Upgrade bulk sewer supply -Masakhane-

OM compiled an Overstrand Housing Strategy: 5-year Program or Housing pipeline to inform the rollout of housing projects. 1479 serviced stands are being developed in Masakhane. These low-cost housing developments are dependent on the upgrading of the bulk sewer infrastructure.

GLS Consulting Engineer's report in terms of available infrastructure capacity was used as the master planning framework. The sewer network upgrades are required to ensure that there is sufficient capacity to accommodate the 1479 low-cost housing units. Gibb Pty Ltd was appointed for the detailed design and implementation of the project.

The tender for the installation of the 710mm diameter bulk sewer pipeline (approximately 1km) was awarded to Amandla GCF Construction CC in the amount of R11 335 117,20 (excl. VAT). Construction activities commenced in February 2022 and the anticipated completion date is 17 May 2022. The project is funded by the Municipal Infrastructure Grant (MIG).

The pipeline is routed through Masakhane Street adjacent to Build It and the R43 Main Road. Thereafter the pipeline crosses the R43 through directional drilling underneath the road. The pipeline route then continues towards Kapokblom Street and will terminate at the Gansbaai WWTW. This larger pipeline will enable a greater flow volume which will decrease the frequency of blockages and operation/maintenance activities.

Blompark 'Integrated Residential Development Programme' (IRDP) Topstrukture -Vorderingsverslag-

'n Voltooide dubbel-eenheid.

Hierdie projek bestaan uit 544 erwe, waarvan 539 vir residensiële doeleindes gesoneer is. Die aansoek vir befondsing vir die beplanning van die projek is by die Provinsie in Augustus 2012 ingedien en goedkeuring is gedurende Februarie 2013 ontvang. Die beplanningsproses kon direk daarna begin word en stadsbeplannings-goedkeuring (LUPO) is in Augustus 2016 daarvoor ontvang.

Die aansoek vir befondsing vir die installering van siviele dienste is by die Provinsie gedurende Maart 2017 ingedien en goedkeuring daarvoor is in Augustus 2017 ontvang. Die installering van siviele dienste is gedurende November 2017 begin en in Desember 2019 voltooi.

Die aansoek vir die Topstruktuur Befondsing is in September 2019 by die Provinsie ingedien. Goedkeuring vir die konstruksie van topstrukture is in Julie 2021 vanaf die Provinsie ontvang. Die goedgekeurde befondsing was nie korrek as gevolg van die rehabilitasie en abnormale geotegniese toestande op die terrein nie. 'n Aansoek vir die regstelling van die goedgekeurde befondsing is in Desember 2020 by die Provinsie ingedien en goedkeuring daarvoor is in Julie 2021 ontvang.

Vanaf die ontvangsdatum van die goedkeuring is die kontrakte met die Implementeringsagent en die aanvra van pryse vanaf Kontrakteurs aan die gang gesit. Terselfdertyd moes die installering van die elektriese netwerk ook gefinaliseer word. Die proses is aan die begin van September 2021 gefinaliseer en die terreinoorhandiging is op 14 September 2021 gedoen. MCape is dus die Implementeringsagent en Mellon Housing Initiative die kontrakteur.

Die implementering van die projek is begroot oor 4 jaar, soos uiteengesit op die Behuisingspyplyn in die IDP. Die eerste fase van die projek vir die huidige finansiële jaar beskik oor die konstruksie van 150 eenhede en die voltooiingsdatum is einde Junie 2022.

Die tweede fase se konstruksie sal begin sodra die eerste fase voltooi is, dus gedurende die nuwe munisipale finansiële jaar van 2022/2023. Die beplanning is in lyn met die beskikbaarheid van befondsing soos uiteengesit op die Provinsie se besigheidsplan gedoen.

'Bus route'...
Die nuwe deurgangspad regs van Beverley Hills en die nuwe huise wat in aanbou is, nader vinnig voltooiing. Die pad staan reeds nie-amptelik as 'Bus route' onder gemeenskapslede bekend. Deel van hierdie projek was ook die verbreding van die pad agter Gansbaai Farmer's Market tot by die afdraai na Blompark. Dit is gedoen terwille van die veiligheid van voetgangers op pad na Blompark.

