Mediclinic Hermanus -Improvements within the maternity unit-

Mediclinic Hermanus. "We are excited to establish a specialised NNCU within the maternity unit. This will allow us to better serve the Overberg community, with the reassurance that any early arrival or vulnerable baby will receive all the necessary care to reach a healthy weight for discharge," explains Joubert.

The upgrade of the paediatric unit is also a direct response to the demand for care from our surrounding community. Demand for care from our surrounding community has allowed our hospital to

facilitate the establishment of new paediatricians at Mediclinic Hermanus over the last few years - Dr Elna Gibson, Dr Madelein Grobbelaar and Dr Madeleine van Schalkwyk. Our paediatric unit will be expanded to include a procedure room as well as a playroom for our recovering young patients, in addition to the two extra beds. One parent continues to be permitted to remain with the admitted child, to ensure that they are comfortable and reassured.

Our child-friendly décor and facilities mean that any child requiring care can recover in a positive, welcoming environment, with experienced nursing teams delivering care. Our themes are pulled from nature - with our paediatric unit decorated with painted silhouettes of little creatures kiddies can recognise. The NNCU has a more natural tone with silhouettes of trees symbolising growth and strength.

Mediclinic Hermanus has recently witnessed tremendous growth within our hospital, as families are bringing in new life and energy into the Overberg community.

We are inspired by these new bundles of joy and are proud to announce improvements within our maternity unit, with the addition of two dedicated Neo-Natal Critical Care (NNCU) beds as well as expansion and upgrades within the paediatric unit.

"These changes will allow us to meet the needs of our community as we introduce our upgraded facilities as 'new additions' to the Hermanus family," says Gerhard Joubert, Hospital General Manager of

Maternity Ward Unit Manager, Sr Marcha Izatt with baby Zeah Bailey, Paediatrician, Dr Elna Gibson & Mr & Mrs Bailey

6 Students Receive Municipal Bursaries

On 27 January 2022, Overstrand Municipality in collaboration with Western Cape Government via its Provincial Treasury Department awarded bursaries to six beneficiaries from Overstrand.

Bursaries are awarded within fields relating to local government, in particular the fields finance, economics, accounting, supply chain management, internal audit, risk management and infrastructure. The four students who received financial aid in the previous year, qualified to apply again for a bursary as continuing students. They are Mia Burgess (Gansbaai), Renaldo Dickson (Stanford), Liam Africa (Hawston) and Kyle Philander (Mount Pleasant).

The two new beneficiaries who have been awarded bursaries are Xanti Mgoqi and Ayakha Kamana, both from Zwelihle.

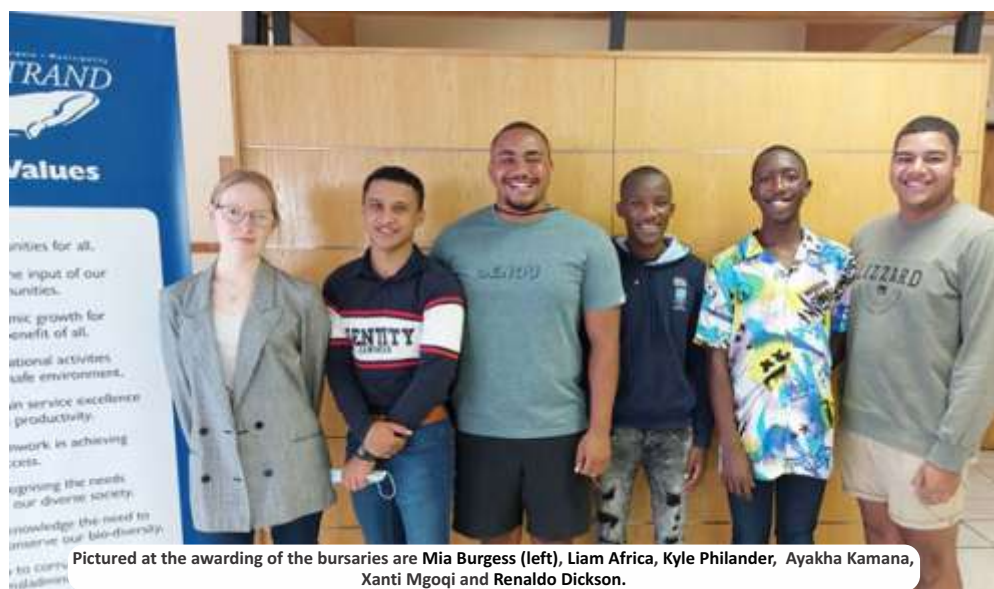

The bursaries will cover the learners' tertiary registration fees, tuition fees as well as accommodation.

