Johan en Lizette saam met Douw en Amanda in Gansbaai Karavaanpark.

Twee kinders se uitsonderlike vriendskaps-verhaal begin in 1972 op die lang hawemuur voor Gansbaai Karavaanpark - 'n vriendskap wat ná 50 jaar steeds blom. Aanvanklik tydens hulle ouers se gereelde karavaankampe oor jare heen en hulle twee wat hierdie tradisie later jare voortgesit het.

Douw Franken (58) en Lizette Morkel-Aylward (57), toe onderskeidelik 8 en 7 jaar oud, se ouers was gereelde kampeerders in Gansbaai Karavaanpark. Op 'n dag in 1972 het dié twee bymekaar op die lang hawemuur verbygestap. Douw vertel dat hy 'n mak witrot onder sy hemp weggesteek het. Met die verbystap het Lizette gesien iets beweeg onder sy hemp en gevra wat dit is. "Ek het vir haar gesê dis 'n witrot en sy wou hom dadelik vashou," vertel Douw. "Die oomblik toe sy die rot teen haar vasdruk, het hy haar nat gepiepie," vertel hy met ondeunde oë. Net daar het Lizette die bynaam van 'Muis' gekry, en die twee skater van die lag tydens die onderhoud met Gans-Berg Nuus. "Van daardie dag af was ons vriende en die vriendskapsbande is nog nooit verbreek nie," het Lizette gesê.

Kan mens aanvaar dit is toe waar die 'kys' begin het, was die volgende logiese vraag aan hulle. Toe lag die twee vriende éers. "Nee, ons is toe nie 'gekys' nie en ook nie daarna nie, ons het net boesemvriende oor die jare heen gebly en is dit steeds," vertel Lizette. Later jare is Douw met Amanda getroud en Lizette met Johan, maar die egpare het groot vriende gebly wat gereeld saam gaan kamp

het, hoofsaaklik in Gansbaai Karavaanpark, waar hulle vir die afgelope 3 jaar nou gereeld kamp.

Die twee egpare was besig om vleis te braai toe hulle deur Gans-Berg Nuus besoek is. Ontspanne, vriendelik en gesellig soos min - om nie te praat van die gelag oor jare se kampstories nie, soveel so dat dit 'n lang onderhoud geword het. Lizette het haar 3 geliefde skaaphonde (*border collies*) saamgebring: Max, Jollie en Codie, wat daagliks nie kan wag om see toe te gaan vir 'n swem nie. Johan, Douw en Amanda moes Sondag, 6 Februarie 2022 terug huis toe om die volgende dag te begin werk. "Ek het nie nodig om te gaan werk nie en kamp nog hierdie week alleen met my honde," vertel sy en dit is duidelik dat sy dit terdeë so op haar eie geniet.

Al twee se ouers was destyds vir baie jare gereelde kampeerders hier. Hulle vertel dat dit destyds aangename kampjare was met té veel karavaanparkstories, humor en kattekwaad om alles te kan oorvertel. Lizette sê haar ouers het altyd op Plot 10 karavaan opgeslaan en later op Plot 4, waar die twee egpare tans ook staan. Sy vertel dat kampeerfamilies destyds elkeen sy 'eie' Plot gehad het en niemand het op iemand anders se 'Plot' sy karavaan opgeslaan nie.

