

- If you have not applied for a job but get a telephone call to say that your application has been successful and you must deposit an amount into the account and report for duty. **No company will do this.**

Take care and keep your money safe.

## Ikamva kry nuwe Maatskaplike Werker

Ikamva Jeugontwikkeling in Blompark beskik onder andere Maatskaplike Dienste wat die verantwoordelikheid het om na die gemeenskap se maatskaplike probleme om te sien. Onlangs is 'n bykomende maatskaplike werker aangestel om met dié groot taak te help.

Hlalanatni Rozani (24) het vanaf KwaZulu-Natal na Gansbaai verhuis, nadat sy aansoek vir die pos suksesvol was. Sy CV getuig van genoegsame vorige ondervinding op die gebied van maatskaplike dienste. Hy het voorheen veral op maatskaplike-ontwikkeling gefokus. "Ek beskou my aanstelling hier as 'n groot uitdaging en sien daarna uit om my werk voluit en met oorgawe te doen," het hy gesê. "Ek hou sedert my skooldae baie daarvan om met mense te werk. Vir my is dit 'n passie in my lewe."

Ikamva Jeugontwikkeling en Rekenaarsentrum in Blompark onder leiding van Jolande Sauls as bestuurder, is reeds vir baie jare 'n gevestigde nie-winsgewende organisasie. Dit bestaan uit projekte soos 'n kleuterskool, asook 'n volwaardige nasorgsentrum vir laerskoolleerders. Voorsiening is gemaak vir maatskaplike dienste, voorskoolse opleiding, dwelm- en alkohol verwante aspekte, lesings, kursusse, mediese- en gesondheidsaspekte en veel meer. Ikamva is 'n Xhosa-woord wat "die toekoms" beteken en dit is presies waarop daar gefokus word - die toekoms van die jeug.

# Dis nou 'n 21ste verjaarsdag soos min! -Jean-D van Zyl-

Jean-D saam met ma Michelle van Zyl

'n Leeftyd van mense wat hul 21ste verjaarsdag gevier het, is al vergete - maar wanneer daardie dag aanbreek, bly dit verseker 'n hoogtepunt in elke jongmens se lewe.

So was dit die geval met Jéan-D van Zyl van Gansbaai op Maandag, 17 Januarie 2022 - reg aan die begin van die nuwe jaar, maar ook op die drumpel van sy eie volwassenheid as jongmens. Hierdie beskeie, vriendelike en beleefde jongman het egter nie vir hierdie dag gesit en wag om as 'volwassene' verklaar te word nie. Nee, sy volwassenheid strek veel verder terug in jare waarin hy dit reeds bewys het. Sy 21ste verjaarsdag was maar net die 'kersie op die koek'!

Jean-D, of Peter soos baie hom ook noem, is op 17 Januarie 2001 in Karl Bremer hospitaal,

Paron, Wes-Kaap gebore. Sy ma is Michelle van Zyl, eienaar van ons plaaslike weeklikse gemeenskapskoerant, die Gans-Berg Nuus. Sy pa was wyle Phillip-Peter van Zyl wat hom reeds op 26 Februarie 2011 ontval het. "Ek was in Gr 4 in Laerskool Gansbaai toe my pa oorlede is," vertel Jéan-D. Hy het 'n suster, Saskia (19), wat aan die einde van 2021 aan Hermanus Hoërskool gematrikuleer het. Sy het onlangs voltyds by die Gans-Berg Nuus begin werk. Dan het hy ook 'n jonger boetie, Marlu (9) wat in Gr 3 in Gansbaai Tutor Sentrum is.

Jéan-D se 'groot' dag is op Saterdag, 15 Januarie 2022 in die klubsaal van Gansbaai Sportgronde gevier. Die geselligheid is as 'n groot verrassing vir hom deur Michelle gereël. "My kollegas op die boot het gesê hulle reël 'n 'steak-braai' vir die boot se bemanning en ek moet daar wees," vertel Jean-D. "Toe ek instap en besef wat is werklik aan die gang, was dit 'n wonderlike, maar ook emosionele oomblik vir my!" Hy is deur 'n groep vriende en familieleden in 'n prag-vierde klubsaal begroet. Die saal is met ballonne, vis- en seetonele en selfs visgereedskap, asook verskeie gesinsfoto's versier - met natuurlik 'n yslike '21' wat soos 'n ballon van die plafon af gehang het.