The aim of this bursary programme is to assist performing learners and learners with potential to succeed in Higher Education Institutions who do not have the financial means to study towards a qualification.

Addressing the beneficiaries, Cllr Arnie Africa, Chairperson of the Management Services portfolio in

the mayoral committee, encouraged the students to start working from day one and be disciplined throughout the whole year. "Use the education you will receive to help realise your dreams." However, have fun and enjoy yourself too, he said.

ISSUED BY the Overstrand Municipality's Chairperson of the Management Services portfolio and Ward Councillor for Ward 8, Arnie Africa

'Ystervrou' agter BARC verhuis na Strand

BARC (Birkenhead Animal Rescue Centre) se 'ystervrou' vir die afgelope 13+ jaar, Annalie Jonker, het op 31 Januarie 2022 weens bepaalde omstandighede na die Strand verhuis. Dit klink na slegte nuus dat 'n persoon van haar kaliber verhuis het, maar die goeie nuus wat uittoon, is dat sy nie van Barc afskeid geneem het nie. Om na Annalie as die "ystervrou" agter Barc te verwys, is eintlik baie sagkens gestel. Sy vorm na hart, siel, verstand en liggaam die rugstring van Barc oor jare heen. Annalie se kontakbesonderhede bly ook onveranderd. Barc se Trusteelede, die personeel en die Barc-vrywilligers wens Annalie net die beste toe, maar het ook hul dankbaarheid uitgespreek dat sy steeds Barc se leiers in haar hande sal hou.

Annalie bly steeds (en permanent!) aan as Barc se Bestuurder en sal steeds alle administratiewe en finansiële take, soos in die verlede, hanteer. Vir ons tegnologiese wêreld is dit gelukkig geen probleem nie. "Ek beplan ook om minstens twee keer per maand vir personeel- en Trusteevergaderings besoek te kom aflê," het sy gesê. Tussendeur sal die Trusteelede, vrywillige werkers en die permanente personeel toesien dat sake steeds vlot verloop. Dus kan almal wat asem opgehou het oor Annalie se verhuising nou weer rustig raak - Barc bly steeds in goeie bestuurshande. "Ek moet sê dat ek 21 jaar laas getrek het," het Annalie aan Gans-Berg Nuus gesê. "Dit is chaos op chaos wat ek moes uitsorteer, maar ek is byna oor die hond se stert en behoort eersdaags weer rustig te kan raak." Die hoofrede vir haar verhuising is om nader aan haar 94-jarige ma, Alida Vermeulen te kan wees. "Ek is die enigste kind en die personeel waar my ma woon, kontak my gereeld om te sê sy roep gereeld na my," vertel Annalie. Alida het etlike jare gelede die hek by die Barc-hokke as 'n donasie laat aanbring, met die volgende opmerking teenoor Annalie: "Jy kan nie dat mense by só 'n hek by die hokke instap nie!" Dit is ook waarom die bordjie op die

hek, 'Alida Vermeulen' heet.

Barc-geskiedenis in kort

Annalie vertel van Barc se eerste amptelike vergadering. Ons het op 12 Junie 2009 vergader om die voortbestaan van Barc Dieresorg te bespreek - met R249 in die bankrekening!" Indringende besluite is geneem, waaronder die stigting van 'n Trustee met verkose Trusteelede, asook fondsinsamelingsprojekte. 'n Verdere belangrike besluit was die opening van 'n Barc Tweedehandse Winkel om met befondsing te help. Die winkel se deure is op 22 Augustus 2009 geopen - aanvanklik in die gebou waar 'Bathrooms for You' was, daarna (1 Oktober 2009) langs Kekkel en Kraai en vanaf 17 Julie 2021 op die hoek van Mark- en Dirkie Uysstrate, waar dit tans is. "Hierdie winkel bly steeds ons belangrikste bron van inkomste en ek bedank graag die gemeenskap vir hulle voortdurende ondersteuning, skenkings en donasies," sê Annalie. René Jacobs is al vir die afgelope 13