Blompark Behuisingsprojek is goed op dreef.

Die nuwe pad in aanbou – regs van Beverley Hills.

SICK MARINE BIRD ALERT:
Please be on the lookout for sick and dying birds

A few years ago, in December 2017, a large amount of dead and sick marine bird species were found along the Overstrand coastline and estuaries. The birds were infected with the H5N8 virus. Most of the affected seabirds were Swift Terns.

In 2020 and 2021 the Cape Cormorants were especially hard hit by the highly pathogenic H5N8 strain of avian influenza and thousands of birds were killed.
In the last month, new cases of H5N8 were positively identified in Swift Terns. The first confirmed, positive case was from St. Helena Bay and unfortunately the Greater Crested Tern had to be euthanised. Then Swift Terns were found at the Botriver Estuary near Hermanus that also tested positive for the H5N8 avian influenza. We would like to urge residents to be alert and aware of the situation but not to panic about it.

The signs too look out for in affected birds are;

- neurological signs such as twitching, and head tremors and the birds may have difficulty breathing.
- Terns and other flying birds often lose their ability to sustain flight and will be seen flapping around on land or in shallow water.

WHAT SHOULD YOU DO if you find a sick bird, especially if you have a pet bird at home or work in the poultry or ostrich industry:

- Please do not touch these birds with your bare hands; wear gloves and disinfect your hands.
- If you are walking with your dogs along the beach and it happens to come into contact with an affected bird, make sure that you disinfect its paws before the dog enters the house.

If you do come across any dead seabirds on the beach, you can report it to the APSS (The African Penguin & Seabird Sanctuary) by sending the following information:

- Photo of the birds,
- note the location,
- number of dead birds and
- species (if you can identify the bird).

The African Penguin & Seabird Sanctuary (APSS), with the support of Overstrand Municipality's Environmental Section, Overberg District Municipality and CapeNature are monitoring the Overstrand area.

Sick birds in the Overstrand can be reported to your nearest local State Vet, BirdLife SA/BirdLife Overberg, CapeNature office or the Overstrand Municipality's Environmental Department (028 316 3724) - If possible, with GPS co-ordinates in order for it to be collected. Alternatively phone, APSS on 072 598 7117 or penguin@apss.org.za.

Vriendelike 'Verwelkomingsmuur' -Pearly Beach-

Pearly Beach spog met 'n gerestoureerde, vriendelike 'verwelkomingsmuur' by die dorp se ingang - en sommer baie kleurvol ook.

Shirley Coetzee (regs) oorhandig 'n blyk van waardering aan die kunstenaar, Ronél Smuts.

"Tydens een van ons komiteevergaderings het die tesourier, Trevor Archer, die moontlikheid geopper om die bestaande ingangsmuur op te kikker," vertel Shirley Coetzee, voorsitter van Pearly Beach Belastingbetalers Vereniging. "Sonder huiwering het ons sekretaris, Viv Burton-Moore, voorgestel dat ons 'n lokale kunstenaar moet kontak."

Shirley sê die ideale kunstenaar om te kontak was Ronèl Smuts. Ronél is gekontak en het ingewillig. "Met die hulp van Pearly Beach Belastingbetalers Vereniging, is die bestaande ingangsmuur voorberei, oorgepleister en geverf - Ronél kon met haar '*magic painting*' begin," het Shirley gesê.

"Ek is nie regtig 'n kunstenaar nie," het Ronél beskeie gesê. "Vir my is skilder 'n passie in my lewe wat ek al vir sowat 13 jaar lank beoefen en uitleef." Die eindresultaat van die oorgedoende muur, getuig daarvan dat Ronél heeltemal te beskeie oor haar skilderkuns is - die ingangsmuur vertoon sag en vriendelik en is pragtig kleurvol.