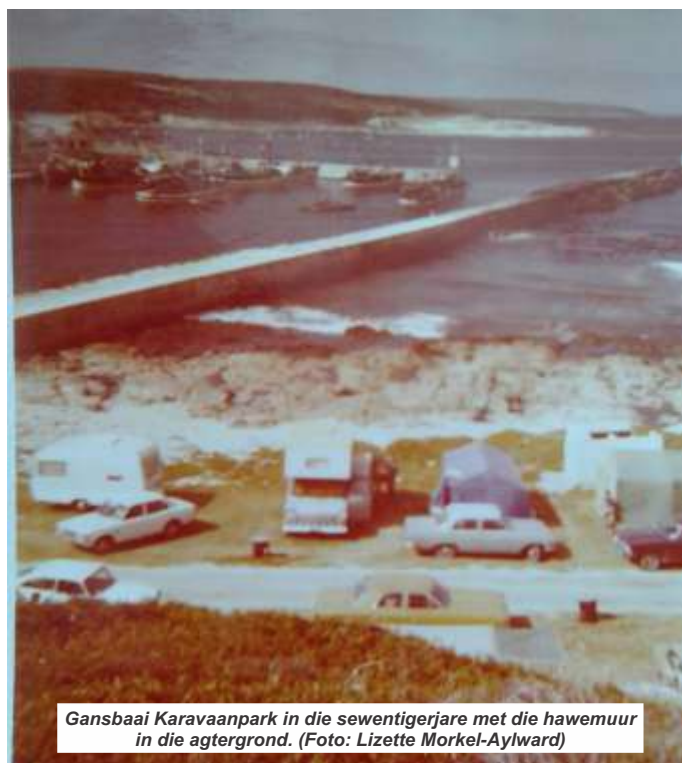

Douw vertel dat hulle oor jare heen hierdie wêreld al 'plat' geloop het en lag steeds heerlijk wanneer hulle oor al die kattekwaad wat hulle as kinders hier aangevang het. Hy is oorspronklik van Windhoek, maar het in 1979 na Brackenfell verhuis. Lizette woon nog al die jare in die Strand. "Ons het sulke groot vriende geword dat Douw al vanaf Brackenfell op 'n fiets Strand toe gery het om vir my te kom kuier," vertel Lizette.

Lizette se ma, bekend as 'Poppie', is gebore en getoë in Stanford en woon tans in De Kelders. Douw is deel van die bekende Franken-familie en het ook die groot Franken familie-byeenkoms in 2013 in die Birkenhead Boothengelklub bygewoon. Sy pa, Douw is hier gebore en het jare gelede in Stanfordsbaai kom aftree. Douw is steeds 'n gereelde besoeker aan Stanfordsbaai, waar hy maandeliks vir sy ma en familie kom kuier.

"Ons het as kinders altyd in groepe kattekwaad aangevang," vertel Douw. Hy verwys na 'n keer wat hulle brandende kerse op die hoeke van 'n graf in die begraafplaas gaan 'inplant' het. "n Bergie in die bosse langs die grafte gooi toe 'n bottel stukkend en die spoed waarteen ons weggehardloop het, sal nooit bepaal kan word nie!"

Lizette vertel met heimweë in haar oë dat hulle die wonderlike kinderjare in Gansbaai Karavaanpark altyd sal koester. "Dit is tye in ons lewens wat altyd by ons sal bly!"

Media Statement By Overstrand Executive Mayor, Dr. Annelie Rabie, Regarding The Municipal Accounts (meter Readings And Replacements)

Following various enquiries and complaints about the monthly municipal accounts, with regard to water consumption, or zero consumption invoiced on the accounts, the Overstrand Municipality would like to share the following information:

1) **METER READINGS**

The Municipality, since August 2021, had several meter readings challenges but we can confirm that this has improved significantly, and we trust it will be solved by 31 March 2022. The areas still posing a challenge are meters inaccessible to read, or in areas where plots/properties are significantly overgrown. There should thus be only the minimum number of water meters across the whole of the Overstrand area that are still investigated in this regard.

The Municipality monitors and analyses a system generated exception report. Due to the Overstrand being a holiday destination with related property ownership, unpredictable occupation of properties occurs, impacting on consumption patterns and the valid exception classification for holiday homes.

The following serves as an example of invoicing consumption on an account, to demonstrate afore mentioned:
September consumption due to occupation = 4 kl
October consumption due to no occupation = 0 kl
November consumption due to no occupation = 0 kl
December consumption due to occupation = 12 kl

Above example explains the possible impact of water consumption of 4 kl in one month, and 0 kl consumed per month for the next two months, and then a consumption of 12 kl in the fourth month, will result in more than 100% spike/deviation, but does not mean the reading is incorrect at all. This is mainly due to variances in occupancy levels of the property.

Furthermore, of importance to note is that actual consumption for December will only be invoiced and reflect on the January account when the reading for the period is available.

The dates between readings also play an important role as the system provides for calculation in accordance with the number of days, thus, if it is a longer period, you will receive more kl units consumed per sliding scale, to avoid incorrect charging, (example, 45 days'

consumption will be calculated as 30 days as well as another 15 days on the lower tariff of the sliding scale).

It is therefore important that you check your monthly account. It is not possible to work on linear projections and assumptions, being a holiday destination is the varying occupancy levels.