jaar die winkelbestuurder, met Lydia Tobias wat later as winkel-assistent bygekom het. Barc se hoofdoel is die versorging van mishandelde en siek honde, asook weggooi-katte. By die hokke is staatmaker Nols Jonas sedert September 2015 die Veldwerker en hy word deur sy vrou, Hannalie bygestaan. Everitte Visser en Fransiena Ward is vir die hokke en die netheid daarvan verantwoordelik, maar moenie vergeet van Everitte se vrou, Lynette en sy seun, Franco wat groot steunpilare by die hokke is. Met 'n span soos hierdie, plus die Trusteelede en vrywillige werkers, het Annalie niks om haar oor te bekommer nie! Tans is daar meer as 25 hondehokke, plus 'n groot katterhok (cattery) met speelruimte, asook groot speelruimtes vir honde agter op die perseel. BARC is 'n nie-winsgewende organisasie en is al in 2009 as die *BARC Dieresorg Trust* (IT3001/2009) geregistreer. Daarna volg die NPO ('Non Profit Organisation') registrasie (no 187-051), asook die PBO ('Public Beneficiary Organisation') vir belastingdoeleindes (No 930064524). Barc is ook by SARS geregistreer en kwalifiseer jaarliks vir 'n Belastingvrystellingsertifikaat. Barc se Finansiële Jaarstate word steeds deur PSG Wealth (voorheen Villet Rekenmeesters) ge-audit. Finansiële bydraes ten bate van BARC kan direk in die volgende bankrekening inbetaal word (meld net die donateur se naam, of "anoniem" indien so verkies): BARC - Nedbank Gansbaai - Takkode 196 005 - Rekeningnommer 149 810 3006 - Spaarrekening. Belastingvrystellingsertifikaat sal uitgerei word.

Algemene Barc-navrae kan steeds aan Annalie Jonker by 082 826 0631 gerig word, of stuur 'n e-pos aan haar by barc.animalwelfare@gmail.com. Barc se Veldwerker, Nols Jonas, kan by 083 742 3903 vir diere-probleme, die aanneem van diere en losieshonde geskakel word.

Jan 'Karavaan' Fourie vat die pad -Gansbaai Superspar-

Jan (Karavaan) Fourie (72) tree na 'n raps meer as twee dekades by Gansbaai Superspar uit diens. In sy 'glashok' as vloerbestuurder kon niemand hom nog ooit miskyk nie. "Ek het besluit om na 21 jaar by die Spargroep uit diens te tree - ek wil nie bly totdat hulle my met 'n rolstoel hier uitstoot nie!" skerts Jan. In 'n rakkie langs sy kantoordeur is 'n *Advent Calender* met 'n gepaste opskrif: 'Very busy doing NOTHING!'

"Van my kant af sê ek graag baie dankie vir Jan vir dekades se lojale diens en wens hom net die beste toe vir sy welverdiende affrede," het De Wet van Niekerk, mede-eienaar gesê. De Wet het ook Jan se opvolger aan Gans-Berg Nuus voorgestel - Annalise Theunissen, self ook al jare by Gansbaai Superspar. "Wat Annalise betref, ons glo sy is die beste keuse om Jan se verantwoordelikheid as vloerbestuurder op haar skouers te neem en ons wens haar ook net die beste toe."

Jan (Karavaan) Fourie: Jan is op 30 Mei 1949 in Stanford gebore, maar was in Napier op skool vanaf Sub-A tot matriek. Na skool was die bankwese by die destydse Volkskas Bank, nou ABSA, sy beroepslewe. Op 2 Januarie 1968 begin hy in Vredenburg en daarna volg 'n hele paar verplasings, "soos dit maar in die bankwese met 'n mens gaan," sê hy. "Daarna was ek in Napier vanaf 1998 by die eiendomsmark betrokke." Jan vertel dat hy tussendeur sowat 240 karavane reggemaak en opgebou het om te verkoop - vandaar die bynaam 'Jan Karavaan'!

In 2001 begin sy lang verbintenis van bykans 21 jaar by die Spargroep in Gansbaai, waar Gansbaai OK Foods vandag is. Jan het nie saam met die Sparpersoneel na die Great White Junction oorgeskakel nie. Hy het op versoek van die destydse Spareienaar vir 2 jaar by Gansbaai OK Foods aangebly as 'n vloerbestuurder. Daarna is hy na Gansbaai Superspar as vloerbestuurder, waar hy 'n bekende en gewilde persoonlikheid in sy 'glashok' was.

Op 26 Augustus 1976 lui die huweliksklokkies vir Jan en Jakkie, oorspronklik van Vredenburg. 'n Dogter, Janin (44) en 'n seun, Jean (42) is uit die

huwelik gebore. Janin is ongetroud en woon in Durban. Jean is getroud met Trix, woon in Saldanha-baai en die egpaar het vir 2 kleindogters van 6 en 12 jaar vir Oupa en Ouma Fourie gesorg.

"Nou het dit tyd vir my geraak om af te tree en vir die eerste 3 maande of so, gaan ek en my vrou, Jakkie met ons karavaan rondtoer en ontspan," vertel hy. Hy sê hy en sy vrou is al twee baie lief vir die buitelewe en kamp ook graag - nou gaan hy genoeg tyd kry daarvoor.

nie op moedverloor se vlakke laat sit nie, daarom kon ek bereik wat ek vandag bereik het," vertel sy. "Verlede jaar het ek ABET Vlak 4 geslaag, wat net voor Gr 12 is, en hierdie jaar is ek besig met Gr 12."