Op Vrydag, 25 Maart 2022 is die 'splinternuwe' ingangsmuur amptelik geopen. Teenwoordig was Raadsheer Dudley Coetzee, voormalige Overbergse Uitvoerende Burgemeester, sy eggenote, Shirley Coetzee wat alles gereël het, Raadslid Steven Fourie en Jason Stonehewer, asook heelparty inwoners en 'n stapgroep wat saam met Jason op 'n staptog was. Twee 'eregaste' was die twee pragtige *Golden Retrievers*, Casca en Flavia, wat onafskeidbaar van Dudley en Shirley is.

"Die bedoeling van die geskilderde ingangsmuur was dat dit 'iets' van Pearly Beach aan die besoeker, maar ook die inwoners, moes oorvertel," het Shirley gesê. "Dit moes vrolik en opwindend lyk." Op die blou (see) en ligbruin (sandduine) agtergrond is visse, 'n walvis, seevoëls, swart tobies, skulpe, 'n skilpad, 'n protea en fynbos geskilder. 'n Straatkaart van Pearly Beach sal op die lëe sementblad aangebring word. Die kaart is reeds deur Dudley laat vergroot en sal met plexiglas (*perspex*) as beskerming op die kaart aangebring word. Sodra dit gebeur, het Ronél onderneem om te kyk of sy daar ook bietjie kleur kan inbring.

Die groep opgewonde toeskouers, met Ronél Smuts in die middel tussen die Golden Retreivers en Shirley Coetzee links agter haar.

Die kleurvolle ingangsmuur by Pearly Beach.

Ronél het aan Gans-Berg Nuus gesê dat sy haarself nie as 'n kunstenaar propageer nie. "Dis hoofsaaklik my familie en vriende wat van my skilderkunstalente bewus is." Sy sê sy is wel baie lief vir skilder en maak hoofsaaklik van foto's gebruik wat sy op die skilderdoek vaspen. Sy skilder hoofsaaklik vir haar eie huis en dié van familie en vriende. Die grafiese ontwerp van die skildery op die ingangsmuur is deur haar dogter, Cari Smuts, gedoen.

Ronél en haar eggenoot, Hannes, het 3 jaar gelede permanent na Pearly Beach verhuis. Hulle besit egter die huis al vir sowat 25 jaar wat hulle as 'n vakansiehuis gebruik het. "Dit is vir ons 'n wonderlike plek en dorp om in te woon en ons verruil dit vir geen ander dorp nie," het Ronél gesê.

"Die resultate wat deur Ronél bereik is, is besonders en kan as 'n pluspunt en 'n bate vir ons dorp beskou word," het Shirley gesê.

Housing database verification and registration drive in Overstrand

Overstrand Municipality's housing waiting list verification and registration drive kick off on 1 April 2022.

Residents in need of government subsidised housing will have the opportunity to complete waiting list application forms as first-time applicants or verify/update details already on the system.

There are 13 923 applicants currently registered on the database, but information of many applicants may be incomplete or out-dated. The housing department often finds that beneficiaries do not update their information with regards to changes in income, number of financial dependents, change of address, etc.

The income band for Finance Linked Individual Subsidy Programme (FLISP) has increased in July 2018 from R15,000 to R22,000 and it therefore creates an opportunity for more residents to register/verify their information.

"It is critical that the database we work from is as up to date and accurate as possible," says Municipal Manager, Dean O'Neill.

The housing demand for Overstrand Municipality is also placed on the Provincial housing demand database and therefore it is of utmost importance that affected beneficiaries co-operate in their own interest.

The new and updated Housing Demand Database drive will ultimately help us with planning of future housing projects.

Please take note that the project will end on 30 April 2022, but the housing demand database will remain open for registration/verifications.

In nood vir 'n oogoperasie -Ilze le Roux-

Ilze le Roux het sowat 2½ jaar gelede 'n eenvoudige katerak-operasie ondergaan. Sake het ongelukkig skeef geloop en die lens van haar oog het geskuif, wat op daardie stadium nog nie as sodanig gediagnoseer is nie.

Na nog 'n operasie is die lens op 'n ander plek ingeplant en sy was vir 3 weke blind in haar oog. Nog dokters is geraadpleeg en sy het medikasie gebruik. Na sowat 2 weke het sy weer gedeeltelike sig in haar oog teruggekry. Die oog het egter nooit herstel nie en 'n tyd gelede kon sy glad nie meer sien nie. Ilze is weer na 'n oogspesialis, wat haar meegedeel het dat sy dringend moet gaan vir 'n algehele lensoorplanting.