Below are the different areas and the planned monthly dates for meter reading for the specific area. These dates are subject to weather and coordination of capacity/weekend dates:

2) **METER REPLACEMENTS**

The Community Services Directorate of Overstrand Municipality has an ongoing replacement program for water meters older than 12 years.

The areas affected/impacted in some instances substantially, with consequences on subsequent meter readings and invoicing in the consecutive periods only. These spikes will be deferred as indicated below.

The replacement program is as follows:

WATER METER REPLACEMENTS		
Township	Quantity	Complete/Not complete
Rooiels	41	Completed
Pringle Bay	131	Completed
Betty's Bay	202	Completed
Kleinmond	552	Completed
Fisherhaven	112	22/01/2021 – 27/01/2021

Sandbaai	128	02/09/2021 – 27/11/2021
Mount Pleasant	275	29/11/2021 - Current
TOTAL	3323	

Overstrand Municipality is aware that meters have been replaced in Sandbaai and are currently being processed on the financial system. This means that consumers will receive more than one month's consumption on their municipal account. The Municipality will attend to the correct spread of consumption, when invoicing in accordance with the total period involved, for example 55 days, etc.

The Municipality will defer the water consumption costs related to the meter replacement project impact, over six (6) months, thus avoiding a big impact on consumers.

Please contact your nearest office should you not understand your account, or send an email to enquiries@overstrand.gov.za

We also kindly request that you continue to pay your average account if no consumption appears on your account and inform the Municipality accordingly. Your consumption information can then be verified to prevent any subsequent queries on your account in the following months.

Gansbaai se Top Fotografiese-presteerder -Jane Bailey-

Die PSSA (Photographic Society of South Africa) het vir die eerste keer in Gansbaai Fotografielub (GBPC) se bestaan die prestige 'Impala Club Top Avhiever Award' aan een van die klubdele toegeken - Jane Bailey van De Kelders. Jane is ook onlangs tydens die klub se Algemene Jaarvergadering as 'n komiteelid verkies.

Hierdie prestige toekenning is tydens die PSSA se 2021 Toekenningsgeleentheid gemaak. As gevolg van Covid-inperkings verlede jaar, moes Jane se sertifikaat ongelukkig elektronies aan haar gestuur word. Gansbaai Fotografielub is nie 'n lid van die PSSA nie, maar Jane is wel in haar private hoedanigheid. "Ek beskou dit as 'n groot eer wat my te beurt geval het," sê Jane. "Terselfdertyd wil ek hierdie prestasie graag as motivering vir ander gebruik om aan buite kompetisies deel te neem."

Gansbaai Wynproegilde

Groote Post wynlandgoed se 'Goues'

Johan Pfister saam met Sharon Pretorius wat die gilde-voorskot aan Wimpe Borman oorhandig het.

Bruce Shambamuto en Sjeff Chris Pead wat vir puik bediening en smaaklike disse gesorg het.

"Dit is ons eerste wynproe-geleentheid vir 2022 en ek vertrou dat die res van ons byeenkomste weer opwindende 'wyn-ontdekkings' tot gevolg gaan hê," het Johan Pfister, voorsitter van Gansbaai Wynproegilde gesê.

Gansbaai Wynproe se gesellige wynproe-byeenkoms is onlangs weer in die Great White House, Kleinbaai aangebied. Met 'n mate van verslappings, was die restaurant vol van geesdriftige (en kletsende!) lede en gaste - nog voordat daar wyn geproe is, natuurlik.

Wimpe Borman, Bemakingsbestuurder van Groote Post wynlandgoed net buite Darling, het hom goed van sy taak gekwyd. Wimpe is oorspronklik van die Paarl en hy het homself op die gebied van bemakings gekwalifiseer. Hy is aanvanklik as Groote Post se Verkoopsbestuurder aangestel, maar later as Bemakingsbestuurder. "My persoonlike gunsteling witwyn is ons *Riesling* en rooiwyn ons *Shiraz*," het hy sonder om te skroom gesê. Die wynlandgoed word as 'n historiese plaas beskou en beskik ook oor 'n baie

groot verskeidenheid van wildsbokke. Met die 2010 *Eat Out Guide* is hulle as een van Suid-Afrika se Top 10 *Alfresco Restaurants* met hulle *Hilda's Kitchen* aangewys.