Annalise was bereid om as 'n skottelgoedwassertjie vir sowat 3 jaar te werk, waarna sy 'n pos by die destydse Friendly Store in Gansbaai gekry het. Bykans 15 jaar gelede begin sy by Gansbaai Superspar op 15 Augustus 2007 as 'n rakpakker werk. Daarna het sy verskeie poste beklee en vanaf 2015 was sy in die administratiewe afdeling werksaam, onder andere as 'n krediteure-klerk.

"Nou het 'n groot en trotse dag vir my aangebreek met my bevordering na vloerbestuurder vanaf 1 Maart 2022," vertel Annalise. "Maar ek is nog baie benoud, want dit is die groot skoene van Oom Jan wat ek sal moet volstaan," het sy gesê. "Terselfdertyd wil ek dat my verhaal vanaf 'n nederige begin tot waar ek nou is, 'n inspirerende voorbeeld vir jongmense moet wees om hard te werk en nie sommer handdoek in te gooi op hulle lewenspaai nie."

Annalise is die ma van 'n seun, Kiano (15) en 'n dogter, Leoné (21). Sy het onlangs die trotse ouma van 'n 6-weke oue dogtertjie geword. "Tyd vir stokperdjies is daar nie eintlik nie," vertel sy. "Daarvoor is ek te besig." Sy

sien haarself as 'n entrepreneur wat graag bak en kunstige items maak - "dan hou ek ook van baie gesels!" skerts sy.

Annalise sê haar grootste prioriteit sal wees om 'n goeie onderlinge spangees tussen haarself en haar span te kweek. "Ons moet as 'n span 'n eenheid vorm, anders sal ons nie in ons doel slaag nie," vertel sy. "Baie dankie aan mnre De Wet en Morkel van Niekerk vir die vertroue wat hulle in my gestel het en die groot geleentheid wat hulle aan my gegee het." Sy sê sy besef dat daar 'n groot verantwoordelikheid op haar skouers rus, maar sy sien kans daarvoor en is vol vertroue dat sy niemand sal teleurstel nie.

Hardus Botha

Annalise Theunissen (nuwe vloerbestuurder), De Wet van Niekerk (mede-eienaar) en Jan Fourie (uittredende vloerbestuurder).

Die egpaar gaan Gansbaai na sy aftrede vir Vredenburg verruil. "Dit is vir my soos die voltooiing van 'n volmaakte sirkel" vertel hy. "Ek het in Vredenburg begin en gaan nou in Vredenburg eindig." Jan sê Jakkie is oorspronklik van Vredenburg en sy seun het besighede daar - "dan is ons sommer ook nader aan ons kleinkinders!"

Annalise Theunissen:

Annalise is op 28 September 1982 in Stanford gebore, waar sy in Laerskool Okkie Smuts tot Gr 6 op skool was. Daarna is sy vir Gr 7 na Gansbaai Primêr in Blompark en vir Gr 8 is sy na De Bron Primêr, terug in Stanford. "As gevolg van omstandighede moes ek die skool op 'n jong ouderdom verlaat," vertel Annalise. "Dit het my

Agri Wes-Kaap veroordeel plaasmoorde ten sterkste

Agri Wes-Kaap is geskok en hartseer na die moord op die bejaarde persoon van die Slanghoek-gebied in Rawsonville op 23 Januarie 2022.

Landbouprodusente, wat verantwoordelik is vir die voedselsekerheid van ons land, stoei reeds met buitengewone uitdagings, en die veiligheidskrisis wat produsente, plaaswerkers en hul gesinne ook in die gesig staar, is onaanvaarbaar.

Jannie Strydom, hoof

uitvoerende beampte van Agri Wes-Kaap, veroordeel plaasmoorde en misdaad in landelike gebiede ten sterkste. "Ons doen 'n beroep op die regering, die polisie en ander relevante rolspelers om die landelike veiligheidsplan effektief te implementeer om sodoende 'n omgewing te skep waar produsente en hulle plaaswerkers se lewe nie elke dag bedreig word nie."

Agri Wes-Kaap wil produsente ook aanmoedig om betrokke te raak by hul gemeenskap,

georganiseerde landbou, en om veiligheidsmaatreëls op te skerp en bly implementeer. "Wees bedag op enige verdagte aktiwiteite in jou omgewing, let op verdagte voertuie en persone wat in jou area beweeg en beveilig jou huis en omgewing."

Agri Wes-Kaap betuig ons innige meegevoel met die slagoffer se naasbestaendes en vriende.

Spike in armed robberies in Overstrand

Law enforcement officers from the Overstrand K9 and Task Team Unit warn that there has been a significant increase in armed robberies in the Overstrand area and urge the community to be vigilant.