Ilze het, met die hulp van vriende, 'n fondsinsamelingsprojek in die Birkenhead Boothengelklub se saal vir 9 April 2022 gereël. Jamboree sal vir die vermaak sorg en kaartjies kos R100, met eie verversings wat gebring moet word. 'n Kontantkroeg sal beskikbaar wees.

Ons eie Overbergse wyne is besonders -Standveld Wynlandgoed-

Sonia Martin ontvang 'n geskenk van Sharon Pretorius.

'n Gesellige oomblik met goeie Strandveldwyne en geurige disse.

"Ons byeenkomste is altyd baie lekker, maar dis nóg lekkerder met ons eie Overbergse besonderse wyne," het Johan Pfister, voorsitter van Gansbaai Wynproegilde gesê. "Ek kan ook net noem dat ons tans 60 lede in die gilde het, nadat daar 14 jaar gelede in 2008 met sowat 20 lede onder leiding van wyle Helmie de Vries met die gilde begin is."

Die gilde se byeenkoms van Dinsdag, 22 Maart 2022 is deur Sonia Martin van Strandveld Wynlandgoed aangebied. Die wynlandgoed is sowat 9km van die see af tussen Elim en Kaap Agulhas gelëe. Dit maak van hulle die mees suidelikste wynlandgoed op die kontinent van Afrika - met Gansbaai Wynproegilde wat ook die mees suidelikste wynproegilde is - 'goeie kombinasie'!

Sonia Martin spog met haar spesiale geskenk, aangesien sy reeds 'n Gansbaai Wynproegilde voorskoot het.

Sonia het behoorlik uitgesoekte wyne te proe aangebied. Sy het haar uitstekend van haar taak gekwyt en dit was 'n plesier om te luister hoe die lede en gaste aan haar besprekings deelgeneem het. Die verwelkomsglasie was 'n verfrissende First Sighting Rosé (2021). Die uitstekende witwyne was hulle First Sighting Sauvignon Blanc (2021), Strandveld Pofadderbos Sauvignon Blanc (2021) en Strandveld Adamstor (Saugvignon & Semilon, 2019). Die geurige rooiwyne wat te proe aangebied is, was Strandveld se First Sighting Shiraz (2020), Strandveld Syrah (2019) en Strandveld The Navigator (2019). Voor die nagereg is Strandveld se Spook Van Blomfontein (Gin met Tonic Water) geniet. Kommentaar vanuit die gaste-geledere was dat die Strandveld The Navigator 'n uitstekende kombinasie saam met die hoofgereg, Volstruisfilet was. Sjef Chris Pead van die Great White House se geurige spyskaart het, soos gewoonlik, nie teleurgestel nie. Voorgereg - Mussel & Kinkel Bos Tartlet. Hoofgereg - Ostrich Fillet Medallions met bykomstighede. Nagereg - Sticky Toffee Pudding. Saam met Chris is Bruce Shambamuto en sy span van die Great White House se flink bediening 'n uitstekende kombinasie.

Die egpaar Deon en Erika Oosthuizen van De Kelders is spesiaal gelukgewens met hulle 30ste huweliksherdenking op die dag van die byeenkoms. Deon is die seun van Daan en Petro Oosthuizen, voormalige bekende en geliefde inwoners van De Kelders, met Daan wat van die begin af die gilde se getroue tesourier was.

Johan Pfister nooi belangstellendes uit om by Gansbaai Wynproegilde se Facebook-blad aan te sluit.

Sixty years ago, "and we are still in love" -Dave and Cynthia Privett-

Dave and Cynthia Privett after 60 years of marriage.

Sixty years ago, Dave and Cynthia Privett met on the passenger-boat, Sterling Castle, in 1960, travelling to England from Cape Town. They fell in love and got married on 19 February 1962 at Letchworth, England.