Die wynproe-groep is met 'n uitstekende MCC

(*Méthod Cap Classique*) *Brut Rosé* verwelkom, wat ook saam met die nagereg bedien is. Die wyne wat gevolg het, is meestal baie goed deur die gaste beoordeel. Die *Chenin Blanc* het almal beïndruk, maar die *Sauvignon Blanc* en *Seasalter Sauvignon* het dadelik die aandag getrek. Daarna is 'n heerlike en verfrissende *Riesling* semi-soet aangebied. Volgende was hulle jong *The Old Man's Blend Red* (Merlot, Cabernet Sauvignon, Shiraz). 'n Uitstekende *Shiraz* (2019) het gevolg, met die aand wat met 'n onverbetterlike *Salt of the Earth* (Shiraz, Cinsault) afgesluit is.

'n Suksesvolle wynproe-aand sonder Sjeff Chris Pead van die Great White House se geurige disse, kan nie suksesvol wees nie - dié man mag maar! Die spyskaart in kort: *Goats Cheese, Fig & Onion Relish* as voorgereg, *Bacon Wrapped Mushroom Pork* met smaaklike bykomstighede as hoofereg en *Lemon curd, apple spekboom & sorbet* as nagereg. Hierdie disse is met puik bediening deur Bruce Shambamuto en sy span kelners aan die gaste voorgesit.

Gansbaai FotografieklubAJV voorspel interessante 2022 'fotografie-pad'

Gansbaai Fotografieklub se Algemene Jaarvergadering (AJV) op Donderdag, 3 Februarie 2022 voorspel sonder twyfel 'n baie interessante 2022 vir die klubdele. Tydens die AJV is besluit om die komitee so klein as moontlik te hou om sake somer baie te vergemaklik. Die nuutverkose komiteedele, slegs drie, is professionele fotografe van ons omgewing: Clive Bailey as voorsitter, met twee addisionele lede, Jane Bailey en Riaan Jacobs. Nelleke Ferreira is van groot hulp in die agtergrond met finansiële- en sekretariële werk.

Terwille van voornemende klubdele en ander belangstellendes, word enkele besluite wat geneem is, uitgelig: fotogrootte word na 1920 x 1080 verander; daar word weggedoen met die intermedieë afdeling; daar is geen tydsbeperking op 'n foto-indiening nie, maar 'n foto kan egter net een keer by die klub (of vorige klubs) ingedien word, ongeag die kategorie; dieselfde foto kan vir salonne en PSSA (Photographic Society of South Africa) kompetisies ingestuur word - hulle reëls geld; almal kan in 'n tema meeding vir 1ste, 2de en 3de; die beste in elke ster-kategorie sal aan die einde van die jaar erkenning kry; die klub is nie lid van die PSSA nie, maar lede kan met Nicol du Toit, WP-komiteelid van PSSA, kontak maak om voordele uit te klaar. Goeie nuus: jaarlikse ledegeld word verminder na R120 per jaar. Indien nodig en om watter rede ookal, sal lede gevra word om addisioneel by te dra.

Die klub se 2022-program maak vir 'n groot verskeidenheid van fotografiese pret, maar ook kundigheid voorsiening. Daar is 'n tema vir elke maand vanaf Februarie tot Januarie 2023. Elke tema word op die program met voorbeelde verduidelik. Hiermee 'n Engelse opsomming van die program:

Something old: Anything old but not necessarily decrepit. AR and Composites allowed. Examples are old wedding dresses, baptism dresses, Meccano sets, cameras out of posterity, antique motor vehicles and vintage planes - objects are endless.

The rest of the themes for every month are: All wrapped up; Transport; Bird's eye view; Negative space; Big skies; Black and white; Smoke or steam; Hands; Night; A flame or flames.

"Slegs ingeskrewe lede kan foto's vir kompetisies instuur," sê Clive. "Ons beoordeel is 1-5 sterre en selfs twee stappe hoër." Belangstellendes wat by Gansbaai Fotografieklub wil aansluit, kan die klub se webtuiste by Gansbaai Photography Club vir volledige inligting besoek. Vir verdere besonderhede kan Clive Bailey by 076 312 8305 geskakel word, of stuur 'n epos aan hom by desmond1950@yahoo.com.

Laaste 100 dae Feesvieringe met 'Sunset Walk' -Gansbaai Toerisme-

"Mense het al begin navraag doen oor die volgende Sunset Walk," vertel Glenda Kitley, Bestuurder: Gansbaai Toerisme. "Dit is 'n goeie aanduiding van die gewildheid van die staptogte wat ons gereeld in die verlede aangepak het." Daar is toe besluit op 'n volgende stap.