According to Johan du Toit, Assistant Chief of Law Enforcement and Task Team, most of the victims were attacked in broad daylight.

"These criminals appear only to be in and out for easy pickings, but there is always the worry of personal injury," he said.

Don't make it easy for criminals - adhere to the following:

- Don't become complacent about personal security.

- Trust your instincts. If something or someone makes you uneasy, leave the area.
- When out and about, be aware of your surroundings and the people around you.
- Close gates, set alarms, get to know your neighbours and resident associations and be alert.
- Avoid carrying large amounts of cash.
- Do not attract unwanted attention by openly displaying cameras or other valuables.
- Motorists should refrain from keeping anything of value on the seats where items are easily visible.
- Don't take unnecessary risks - don't walk or hike alone. Solo cycling is discouraged
- If you choose to go for a walk along the cliff path or go for a hike in our nature reserves, tell somebody where you're going and when to expect you back.
- Memorise emergency numbers and program them as speed dials onto your mobile phone.

SAPS: Death in Custody -Alwyn Otto-

On 12 February 2021, this office issued a media statement following the death of Alwyn Otto in the police holding cells. An inquest docket was opened, and the incident was reported to the IPID for investigation. This media statement is issued in the light of social media

reports making the rounds and this office felt it fit to reflect on the facts.

During the course of 2021, a report was received from IPID indicating that there was no prima facie case or foul play against SAPS members and that the cause of death was consistent with hanging. The case docket was referred to the NPA to determine whether any criminal proceedings should be instituted against any SAPS official. Awaiting an NPA response.

Duiwelsgat Voetslaanroete -Stapvriendelik en skoon-

Komplimente vir die Duiwelsgat Voetslaanroete is onlangs op sosiale media geplaas oor die netheid van die roete vanaf Gansbaai Karavaanpark tot by Duiwelsgat in De Kelders. Dank is teenoor Gansbaai Munisipaliteit uitgespreek oor die skoonmaak van groot gedeeltes van die roete, waarvoor daar aanvanklik op sosiale media gekla is - onder andere oor modder en toegegroeide gedeeltes.

Tydens Gansbaai Toerisme se Sunset Walk (sien berig elders in hierdie uitgawe) is baie en positiewe kommentaar oor die roete deur die sowat 50 stappers gelewer. Hulle het die stap terdeë geniet en kon nie uitgepraat raak oor die moeite wat die munisipaliteit in hierdie verband doen nie. "As gevolg van die onlangse mildelike reëns, asook morsjorse, veral by die getypoel, kan 'n mens verstaan dat daar klagtes kan wees," het een van die stappers gesê. "Die munisipaliteit kan egter nie oral tegerlykertyd wees nie."

Die roete en/of getypoel kan dus wel soms nie na wense wees nie, maar gee die munisipaliteit kans - hulle doen meer as hulle deel om ons omgewing skoon te hou en kan nie konstant agter morsjorse aanloop nie. Ons as gemeenskap het ook 'n verantwoordelikheid om na die netheid van ons omgewing om te sien.

Brief:

Ek wil graag deur middel van hierdie brief my waardering uitspreek

teenoor Barc (Birkenhead Animal Rescue Centre) vir hul ondersteuning aan my. Ek wil ook uitbrei oor my situasie en die idee wat by my posgevat het om diere aan te lok deur hulle te voer.

Wees asseblief verseker dat ek baie lief is vir alle diere en my doel is slegs om hulle te help wanneer hulle in nood is. Dit is ook dan wanneer ek met Barc in verbinding tree vir

My liefde vir diere

ondersteuning. 'n Misverstand het ongelukkig ontstaan (en ek het begrip daarvoor) as gevolg van my aksies om hulp aan diere te verleen. Terselfdertyd kan ek tog nie toekyk hoedat die diere se toestand moontlik kan versleg nie. Ongelukkig is dit vir my byna onmoontlik om almal wat betrokke is, van my bedoelings te oortuig, daarom hierdie brief.

Barc se reuse-taak (veral met katte), maak dit moeilik vir hulle - en word veral bemoeilik deurdat mense katte, waarvoor hulle nie meer kan / wil sorg nie, in die veld agterlaat. In stede van dit te doen, kan hulle eerder met Barc kommunikeer. Wanneer iemand

'n kat of 'n hond wil aanneem, kan hulle gerus by Barc aandoen. (Veldwerker Nols Jonas kan by 083 742 3903 gekontak word.)

Weer eens, baie dankie aan Barc vir julle ondersteuning aan my, asook vir die onbaatsugtige diens wat julle lewer, waar dit ookal nodig blyk te wees.

Baie dankie vir die geleentheid om hierdie brief te kan publiseer. Mag Gans-Berg Nuus van krag tot krag groei!