"Returning to Cape Town in May 1963 we were married and returned to Cape Town with a baby daughter!", Dave said with a smile. They have 1 daughter, Jayne (59) and 2 sons, Sean (51) and Ian (56), as well as 7 grandchildren and 4 great-grandchildren. Sean is a manager at Grootbos Nature Reserve and a well-known athlete, cyclist and in many other sports activities. He also was the author, in cooperation with Heiner Lutzeyer, of the book, *Field Guide to the Flora of Grootbos Nature reserve and the Walker Bay region*. Recently he again was a co-author of the book, *Field Guide to the Renosterveld of the Overberg*.

"We are very blessed living together at this age in Herberg aan See," Cynthia said. "It is wonderful to just sit, chat and appreciate one another." The couple stayed in De Kelders for almost 20 years. They moved to Herberg aan See in January 2020. "It was a good decision, and we are surrounded by friendly and caring people," Cynthia said.

Dave was born on 25 December 1938 in England and Cynthia on 23 April 1936 in Cape Town. Dave came to Cape Town as a 10-year-old boy with his family. Cynthia worked for 6 years in Cape Town before she went to England with the idea of getting a job there as many young people did.

The story of how this beloved couple met is a precious fairy tale. "I believe we were destined for each other," says Cynthia. Listening to her story, that certainly was the case. Cynthia and a friend would sail on a boat trip to England on the *Holland Africa*. Her friend could no longer go with her, and Cynthia cancelled her reservation and booked a place for her on another boat, the *Sterling Castle*. At the same time, Dave would sail to England to visit family. His father passed away and he had to cancel his reservation as well. He then booked a place on a boat - the *Sterling Castle* where Cynthia was booked on.

Dave and Cynthia Privett 60 years ago when they got married.

Dave Privett is in the process to complete a go-cart 'kaskar' on behalf of Dries Vermeulen.

During the voyage, all the young people sat on the deck, chatting, and exchanging their names and surnames. When Cynthia mentioned her name and surname. Dave, sitting in the group, started laughing. Slightly upset, she asked him what was so funny about her name and surname? Dave's answer to Cynthia was: "You will not believe me, but during a function the previous night, a friend told me that you will be alone on the same boat, and I have to take good care of you." After that, a close friendship between them started. Eight months later Dave asked her to marry him and a year later they got married! What a wonderful love story!

An intelligence-driven operation led to the arrest of three suspects

An undercover intelligence-driven operation by members of the Gansbaai SAPS led to the arrest of three suspects on drug dealing charges. The operation was done over a period where undercover agents were sent to the premises and bought different drugs on numerous occasions from the suspects.

On Friday 18 March 2022 the premises situated at Highway Street in Masakhane, Gansbaai was searched and 'mandrax' tablets, crystal meth (tik) and ecstasy with an estimated street value of more than R10 000-00 were confiscated. Pumeza Mtyibilizi (31), Phumla Yawa (59) and Daniel Newman (28) were arrested on 9 x counts of dealing drugs. They did appear on Tuesday 22 March 2022 in the Hermanus magistrate court.

The Station Commander Lt/Col Coetzee commended the members in their efforts to remove these drugs from our communities. As SAPS we will not sit back and allowed these drug dealers to continue selling drugs to our communities and creating a social disorder amongst our people. I urged all law-abiding citizens to report illegal activities to the local SAPS 028 384 0201 or 10111 or the toll-free number 0860 010 111. All information will be treated with confidentiality and the reporter may remain anonymous.

Mayor on site visit in Marikana

Overstrand Executive Mayor Annelie Rabie and her team visited Marikana informal settlement in Zwelihle, where a leak was detected in the grey water rising main, earlier today, 24 March 2022.

Initially it was thought that more than ten structures will have to be moved to fix the leak. After deliberations with municipal staff members on site, it was found that only one structure needs to be moved. This will significantly minimise the disruptions to the number of households thought to be reallocated.

The mayor requested the relevant Members of the Mayoral Committee (MMC's) to urgently meet with the ward councillor and ward committee members to inform them of the extent of the work to be done.

Residents living in unstructured settlements should ensure that they do not build over Council infrastructure such as sewer and water pipelines to avoid future disruptions to their living conditions.

