Gans-Berg Nuus sprei sy vlerke... -vlerke van aanlyn-sigbaarheid-

Gansbaai se weeklikse gemeenskapskoerant het, ná sowat amper twee jaar, besluit om sy vlerke te spreid en nóg verder uit te brei - tot voordeel en gerief van hulle lesers - met 'n Xplorio-profiel en groter aanlyn-sigbaarheid.

Xplorio Gansbaai en die Gans-Berg Nuus het besluit om hande te vat en saam te werk om mekaar in die gedrukte- en aanlynmedia te ondersteun. Hierdie groot stap beteken dat Gans-Berg Nuus nou 'n Xplorio-profiel op Xplorio Gansbaai het wat besigtig kan word.

Dit was 'onverskrokke' waagmoed wat deur Michelle van Zyl aan die dag gelê is toe sy twee jaar gelede 'n weeklikse gemeenskapskoerant vir Gansbaai, maar ook vir 'n groot deel van die Overberg, op 3 Julie 2020 die lig laat sien het - gedurende die hoogste vlak van die pandemie het ons koerant op winkelrakke geland! Intussen het Gans-Berg Nuus onder aanvanklike baie moeilike omstandighede van krag tot krag gegroei.

Twee hoogtepunte was die verskuiwing van ons kantoor op 30 Junie 2021 na die Protea Sentrum in Hoofstraat. Die pragtige groei van die koerant het groter kantoorruimte vereis. 'n Tweede hoogtepunt was ons tweetalige resepteboek, *Recipe & History Book*, 'n volwaardige 'koffietafelboek' wat uitgegee is. Nou het 'n derde hoogtepunt bygekom - die inskakeling by Xplorio Gansbaai met die Gans-Berg Nuus se eie Xplorio-profiel! Die afgelope twee jaar is

professioneel na besighede omsien in die verskaffing van aanlyn-dienste. Dit is so dat baie besighede nie 'n aanlyn-teenwoordigheid gehad het nie, totdat Xplorio 'n profiel vir hulle geskep het. Die nou reeds bekende Xplorio-platform het Gansbaai sonder twyfel gehelp om hoër aanlyn-sigbaarheid te verkry.

Verdere goeie nuus vir die reeds bekende Gans-Berg Nuus, is dat Xplorio hierdie gemeenskapskoerant nou bystaan om hulle handelsmerk in Overberg se 18 dorpe, wat deur Xplorio gedek word, gevestig te kry. Deur 'blogs' op ons Xplorio-profiel te plaas, bereik ons meer

gekenmerk deur uiters moeilike omstandighede waardeur almal moes worstel, insluitend besighede. Tog was dit opvallend hoe die gemeenskappe van die Overberg, maar veral dié van Gansbaai, gedurende hierdie moeilike tydperk saamgestaan het.

Xplorio is reeds in 2012 gestig en is dus al 10 jaar in bedryf, met sowat 60 000 besoekers per maand op Xplorio Overberg, en sowat 20 000 op Xplorio Gansbaai - met 'n personeelkorps wat in alle opsigte

dorpe as net die Groter Gansbaai om sodoende hoër aanlyn-sigbaarheid te verseker. Dit is dan ook juis die hoofdoelwit van Xplorio: om besighede en ondernemings deur middel van 'n Xplorio-profiel te help om hul aanlyn-sigbaarheid te verhoog. Xplorio is tot almal se beskikking: nie-winsgewende organisasies, klein- en groot besighede, asook enige ander onderneming, organisasie, skool, kerk en veel meer.

Aanlyn is die beste manier waarop mense deesdae kan vind waarna hulle soek. Jou aanlyn-teenwoordigheid moet dus 'n uitbreiding van jou besigheid wees - dit beteken dat jou aanlyn-teenwoordigheid 'n spieël moet wees van wat in jou besigheid aangaan. Wanneer mense jou aanlyn vind, moet hulle gemotiveerd voel om met jou te kommunikeer en om jou onderneming persoonlik te ondersteun en te besoek.