Na sy laerskoolloopbaan in Gansbaai, is Jéan-D na Hermanus Hoërskool waar hy aan die einde van 2019 gematrikuleer het. Hy is tans 'n 3de jaar deeltydse student in Projekbestuur aan die Kaapse Universiteit (CTU). Die knap jongman het senter en losskakel vir WP Akademie in Stellenbosch rugby gespeel.

Gedurende Augustus 2021 is 'n bemanningslid, Daan Otto van die Pelagiese boot, Stormgans

oorsee. Jéan-D se vriend, Michael-John Otto het hom oorreed om te begin trawl, wat hy toe

die boonste rakke en die twee soorte potjiekos, wat deur Eddie du Toit voorberei is, was uitsonderlik smaaklik gewees - hierdie man mag maar potjiekos maak.

Met pragtige en goed-opgevoede kinders soos Jéan-D, Saskia en Marlu, kan Michelle voorwaar trots daarop wees dat sy hulle vrou-alleen moes grootmaak.

Gans-Berg Nuus se span wens Jéan-D 'n suksesvolle toekoms as 'volwassene' toe. Mag jy net die beste uit die lewe ontvang!

# Vissermans Verootmoedigingsdiens - 'n Jaarlikse gewyde geleentheid -

Jaarliks word die ou jaar met 'n Dankseggingsdiens in Gansbaai Hawe afgesluit, met die fokus op visvangstes en beskerming op see. So word elke nuwe jaar begin met 'n Verootmoedigingsdiens in afhanklikheid teenoor ons Hemelse Vader vir sy troue sorg. Vanjaar is die diens op Sondag, 16 Januarie 2022 gehou.

Hierdie diens is weer eens goed bygewoon - tog sal meer mense se teenwoordigheid waardeur word. Die diens is puik deur Johan van Dyk gereël. Alles het vlot en met die nodige gewydheid verloop. Johan reël die dienste al vir die afgelope 20 jaar, met 39 dienste wat al plaasgevind het. Hy sê dat net een diens as gevolg van Covid-19 nie kon plaasvind nie. Verder is daar nog nooit 'n diens oorgeslaan nie. Johan plaas die klem daarop dat hy dit nie vir homself doen nie, maar in belang van die vissersgemeenskap, die besigheidslui en tot eer van God. Die mooiheid van dit alles is dat dit jaarliks 'n Interkerlike Diens is, met mense vanuit alle denominasies wat die dienste bywoon.

Soos dit die gebruik is, is die diens met hartlike samesang begin. Die sangbegeleiers was Adrie Ehlers en Flip en Alta Brits, met Gansbaai se bekende Louw de Witt en sy Musiekfabriek, maar in hierdie geval met gewyde en geestelike musiek. Ds Dirk van Dyk het die verwelkoming waargeneem en het die Afrikaanse Evangelie-boodskap gebring. Dr Robert Johnson was vir die Engelse boodskap verantwoordelik.

Altwee die leraars het na Fil 4 in die Bybel verwys, waar onder andere op die volgende klem gelê word: "Daar is net één Gees, soos

daar net één hoop is waartoe God julle geroep het. Daar is net één Here, één geloof, één doop, één God en Vader van almal: Hy wat oor almal is, deur almal werk en in almal woon."

Die boodskappe deur hulle het op die volgende gefokus: blydschap in die Here; die vrede van God; die

staan. Norman Sauls het 'n spesiale gebed vir hulle gedoen. Die diens is met die sing van die *Gebed van Jabes* (1 Kron 4:10) afgesluit.

Die nodige streng Covid-19 protokol is gehandhaaf. Hierdie jaarlikse Opelugdienste word goedgegunstig deur DAFF

Vader se hand van versorging; volkome vertroue in God; die versekering dat God almal wil seën; om nie op eie harde werk te steun nie; as ons in 'n spieël kyk, moet ons God sien en nie ons probleme nie; toegewydheid teenoor God om sy seën te kan ontvang; as God sy gesig van ons af wegdraai, is ons geestelik dood.