Piggery at Besemboshoutskloof

Overstrand Executive Mayor, Annelie Rabie, MMC Elnora Gillion, Municipal Manager Dean O'Neill and Director of Social and Economic Development, Soli Madikane, had a successful meeting on 17 March 2022, with most of the small pig farmers that are currently using just over one hectare of the municipal farm, Besemboshoutskloof, to keep their pigs.

Mayor Rabie also garnered the support of the Department of Agriculture and the Overberg District Municipality (ODM) to find an amenable solution in collaboration with the Overstrand Municipality and the small farmers.

Site visits have already been conducted by the above-mentioned department and the ODM to determine what is needed to improve security and other conditions on the farm.

The Municipality is desirous to enter into a formal medium-term lease with the farmers as this is one of the requirements of the Department of Agriculture to provide the much needed support and funding.

In the meantime, the farmers must organise themselves formally and ensure that the area is kept clean and that the welfare of the pigs are attended to in a humane way.

It was agreed that the issue of security of tenure will be addressed by Council by the end of April 2022. This will allow all role players to develop and agree on an action plan that can be endorsed by Council.

Mayor Rabie expressed her gratitude to the farmers for their patience and willingness to collaborate and confirmed that there is political will to make the project work while alternative land is being sourced.

It is the intention to also contact the Department of Rural Development to assist with the acquisition of land for the farmers.

Bekende 'Vrugte-man' maak klaar -Johan Viljoen-

Gansbaai se welbekende 'Vrugte-man', Johan (73) Viljoen en sy eggenote, Johline (68), het besluit om nou finaal af te tree. Johan staan al baie, baie jare met sy bakkie vol vars vrugte by Gansbaai Farmer's Market agter die Munisipale-kantore. "Ons laaste dag hier sal Donderdag, 31 Maart 2022 wees, dan gaan ons rus," het Johan gesê.

"Hulle kan nie onthou hoe lank hulle al vars vrugte daar verkoop nie, maar ek koop al vir die afgelope 22 jaar my vrugte by hulle," vertel Johan van Dyk van Gansbaai. "Ek was nog nooit teleurgestel gewees met wat ek gekoop het nie, dis altyd vars en gesonde vrugte."

Johan sê hy is oorspronklik van Grabouw, maar hulle woon al 38 jaar in Franskraal - en dis presies waar hy en vroulief nou gaan aftree en rustig raak. Johan was voorheen hoofsaaklik op plase betrokke. Onder andere was hy in 'n stadium vir 3 jaar 'n plaasbestuurder van 3 plase gelyktydig, hoofsaaklik met die verbouing van appels en perskes. "Ek het nooit my vrugte by markte gekoop nie," vertel Johan. "Alles het altyd vars en direk van die boere se plase af gekom." Gans-Berg Nuus wens Johan en Johline 'n rustige aftrede in Franskraal toe na so 'n lang tydperk wat hulle die gemeenskap met vars vrugte bedien het - baie dankie julle twee!

Eluxolweni is the adjoining informal and partly Township area to Pearly Beach. The nearest vet is in Gansbaai, on a Tuesday or a Thursday for 2 hours only. Stanford Vet does not offer any welfare facilities to Gansbaai and surrounds, and they cater to Stanford Animal Welfare.

Hermanus Animal Welfare or any vet offering Welfare rates in Hermanus, which is a 120km round trip, is mostly unattainable.

Most of the residents of this area cannot afford this or do not have the means or the transport to get animals to vets. In many cases due to neglect and abuse as well, dogs are left to suffer and often die slowly in this area. Puppies and roaming dogs are knocked over by cars often in this area and also more than not, left unattended. Some manage to heal and left with a deformity, others are not so lucky.

Unsterilised dogs is out of control in this area. Puppies are sold for a few rands or just given away to whoever. Many end up with sad and unhappy endings.

ROAR has been doing what is within its means in the past 2 years in this area, to see to feeding, dipping, de worming, rescue, vet care and rehoming. However, our means are limited, and we cannot do as much as we are called onto, which we often are. We need help with our two latest rescues.