Tragiese branddood van blinde vrou

Skokgolwe het Saterdag, 29 Januarie 2022 deur die Blompark-gemeenskap getrek met die tragiese lot wat 'n blinde vrou, Riana Anthony (35) oorgekom het. Die informele huis op die hoek van Dahlia- en Blombotterstrate, wat aan die hoofhuis gekoppel is, het tot as verbrand - met die blinde Riana wat vermoedelik op 'n bank in die huis gelê en slaap het.

"Ons het van niks geweet voordat ek die rook geruk het nie," vertel Martin Vermeulen (60), eienaar van die informele huis en ook die pa van Riana. "Die eerste wat ek gedoen het, was om my baba-kleinkind te gryp en na buite te hardloop." Martin sê hy het daarna weer die huis ingestorm om sy vrou, Hendrina, na veiligheid te help. "Hendrina het voorheen meer as een beroerte-aanval gehad en ek moes haar na buite help, maar het nie geweet Riana het teruggekom en op die bank gaan lê nie," het 'n bedroefde Martin Gans-Berg Nuus meegedeel. Sy is vermoedelik deur die rook oorval.

Martin het gesê hy kon daarna niks

Tweede van regs is Martin Vermeulen wat die puin van die afgebrande huis saam met familielede begin opruim het.

meer sien nie en Riana se liggaam is eers later onder die puin ontdek. Gansbaai Brandweer was vinnig op die toneel, asook Gansbaai SAPD, maar 'n informele huis soos daardie het letterlik net minute nodig op tot in die grond in af te brand. Die brandweer kon net die smeulende puin natspuit om verdere brandgevaar aan omliggende huise te voorkom.

Hierdie omstandighede is deur Lt.Kol. Coetzee, Gansbaai SAPD se Stasiebevelvoerder, in 'n amptelike

media-verklaring bevestig. Hy het die verklaring soos volg afgesluit: "An inquest case docket is under investigation by the Gansbaai SAPS Office."

Op Dinsdag, 1 Februarie 2022, enkele dae ná die tragiese voorval, het Lt.Kol. Coetzee saam met polisielede die familie by die uitgebrande huis gaan besoek. Ivan Cornelius, voorsitter van die Blompark Buurtwag en 'n paar van die buurtwaglede, was ook teenwoordig. Gansbaai SAPD-lede het onderling en op hul eie inisiatief, noodsaaklike kos en klere bymekaar gemaak en dit aan die familie gaan oorhandig.

"Ons dink aan julle in hierdie tragiese omstandighede en ons het dit goedgevind om 'n klein bydrae te lewer om julle nood te verlig," het Lt.Kol Coetzee gesê. Hendrina Vermeulen het die donasies namens die familie in ontvangs geneem. Sy het die SAPD-lede met trane in haar oë bedank vir die mooi gebaar.

Hardus Botha

Lt.Kol Coetzee en Ivan Cornelius oorhandig 'n deel van die skenkings aan Hendrina Vermeulen.

Lt.Kol. Coetzee oorhandig verdere bydraes namens Gansbaai SAPD-lede aan Hendrina Vermeulen.

If Your Hot And Thirsty, Your Dog Is Too

With these current high temperatures everyone is feeling very hot and uncomfortable. Can you then imagine having FUR instead of skin in this heat. Many people do not realise the urgent need to make sure that a dog (or cat) always has free access to drinking water in this heat.

In the more informal or poor areas water is often forgotten and many dogs are also chained or in small, closed areas, meaning they cannot go out and "seek" water. Many even do not have any form of shelter either. Dogs that can and do go out and seek water, often drink stale or bacteria infested water, which then makes them sick, for which many will not get care.

We urge everyone to please encourage your staff and their friends and family to please ensure that there is always water out for the dogs. Where you can please keep a 2ltr bottle of water and a small bowl in your car and wherever you see a dog that appears very thirsty, please give them some water. Naturally if a dog is on a chain, be cautious as they may be in a "bad mood" all rounds. If possible, keep old containers in the car and when you see a need pour the whole 2ltr out and leave it there.

If you see a dog in the road, or a small yard or it is chained and you cannot see any water, please call to the closest people to fetch, and give the dog water. Even dogs in a well looked after home can end up being dehydrated for many reasons. Remember one can go without food for a while, without water for MUCH less. We are made Up of 70% water, as it depletes it seeks to draw it out of organs and cells. Engaging with children is often good as they have less stress and worries than parents and might more remember to put water out. Over time of doing this

more and more people will start making sure there is enough water out for the dogs. It is also tick and flea season and asides the biliary that will start to be seen in the poor areas, the fleas cause worms, which will also: use up" the water in the body.