Op hierdie wyse wil Xplorio seker maak dat Gansbaai, en in die besonder ons Gans-Berg Nuus, aanlyn verteenwoordig word, soos wat dit in die werklike lewe die geval is. Dit sal ook

motivering vir besoekers wees om ons dorp te kom besoek - ons wil die dorp in geheel bemark, insluitend alle aktiwiteite, restaurante, besighede, akkommodasie en natuurlik die dorp se weeklikse gemeenskapskoerant, die Gans-Berg Nuus, waar vars nuus weekliks op winkelrakke beskikbaar is.

Obtaining a rates clearance certificates from Municipality

When selling your property, a rates clearance certificate is one of the documents needed by the conveyancing attorney to lodge the transfer at the Deeds Office.

Applications for rates clearance certificates are handled by a conveyancer (attorney) and never by the seller.

Overstrand Municipality processes up to 350 clearance certificates in any given month. It could take up to 10 days from the time the Municipality receives your application, for the outstanding figures to be issued. If the outstanding monies are paid immediately, the clearance certificate could be issued within the next following 10 days.

The clearance process:

The seller is responsible for making sure that all outstanding amounts owed to the Municipality, is settled. Overstrand Municipality will only issue a clearance certificate once it has received a completed prescribed application form, together with all required documentation from the conveyancer (attorney).

Rates clearance applications for properties without any improvements (vacant erven) require an initial inspection by the Fire Department before the conveyancer is notified of any outstanding

amounts payable. Should the vacant stand be declared a fire hazard, a plot-clearing deposit will be added to the advance collections, unless the property is cleared, re-inspected and declared fire-hazard free by the Fire Department. The inspection fee is R233 and the plot-clearing administration fee is R1 345.73 VAT incl. till 30 June 2022 (plus the actual cost of clearing the plot).

The cost for electronic applications via Ratesclearance.com or L@W amounts to R186. Make sure your attorney has access to either of these electronic systems as it is much cheaper to do it electronically. Manual applications via e-mail amounts to R588. Amounts include VAT and will be applicable for the period up to 30 June 2022. On the sale of any property within Overstrand's jurisdiction, the Municipality will delay the transfer of a property by withholding a clearance certificate until such time as all rates, service and sundry charges and any estimated amounts payable on the property for the duration of the validity of the certificate, are settled in full.

The validity period of a rates clearance certificate is 60 days and the amount due for payment will include three months' advance collections plus all current outstanding debt on the property.

Upon receipt of the completed rates clearance application form, the Municipality has 10(ten)

working days to forward the amount due for payment and a further 10(ten) working days to produce the rates clearance certificate once proof of payment has been established.

Where a debtor has entered into an arrangement with the Municipality in respect of the arrears on a property, the prescribed certificate as referred to in Section 118 of the Systems Act, will not be issued until such time as the full outstanding amount has been settled.

Sellers are also reminded to ensure that disconnection forms are duly completed where properties are equipped with water and/or electricity meters, so that these can be transferred to the new owner (the buyer).

Similarly, buyers of properties that are equipped with water and/or electricity meters, are reminded to complete connection forms. These forms are available on our website. Go to www.overstrand.gov.za, click on Documents, click on Forms, click on Revenue Application Forms. For queries, phone the Municipality on 028 313 8000 and ask for the Rates and Data Control Office. Alternatively send an email to enquiries@overstrand.gov.za.

Media Release: Speaker Mnqasela Led Anti-gbv March In Hermanus

On Monday 04 April 2022, The Speaker of the Western Cape Provincial Parliament (WCPP), Honourable Masizole Mnqasela, led an Anti-Gender Based Violence (GBV) march in Hermanus, in a bid to call for justice for Sisipho Mayile.

Sisipho, a matric student at Qhayiya Secondary School in Zwelihle, went missing on 16 January, and her body was found on 25 January, in the bushes near Camphill Bridge in Hermanus.

Honourable Mnqasela in his capacity as the DA Constituency head of the Overstrand Municipal area, and the community at large handed over the memorandum of demands to the SAPS Provincial Commissioner, Major General Thembisile Patekile.

During the march in front of the Hermanus Magistrates Court, Hon Mnqasela says he has been pleading with the community to not take law into their own hands and have not been asking much from the SAPS Commissioner but for the police to be hard at work and arrest the perpetrators of this crime.