....READY FOR THEIR FUREVER HOMES....

This is STONEY- about 3 months old male- He was always so hungry when our Field officer brought food in and came to check on puppies, that one day he promptly followed her home and refused to go back, no matter what. He is happy go lucky and will soon grow into his gangly legs. He loves to play and give kisses.

Stoney

This is GOOFY – about 4 month old male – he was one of 5 puppies that were abandoned in the bushes in pearly beach and found by our field officer.He was weaker and a little more stunted than the others, who once fattened up were transported to Gordens Bay Animal Welfare for vacinnations and adoption. He is now a ball of energy who loves to run and play, super intilligent and will grow into his gangly legs

Goofy

An adoption fee of R300-00 is required. Home checks will be done. All vaccination and sterilisation wil be agreed to in writing and for own account. Welfare rates will be arranged for this.
Please contact Dawn Meyer on 071 868 5566 if you wish to adopt one or both of these stunnig babies.

Robber sentenced to 8 years behind bars

A criminal from Blompark, Gansbaai, Christiaan Bezuidenhout (30) will spend a few years behind bars after he was convicted and sentenced. On 10 December 2020, he robbed a woman at knifepoint in Voortrekker Street, Gansbaai and forcefully robbed her of her cell phone. After intensive and good investigation, he was arrested and detained shortly after the incident. On 22 March 2022, he was convicted on a charge of robbery and sentenced to 8 years imprisonment.

The Station Commander of the Gansbaai SAPS, Lt/Col Coetzee welcomed the sentencing and commended the investigating officer, D/Sgt Pieterse whose thorough investigation resulted in a watertight case against the accused. This criminal reign has finally ended, and he will now spend a very long time behind bars.

We cannot afford to give criminals who brazenly terrorise our communities any room to breathe. It is clear they will stop at nothing to get their way, including audaciously attacking the vulnerable to succeed with their devious acts.

Boeresport soos van ouds
-Health & Active en Lomond Wynlandgoed-

Links en regs is Yolandi Kriel en Giselle Momberg saam met die 3km stap/draf wenners (vlnr): Heilie Kriel (3de), Ciske Kok (2de) en Heinrich Kok (1ste)

Drie kilometer draf/stap, drie-been-resies, lepel-in-eier-resies, toutrek en veel meer het alles deel gevorm van Saterdag, 26 Maart 2022 se gesellige Boeresportdag by Lomond Wynlandgoed.

Die dag is deur Pieta Botes en sy span van Health & Active Gansbaai, in samewerking met Lomond Wynlandgoed gereël. Die dag is afgeskop met 'n 3km stap/draf item – sekerlik om almal behoorlik 'wakker' te kry. Deelnemers kon stap, draf, hardloop of selfs met hul honde stap, solank almal dit net geniet het. Onder die meer haastiger deelnemers was die eerste drie wenners: 1ste - Heinrich Kok (15); 2de - Ciske Kok (11), broer en suster; 3de - Heilie Kriel.

Terwyl daar op die drawwers gewag is, is balle geskop en gegooi en dit was duidelik dat daar 'n aangename en gesellige atmosfeer onder almal geheers het, ook dié wat ontspanne die spulletjie sit en dophou het. Daarna was dit Sport.....Boeresport! Hierdie items het vir groot vermaak, aanmoediging en skaterlag onder die toeskouers gesorg.

Te oordeel aan die dag se gebeure, kan Health & Active se ongeskrewe leuse sekerlik as '*Leef Gesond en Wees Aktief*' beskryf word.

Prestap eindig met 'Color Run' -LSG se laaste skooldag-

Laerskool Gansbaai (LSG) se laaste skooldag voor die vakansie was sekerlik die prettigste ooit - geen skooldrag, boeke of tasse nie, 'n insiggewende bewaringspraatjie, 'n pretstap na Stanford's Cove en 'n jolige 'Collor Run' om die dag mee af te rond.