A useful idea is to make a small notice on paper to hand out asking people to put water out in the informal or township areas. You can hand them to garage attendants, general labour, or cleaning staff, Your employees at the office or at work. We suggest placing all three languages on. English, Afrikaans and Xhosa.

In Xhosa one would say "please make sure the dogs have water every day" " Ndicela ungalibali ukupha izinja amanzi oko oko"

How to tell if a dog is dehydrated?

1. Loss of skin elasticity
Source: <https://www.vets-now.com/pet-care-advice/dehydration-in-dogs/#:~:text=Dehydration%20in%20dogs%20is%20a,organ%20damage%20and%20even%20death.>

The signs of dehydration in dogs to look out for include:

Sunken eyes
Dry gums
Lethargy
Weakness
Collapse
Loss of skin elasticity

All dogs are at risk of dehydration if they

don't eat or drink enough. There are various reasons your dog may refuse to drink, including
An underlying illness such as (heat stroke or a fever)

Nauseous
Lethargy
Pain
Loss of fluid through vomiting, diarrhoea and or panting
Passing urine more frequently

and in larger volumes than normal (as a result of kidney failure, diabetes and other internal problems, which often cause animals to drink more). However, drinking more is usually insufficient to compensate for the large volume of fluid they are losing if they are suffering from the above internal problems. It's vital that you seek veterinary attention if your dog shows any changes in their urination or drinking habits.

ROAR (Rural Outreach Animal Rescue)

Who are they?

They are the Overberg Patrol Officers (OPO). Members of the community have been asking who are these youngsters walking around Gansbaai wearing reflector jackets? These youngsters have been appointed as OPOs by the Department of Community Safety – they have a two-year contract. They are responsible for patrolling the streets as a force multiplier.

Lt Col Winston Coetzee stated that they are currently being used in the central business area to prevent robberies and ATM scams. In addition, they are deployed at schools for school safety and participate in all awareness campaigns. They all passed their fitness tests on 09 November 2021 and continue to undergo further training. Each patroller will be issued with a uniform – funds are required to purchase the uniforms. As CPF Chairperson I am grateful to the Department of Community Safety for giving these youngsters the opportunity to serve the community. All candidates chosen met with the criteria and were unemployed when they

submitted their applications – I trust once their two-year contract has been completed, they will be encouraged to join the ranks of the SAPS.

Gansbaai SAPS continues striving to keep our community safe – do your part and report any incidents.

Franskraal 2de uit 22 spanne in Overberg Gemengde Pare

'n Trotse Franskraal Rolbalkklub het 2de geëindig in die Overberg Gemengde Pare rolbalkkompetisie gedurende die afgelope naweek. Dit is 'n uitstekende prestasie, in aggenome dat 22 spanne vanuit die hele Overberg aan die kompetisie deelgeneem het.

Die weners was Stephan de Jager en Annelie Stevens van Bredasdorp, met kort op hulle hakke Franskraal se Stephan Chambers en Renet Grobler - baie geluk aan julle twee! Die weners gaan nou deur na die finaal op 'n later datum. "Ons het hard gewerk aan

daardie 2de plek vir ons!" vertel Renet.

Gansbaai Pistoolklub:

Vandalisme tydens byna elke skoolvakansie

Vandalisme en diefstal is nou maar eenmaal 'n nimmereindigende probleem - hetsy of dit blatante diefstal is of vandalisme vir geen spesifieke rede nie. Gansbaai Pistoolklub is een van die sportklubs wat gereeld deurloop omdat die klubhuis en skietbaan so afgeleë is.

Die ironie van die saak is dat, indien daar na vuurwapens gesoek word, dit absoluut absurd is. Vir die normale intelligente persoon sal dit voor die hand liggend wees dat geen skut ter wêreld sy/haar vuurwapen of ammunisie in 'n skietklub se klubhuis sal agterlaat nie. Alle wapens en ammunisie word, in gevolge wetgewing, veilig in kluis tuis bewaar.

Verlede week is drie groot slotte aan die klubhuis se staaldeur eenvoudig oopgekap. Terselfdertyd

is 'n groot deel van die heining se drade vir die soveelste keer afgeruk en gesteel. Daar is net nie 'n einde aan vlak vandalisme en diefstal nie. Kort voor die einde van verlede jaar, ook tydens 'n kort skoolvakansie, is 'n yslike gat in die klubhuis se muur gekap om toegang te verkry, met pale wat toe ook gesteel is. 'n Twee-plaat gasstofie en gasbottel is gesteel.

Gansbaai Pistoolklub is nou weer goed aan die gang vir die nuwe jaar. 'n Nuwe bestuur is verlede jaar gekies en voorsitter Andy Hammond sê die jaar het goed afgeskop met hulle klubbedrywighede, afgesien nou van die onlangse vandalisme.