Die suksesvolle 'Sunset Walk' van 27 Januarie 2022 het sowat 50 inskrywings gehad - 'n groot en gesellige groep stappers wat gewys het hulle is uitgehonger vir sulke dinge.

Vanjaar het hulle vanaf Stanfordsbaai tot by Gansbaai Hawe gestap, met 'n paar wat gedink het hulle kon by Gansbaai Karavaanpark al stop! Langs die Birkenhead Boothengelklub se saal is daar drink- en eetgoed bedien en almal kon gesellig saamkuier, honde inluks.

Census 2022 - Get ready to be counted

On Wednesday, 2 February, the country's first digital population count got off to a great start with the ceremonial launch of the 2022 South African Census to count everyone within the borders of South Africa. The census is held every 10 years, and the data (such as people's living conditions, access to basic services, income, etc.) of everyone (including children, babies, homeless people and foreign nationals within the borders of a country) in every household will be collected. Overstrand Executive Mayor, Dr. Annelie Rabie, has called on all residents of the Overstrand to participate in Census 2022 have started from 3 February 2022.

Mayor Rabie said without updated statistics on population figures, it is difficult to properly plan and prepare projects to benefit our communities. Census fieldworkers can be identified by their green bibs, caps, an identification card. A picture of the enumerator can also be downloaded from Stats SA website. Mayor Rabie confirmed that they will not ask you for information like your ID number, bank details, or PIN number. People who have access to the internet could self-enumerate by downloading the questionnaire on the website. Respondents are required to register on <https://getcounted.statssa.gov.za> to have the option of completing the census questionnaire remotely. Another way of counting will be through Stats SA's telephone interview system. Face-to-face counting will only be done in rural areas.

Seen at the ceremonial launch of Census 2022, are the Overstrand Census 2022 team members with Chairperson of the Management Services portfolio and Ward Councillor for Ward 8, Arnie Africa (far left), Chairperson of Community Services and Ward Councillor for Ward 4, Ronald Nutt, Municipal Manager, Dean O'Neill, Deputy Executive Mayor, Lindile Ntsabo and Chairperson of Protection Services and Crime Prevention (middle), and Overstrand Executive Mayor, Dr. Annelie Rabie (3rd right).

If you experience any problems with the online registration process, or to verify the legitimacy of the person knocking at your door or of the person calling you, kindly contact the Stats SA call centre on 0800 110 248.

'Super Heroes' -Laerskool Gansbaai Onderwysers-

"Kan ek jou Superman, Batman, Ironman, Spiderman wees?"
"Ek sal die wêreld vir jou aanvat - vir jou 'n hero wees!"

Dit is wat vroeg Vrydagoggend, 4 Februarie 2022 op die leerders van Laerskool Gansbaai gewag het toe hulle niksvermoedend by die skoolhek instap. Maar dit was nie net die liedjie, 'Super Heroes' wat kliphard oor die luidsprekers gespeel is nie. Baie meer as net dit. Die onderwysers, insluitend die waarnemende hoof, Jonathan Doyle (Superman), het almal soos Super Heroes aangetrek en in die skool gewag. Die skoolklok het gelui. Die leerders kon binnestap. Die 'Super Helde' het hek toe gestorm soos in 'n Wilde Weste film.

Wat 'n konsternasie, maar beslis 'n suksesvolle poging om almal in die regte stemming te kry. Veral met die mate van verslapping van Covid-reëls, soos die handhawing van afstande wat nie meer in skole nodig is nie. Dit was nie lank nie of die verdwaasde leerders het dié vertoning terdeë geniet. Net vir een outjie was alles net mooi een te veel gewees. Toe hy sy Juffrou sien, het hy vasgesteek, begin huil, in sy spore omgedraai en na sy ma toe teruggehardloop! Welgedaan, LSG-onderwysers, welgedaan!

Van 'Shrimp' na 'Curro Gr 8'-leerder -Curro Hermanus-

"Kom hier, Shrimp!....Kyk af grond toe, Shrimp!...Kruip in daardie rigting, Shrimp!...Waarvoor lag jy, Shrimp?..." Dit, en baie meer, was alles maar net deel van 'n vriendelike 'verwelkoming' van Curro Hermanus se nuwe Gr 8-leerders deur vanjaar se matrieks as 'mentors'.