Hierdie vier gebeurtenisse, wat terdëe geniet is, is om die beurt deur die grondslagfase leerders en die intermediêre fase leerders ervaar, asook die ouers en onderwysers, behalwe vir die 'Color Run'. Die bewaringspraatjie is deur Pinkey Ngewu van *Dyer Island Conservation Trust* (DICT) in die skoolsaal aangebied. Die meelewende leerders het met hulle verskeidenheid van vrae aan Pinkey getoon dat hulle nog baie 'woema' oor het so op die laaste skooldag.

"Ons vier hierdie week die Nasionale Waterweek," het Pinkey gesê. "Ons veldtog is daarop gemik om die gemeenskap oor hul verantwoordelikheid in waterbesparings-inisiatiewe op te voed. Ook wil ons 'n bewustheid rondom die beskerming van die land se waterbronne kweek." Ten einde hierdie hulpbron te bewaar, het Pinkey Ngewu na 'n verskeidenheid van belangrike aspekte verwys. Haar fokus was gerig op die skade wat mariene-besoedeling in ons oseane, damme en riviere uitoefen en hoe die leerders van Laerskool Gansbaai kan bydra om die impak daarvan te verminder.

Die afronding van die interessante en jolige dag was die 'Color Run'. Die leerders het spontaan daaraan deelgeneem en was behoorlik 'ingekleur' vir die vakansie. Met die sterk wind wat die kleurpoeier versprei het, was dit later nie duidelik wie die meeste 'ingekleur' is nie - die leerders of die 'gooiers' (onderwysers) nie!

Die redaksie van die Gans-Berg Nuus wens die onderwysers en leerders 'n welverdiende vakansie toe.

Suksesverhaal - Rolbal vir Borskanker

Die mooi pienk-geklede Franskraal rolbalspelers.

"Ons is baie dankbaar vir 'n uiters suksesvolle rolbaldag wat ten bate van Borskanker, Reach for Recovery, deur Franskraal Rolbalklub aangebied is," vertel 'n opgewonde Annaleen Genade. "Almal het dit baie geniet en 'n pragtige bedrag is ingesamel wat aan ons Hermanus-/Gansbaai-tak oorhandig is."

Renet Grobler van die rolbalklub vertel dat Donderdag, 24 Maart 2022 'n besonderse dag vir die rolbalspelers was, sonder dat daar eintlik 'wenners' was. "Almal was wenners met die spontane gees wat geheers het, asook die pragtige pienk vir borskanker wat deur almal gedra is," vertel sy.

Tien spanne bestaande uit 30 spelers het aan die gesellige rolbaldag deelgeneem. Met behulp van baanfooie, lootjies vir 'n geskenkpak en donasies is die pragtige bedrag van R5 420.00 ingesamel. Reach for Recovery, by monde van Annaleen, het hulle opregte dankbaarheid teenoor die rolbalklub uitgespreek.

Renet Grobler en Phillip Fourie is as die twee Bes-geklede spelers aangewys. Hulle het elk 'n spesiale bottel vonkelwyn gewen, asook 'n spesiale Sertifikaat vir Deelname wat aan hulle oorhandig is. 'n Verdere bydrae tot die fondse wat ingesamel is, was die klub se bekende 'Spinwiel'. Dit is vir die lootjies vir 'n duursame geskenkpak gebruik. Annaleen vertel dat Renet die aanvanklike wenner was, maar dat sy die geskenkpak teruggegee het om opgeveil te word.

Die een wat toe met die geskenkpak weggestap het, is Selene Rossouw.

Reach for Recovery is deur Carla Lind, Weskaapse voorsitter, Annaleen Genade en Antoinette Jooste van die plaaslike tak verteenwoordig. In haar insiggewende praatjie het Carla verduidelik hoe hulle pasiënte in hospitale, na operasies, bystaan. "Reach for Recovery is 'n nie-winsgewende organisasie wat mense ondersteun wat met borskanker gediagnoseer is," het sy onder andere gesê.

Annaleen sê hulle is baie opgewonde oor die moontlikheid dat hierdie spesiale rolbaldag dalk 'n jaarlikse instelling kan word. "Terloops, Carla het agterna gesê dat Franskraal Rolbalklub se lede die vriendelikste groep mense is met wie sy nóg te doene gekry het," sê Annaleen.