"We said in February on our second march, that we want to get the SAPS Provincial Commissioner here. We said we want to see the police in Hermanus not only them working in this case because some of them, we do not trust. We said some of them we believe they work somewhere with some criminals, and we do not want that," Hon Mnqasela says.

He says they also pointed out that there are many good police men and women in that police station, but they are sceptical because in the past crimes have been reported but did not see much action from the SAPS.

"Now we heard from everybody who spoke here, Mr Commissioner, I do not know what else people should ask for. I do not know whether we work better when people take law into their own hands.

He says he was a sacrifice to the community, pleading with them to not take law into their own hands and the community listened, but now we would like to see the police doing their job.

Overstrand Executive Mayor, Dr. Annelie Rabie says they believe that it should not be necessary for anyone to have these kinds of marches for SAPS to actually do their work.

"We would like to have a progress report on 'have

they found anyone?' because we believe previously two people have been arrested and released," says Rabie, as she asks what the true facts are?

She says today's march underscores again that no one is above the law. If it is a party or part of an organized crime activity, tell us so that we know what we are dealing with.

"If it is about someone just being nasty and just killing a person in cold blood, tell us so that we know what we are dealing with. But trust the community of Overstrand - because with us we can solve problems," she says.

Patekile has urged the community to report GBV violence, so that it is easy for them to work around the clock and arrest the perpetrators.

Patekile says they are working around the clock on the case. "I want to request you. I want to request all of us here, especially men. Men are the perpetrators of gender based violence. I mean, the jails are filled with men. I have not seen women. Maybe they are, but they're few. We as men, we need to have a discussion. We need men to go and talk as men."

ANC Councillor Connie Tafu-Nwoko says the community is tired, and had enough of this. "The police must work hard to arrest the Sisipho's killer."

Sports Therapy Gansbaai -Sean Brehm-

"Part of my motto is to believe it is very important to fix, heal, repair or just relax a client so that they feel special," says Sean Brehm, a qualified Personal Trainer and Sports Therapist. "I go out of my way to help where I can and to keep the client happy." Sean's Sports Therapy Studio Gansbaai, opposite Gansbaai SAPS, will officially open in April 2022. His first studio is in Durbanville which he has expanded to Gansbaai. "Maybe because I am original from Caledon, but mainly because I fell in love with a beautiful Gansbaai lady!" The good news about this studio in Gansbaai is that elderly people will be most welcome to join.

Sean says sports massage therapy forms an important part of an athlete's pre- and post- and inter-event training strategies. "There's nothing worse than going in to have all your aches and pains ironed out and you encounter a therapist who adds extra pain or gives you such a gentle rub that you doze off," he says. There are key differences in some technical aspects and aims of a normal massage versus sports therapy. A

normal massage is more superficial compared to the deep stimulation of a sports massage.

Sean is a 55-year-old fitness fanatic, who has been in the sports industry for many years. He is very active with cycling, running, swimming, hiking, to gym and enjoys the outdoors.

Sean studied at Loots Academy many moons ago (1989 -1990). He also is a qualified Sports Massage Therapist who got a Level 4 Certificate in 2000 from VTCT and a Level 3 Diploma in 2003 from ITEC. Believe it or not, Sean is also a qualified Chef who helps train clients to reach their goals whether it is to put on weight or to lose because eating the correct foods is 80% of your goal.

Infrared techniques

The infrared is a low-frequency light that improves the circulation of oxygen-rich blood in the body, promoting faster healing of deep tissues relieving pain, and inflammation, and protecting against oxidative stress. It enhances cell regeneration to the site of injury hence promoting cell repair.

Acupuncture techniques

The acupuncture pen is a small handheld device that stimulates the key meridian points on the body to help heal and relieve aches

and pain. The device transmits electrical pulses and is similar to using acupuncture needles. The difference between this device and the needles is that the pen therapy is stimulating an acupressure point without penetrating the skin. An acupuncture pen uses no needles.

An interesting outcome of the interview with Sean is that Melissa van der Merwe, Graphic Designer at Gans-Berg News will be his first client - all for free!