Vir pistoolklub-navrae kan Andy Hammond by 082 979 7698 geskakel word.

Enorme skade met twee vragmotors wat in brand vernietig is

"Die skade is baie groot en met my gemoedstoestand wil ek nie veel meer oor die voorval sê nie," het Dirkie Hoffmann tydens 'n telefoniese-onderhoud met Gans-Berg Nuus gesê. Twee van sy vragmotors, 'n Volvo en 'n Power Star, is in geheel deur 'n brand op Vrydag, 21 Januarie 2022 op die huurperseel, Klipfontein van Japie Swart vernietig.

"Ek het kort voor die voorval herstelwerk aan die vragmotors laat doen en nuwe bande opgesit om hulle gereed te kry vir 'n kontrak in die Hemel-en-Aarde Vallei," het 'n mismoedige Dirkie, eienaar van WPH Construction, gesê. "Ek was die middag dorp toe om brandstof vir die WAP-masjien, wat gebruik word om die vragmotors skoon te spuit, te gaan kry toe ek die oproep ontvang dat my vragmotors besig is om uit te brand."

Gansbaai Brandweer was vinnig op die toneel, maar as gevolg van 'n sterk wind kon niks gedoen word om die brand betyds te stuit nie. Volgens Dirkie het omstanders, wat gesien het wat gebeur het, gesê die een vragmotor het begin brand en die vlamme is deur die wind na die tweede een

versprei. Dirkie het Gans-Berg Nuus meegedeel dat 'n voorlopige brandverslag daarop dui dat 'n kortsluiting vermoedelik by een van die vragmotors ontstaan het. Ten tye van die onderhoud op Maandag, 31 Januarie 2022 het Dirkie gesê die versekeraars het reeds die vragmotors weggesleep en hy wag nou vir die finale brandverslag.

Die kantoor van Gansbaai SAPD se Stasiebevelvoerder het in 'n mediaverklaring bevestig dat die brand vermoedelik as gevolg van 'n kortsluiting by een van die vragmotors ontstaan het. "Geen misdaad word vermoed nie en geen kriminele saak is geopen nie," het Lt.Kol Coetzee gesê.

Gansbaai Posduifklub:

Duiwe-nuus: Veiling en Tweeling word groter

Soos 'n vorige keer gemeld, het Gansbaai Posduifklub hulle jongduif-veiling 'n tyd gelede gehou - en wat 'n groot sukses! Die veilingtyd was 10:00 en duiweboere het sommer van vroeg af by Frankenstraat 7, waar die veiling plaasgevind het, opgedaag.

Met die intrapslag was dit duidelik dat daar baie kopers vanaf sover soos Bredasdorp en Hermanus gekom het - met kopers wat selfs ingeskakel het om te sê hulle gaan telefonies aan die veiling deelneem. Reëlins is getref om voornemende kopers te skakel sodra hulle gekose duif onder die hamer sou kom.

Die veiling is deur die voorsitter, Norman Stevens (Jnr) geopen, gevolg deur 'n gebed deur Allen Scheepers.

Soos gewoonlik was Charl Kruger die afslaer wat ook die prosedure, wat gevolg sou word, verduidelik het. Dit was vinnig duidelik dat hy sou moes bontstaan om soveel kopers se aanbiedinge te hanteer.

Daar was 56 duiwe op die veiling, asook 40 ringe wat boere kon koop om hul eie duiwe te teel en te ring. Hierdie duiwe kan dan vanuit hul eie hokke aan wedvlugte deelneem, op voorwaarde dat hulle in die Overberg Posduif Unie Streek vlieg. Dit is vir my lekker om te rapporteer dat die veiling R54 500 ingebring het, waarvan 'n gedeelte ook gaan help met die vervoerkoste van ons plaaslike duiweklub se boere.

Wat die tweeling-duifies betref, het ek terugvoering gekry van een van ons plaaslike sierduif-boere, dat tweeling-duiwe wel nou en dan by sierduiwe voorkom. Helaas, hulle gaan

gewoonlik gou dood, aangesien hulle baie klein is. Blykbaar is die een eier met die twee kleintjies ook ovaalvormig en baie klein. Die plaaslike Gansbaai Posduifklub se vier kleintjies word egter baie mooi groot, soos op die foto saam met hulle broer gesien kan word - wat 'n verrassing!

Die duifies is identies en kan net deur hulle ringnommers van mekaar onderskei word. Wat 'n rariteit is dit nie hier in ons eie geweste nie? Maak hulle asseblief mooi groot, Charl en Norman (Jnr), sodat ons kan sien hoe hulle in wedvlugte gaan vaar.

Hou julle self veilig en die om jou ook.