Nadat Dirk sy boodskap gebring het, het hy versoek dat alle vissermanne teenwoordig sal

toegelaat en word in geheel deur Gansbaai Marine geborg.

Ds Dirk het die diens afgesluit met die lees van 'n versie deur 'n anonieme digter:  
*Die Aarde jou Skip;  
Die Hemel jou Hawe;  
Die Bybel jou Kaart;  
God jou Stuurman;  
Geloof jou Vlag;  
Gebed jou Kompas!*

Hardus Botha

Die uitdeel van lekkers na afloop van die diens is tradisie.

Die bediening-span: Voor sit dr Robert Johnson en ds Dirk van Dyk. Agter staan die sangers, Adrie Ehlers en Alta en Flip Brits, saam met Louw de Witt (klankman).

# Franskraal Rolbalklub:

## President Kokkie de Kock gesels

“As gevolg van die swak toestand van die perke was die rolbalbane vir die opknapping daarvan gesluit,” sê Franskraal Rolbalklub se President, Kokkie de Kock. “Daar is dus geen rolbal gespeel sedert die begin van Desember 2021 nie.”

Kokkie sê dit het ook meegebring dat die klub nie die jaarlikse Classic Rolbaldag gedurende November 2021 kon aanbied nie. “Hierdie toedrag van sake plaas 'n ernstige tekort op ons finansiële situasie,” het hy gesê. Sedert 4 Januarie 2022 word daar steeds net op een baan rolbal gespeel.

Op die eerste Donderdag van elke maand word 'n Rondomtalie Drie-spel kompetisie tussen klublede gespeel. Die eerste 4 weners in hierdie kompetisies kan pryse wen. Met hierdie kompetisies word slegs baanfooie gehef en verversings is beskikbaar. Hierdie reëlins is alles pogings om die klub se fondse aan te vul.

Kokkie vertel dat die eerste Rondomtalie kompetisie met groot sukses aangebied is. 'n Besondere onderlinge gees het tussen die spelers geheers. “Baie dankie aan almal wat deelgeneem het, wat met die reëlins behulpsaam was en wat 'n bydrae gelewer het,” het Kokkie gesê. Hy het self die pryse aan die

wenners oorhandig.

## Birkenhead Boothengelklub:

### Yskoue seewater, maar mooi visse is ingeweeg

Die Birkenhead Boothengelklub se maandelikse boothengelkompetisie het Saterdag, 15 Januarie 2022 plaasgevind. Jaco Otto het met sy twee pragtige geelbekke somer 3 kategorieë ingepalm: swaarste vis, 2de swaarste vis en swaarste sak - knapgedaan, Jaco! Charlie Steyn het man-alleen op sy boot, Misca, die swaarste bootgemiddeld ingepalm, asook die 2de swaarste sak - knapgedaan ook aan jou, Charlie!

Die vangstes was nie buitengewoon nie en die hengelaars het vertel dat die seewater baie koud was.

Gelukkig kon hulle 'n goeie klompie visse inweeg: silwervisse, hotties (hangbergers) en enkele rooi romans, plus Jaco se geelbekke. Die eerste kompetisie wat aan die begin van Desember 2021 moes plaasvind, is as gevolg van die weer afgelas.

### Kompetisie-uitslae

10 bote het ingeskryf, waarvan 8 ingeweeg het. Die totale bemanningslede was 26, waarby 2 dames ingesluit is. Die aantal visse (7 spesies) wat ingeweeg is, was 123, met 'n totale massa van 88.3kg. Die gemiddelde massa per hengelaar was 3.39615kg.

### Volledige uitslae

Die volledige uitslae is soos volg: Swaarste vis, Jaco Otto (geelbek, 2.55kg); 2de Swaarste vis, Jaco Otto (geelbek, 2.3kg); Swaarste sak, Jaco Otto (11.85kg); 2de Swaarste sak, Charlie Steyn (8.15kg); Swaarste bootgemiddeld, Misca van Charlie Steyn (8.15kg); 2de Swaarste bootgemiddeld Oupa van Ben Uys (7.67kg); Dame Swaarste sak, Colleen Kemm.

Na afloop van die volgende boothengelkompetisie sal ons sien wie die beginvoorlopers vir 2022 gaan wees.