Dit alles het in 'n goeie en mooi gees plaasgevind. Nie soos in ons ouer gardes se geval waar dit nog ontgroening genoem is en soms met lelike gevolge geëindig het nie. Curro Hermanus se Gr 8-leerders het gedurende hulle 'verwelkomingstydperk' steeds elke middag met 'n glimlag huis toe gegaan en na die volgende skooldag uitgesien.

Daar was darem nog so 'n paar klein verskilletjies: geen skooldrag nie, elkeen se 'troeldier' moes op sy/haar skouer gedra word, 'n naambord op die bors, met 'n baba-foto, wat moes lui: "My naam is...my matriek-mentor is...my troeteldier is.. my stokperdjie is...my gunsteling kleur is...n ietsie oor myself." Mooi humor en 'n aangename verwelkoming wat die Gr 8's te beurt geval het.

Onlangs het al hierdie humor en dinge tydens 'n oer-byeenkoms tot 'n einde gekom. Die Gr 8's is almal tot volwaardige Curro-leerders verklaar en kon van die volgende dag af skooldrag dra - wat 'n verskil om te aanskou!

Die groep nuwe Gr 8-leerders (shrimps) wat nou Gr 8-leerders van Curro Hermanus is.

Simeon Botha (Gr 8): vanaf 'shrimp' oor na 'volwaardige' Curro Hermanus Gr 8-leerder.

Die Gans-Berg Nuus wens alle Gr 8's van al ons skole in ons omgewing 'n gelukkige en suksesvolle hoërskoolloopbaan toe!

Houtwerk Assosiasie toon groei in 2022

"Ons Algemene Jaarvergadering is goed bygewoon en 'n lekker houtwerk-jaarprogram kon saamgestel word," vertel Hennie Prinsloo, voorsitter van die Houtwerk Assosiasie vir bykans 'n dekade. "Verdere goeie nuus is dat ons saam met die vergadering somer vier nuwe lede bygekry het."

Hennie sê hulle beplan 10 maandelikse byeenkomste vir die jaar. Belangstellendes met 'n liefde vir houtwerk kan gerus kom inloer om te sien wat hulle doen - dames is net so welkom. Dit gebeur soms dat die houtwerkers liefdadigheidsprojekte aanpak, maar daar word nog gewerk aan hierdie gedagte vir die nuwe jaar.

Die 2022-bestuur wat tydens die AJV gekies is, bestaan uit die volgende: Hennie Prinsloo (voorsitter), Ben de Lange (sekretaris), asook twee adisionele lede, Boats van Staden en Con van Enslin. Hennie sê hulle ledetal staan nou op sowat 22 houtwerkers en hulle sien uit na die nuwe jaar se aktiwiteite.

Die Houtwerk Assosiasie kom maandeliks, elke 1ste Donderdag van die maand om 17:15, bymekaar. Die vergaderplek is by Hennie se Progress Design in die Industriële gebied. Belangstellendes kan Hennie by 083 414 7962 skakel, of stuur 'n e-pos aan hom by

Hoërskool Bredasdorp se 1ste 2022-Sokkie

Die nuwe Gr 8's van Hoërskool Bredasdorp sal Dinsdagaand, 1 Februarie 2022 nie lig vergeet nie - dit was hulle 1ste hoërskoolsokkie. Die matriekraad het baie moeite gedoen om dit vir die Gr 8's 'n onvergeetlike aand te maak.

Die meeste van die Gr 8's moes ongelukkig tevrede wees om met 'n besem te dans. Gelukkig het elkeen ook die geleentheid gekry om met sy eie 'matriek' 'n draaitjie op die dansbaan te maak. Die kreatiwiteit waarmee hierdie nuwelinge hulself

met behulp van swartsakke deftige uitrustings gemaak het, het beslis die koppe laat draai.

Gr 8-manne het nie teruggestaan met met hul uitrustings nie: Conrad Bothma, Conrad Nortjé, Bahle Sinani, CJ Jooste en Reuben Syer.

Margaux Swart (Gr 12) geniet 'n dansie saam met Marius Wasserman (Gr 8).

Julia de Wet (Gr 8) glimlag breed terwyl sy met die hoofseun, Janco Fourie (Gr 12) dans.