For any enquiries contact Sean Brehm at 084 344 2782 or send an email to him at sportstherapydurbanville@gmail.com. His website can be visited at www.sportstherapydurbanville.co.za.

Nuus vanuit Gansbaai Primêr

"Wat gaan ek vir Gansbaai Primêr doen en NIE wat gaan Gansbaai Primêr vir my doen nie," is Gansbaai Primêr se belangrikste doelwit vir 2022.

Gansbaai Primêr in Blompark het lanklaas van hulle laat hoor. "Dit gaan goed en ek is dankbaar die pandemie-tydperk nader sy einde," het die waarnemende skoolhoof, Neil Pedro gesê. "Ons is opgewonde oor ons prestasies en ook sportprestasies."

Lianna Morrison ontvang 'n blyk van waardering van me Klaassen.

Totsiens aan Liana Morrison

Na 14 jaar se getroue diens aan die skool, leerders, personeel en die gemeenskap van Gansbaai Primêr, moes afskeid geneem word van Lianna Morrison, skoolsielkundige. As gevolg van 'n tekort aan befondsing, sal sy nie meer die skool kan besoek nie. Liana was 'n ware steunpilaar vir een en elk by Gansbaai Primêr. Sy het op verskeie maniere almal se lewens met haar kennis en vaardighede kom verryk. Die personeel en leerders wens haar alle voorspoed toe vir die toekoms en hoop van harte dat sy moontlik weer haar paadjie na Gansbaai Primêr sal vind.

Walkerbaai Netbalproewe

Gansbaai Primêr se dogters o/11-o/13 het onlangs aan die jaarlikse Walkerbaai Netbalproewe deelgeneem. Daar was 21 netbaldogters van o/11-o/13 wat aan die proewe deelgeneem het. Gansbaai Primêr se dogters word hartlik geluk gewens met hierdie prestasie. Fatima Wildschut (o/11) word alle sterkte toegewens vir die

volgende Overberg Netbalproewe.

Munisipale Leesprogram vorder goed

Die projek, Lees om te Lei, is 'n program wat deur Hawston Biblioteek in 2012 vrygestel is. Die projek het soveel vrugte afgewerp, dat dit intussen vergroot is en het ten doel om leerders wat met klanke en lees sukkel, te help. Leerders kry weekliks 'n 15 minute periode om aan die projek af te staan. Die fokusarea is Gr 1 en 2 leerders. Die programleiers is me Sauls en Edna van der Linde van Gansbaai Biblioteek.

Skoolveiligheid

Die skool het hul waardering uitgespreek vir die ondersteuning van Gansbaai SAPD in hierdie belangrike saak. Betrokkes was Gansbaai SAPD, Overstrand K9-Eenheid en Lt.Kol. Coetzee van Gansbaai SAPD se Overberg Patrol Officers (OPO).

Vissermanne vorder stadig maar seker met hul versoeke

Pieter du Toit, sameroeper.

Na 'n derde vergadering tussen 'n afvaardiging van Gansbaai se vissermanne en CapeNature op 31 Maart 2022, lyk sake nog meer positief vir die vissermanne. Die aangeleentheid spruit voort uit 'n aanvanklike massa-vergadering deur meer as 100 ontstoke vissermanne en CapeNature op 21 Februarie vanjaar. Die drie inisieerders van die massa-vergadering was Pieter du Toit, Chris (Goebels) Geldenhuys en Sammy Brett. Na afloop van die vergadering is 'n vissermanskomitee aangewys vir verdere besprekings met CapeNature. Die aanvanklike klagte het primêr gegaan oor die onverwagse sluiting van ou en bekende paaie wat al vir dekades deur die vissermanne gebruik word.

'n Eksterne vergadering het daarna deur CapeNature en ander rolspelers op 16 Maart 2022 plaasgevind, met die belofte dat hulle 'n herontmoeting met die vissermanne sal reël. Woord is gehou en die vergadering met

afgevaardigdes van die vissermanne op 31 Maart blyk nog meer positief te wees.

Pieter du Toit, sameroeper van die vissermanne, het Gans-Berg Nuus meegedeel dat hy baie meer positief voel, selfs al is hulle nog ver van finaliteit af. “Tydens hierdie vergadering is nog net Die Plaat by De Kelders en Die Gruis bespreek. “In die geval van Die Plaat, mag die pad wat tans beskikbaar is, wel gebruik word tot by die laaste klip waar Voorste Klip begin,” het Pieter gesê. “Die kusgedeelte by Vyeklip mag nie gebruik word nie, maar wel die bestaande twee-spoorpad agterom.

Die Gruis se paaie is in diepte bespreek. Op die lugfoto (hiernaas) word die goedgekeurde roete met rooi aangedui. CapeNature het onderneem om in die nabye toekoms area-kaarte, soos op die foto gesien kan word, uit te reik wat die situasie baie sal vergemaklik. Feitlik al die paaie wat die vissermanne al vir jare by Die Gruis gebruik het, mag steeds gebruik word. Die enigste verskil is dat die stoppunt by die Kruis is en nie by Antjie se Klip nie. Vanaf die Kruis mag daar nie verder gery word nie. Tans is daar geen optrede deur beamptes by Die Plaat en Die Gruis indien daar op die aangeduide paaie gery word en nie op die sand nie.

Pieter het ook op die belangrikheid van reëls by hekpunte gewys. Tans is daar twee hekke: Die Gruis en Die Plaat. “Daar moet by die aangeduide tye gehou word,” sê Pieter. “Vissermanne moet aandring op die bewysvorm ten bedrae van R60 wat uitgereik moet word. Dieselfde bewysvorm moet ook vir 'n Wild Card uitgereik word.” Hierdie dokumente moet getoon word indien die bestuurder deur 'n beampte voorgekeer word om 'n boete te vermy. Vissermanne moet daarop let dat, indien hulle

voor die amptelike tyd van 07:00 deur die hek ry en voorgekeer word, 'n boete ook uitgereik sal word.

Pieter sê wat ook in gedagte gehou moet word met die uitgerekte besprekings, is dat dit nie net van CapeNature se besluite afhanklik is nie. Daar is ook ander rolspelers wat vir goedkeurings genader moet word, soos privaat grond-eienaars en Eskom wat almal moet saamstem voordat drastiese besluite geneem kan word. Toegang vir vissermanne by Soetfontein en Quin Point is steeds taboe, aangesien dit reservate is.

Niemand is gemagtig om daar te ry nie.

“Ons is steeds in 'n proses van onderhandelinge oor enkele voorstelle,” het Pieter gesê. “Ons vra dus namens CapeNature die vissermanne en die publiek se samewerking en ek onderneem om almal op hoogte van sake te hou soos wat die onderhandelinge vorder.”

The National Lotteries Commission Of South Africa (nlcsa) Funds A Grant To I-med Africa

I-MED AFRICA is the proud beneficiary of a NLCSA grant in 2022 focussed on small scale farming projects in communities to assist with combating hunger, creating income and supplying nutritious meals to the impoverished.

I-MED AFRICA is a non-profit organisation, established in 2019 with the vision of reducing and combating childhood mortality by presenting health education to the public, training community health monitors and establishing community and home gardens in the surrounding villages of Gansbaai.

The Health-e-Garden Project consist

of weekly theory training, weekly practical training, and provides a community garden and home garden to all students. Currently 35 students are enrolled in the program and are competing to be part of the top 10 students who will receive entrepreneurship skills training in the 2nd phase of the program.

The community garden and home gardens follow organic principles ensuring minimal environmental impact and high nutritional levels. Practices are based on comprehensive research into limited space food production, ensuring high yields with low material/financial input. Low-cost methods aim to build healthy soil, conserve water and utilise rubbish and recyclables in an environmentally responsible way.

Regular support visits over 12 months follow training to ensure the longevity of each home garden. These support visits, combined with access to expertise form part of the long-term support strategy to secure the success of this project.

Gretha Hanekom, the Managing Director of I-MED AFRICA says: "We are thrilled to have received such extensive funding from the NLCSA. The funding will enable our team to focus intensively on empowering the local communities to grow their own nutritious vegetables, herbs and initiate a social community enterprise of drying and selling herbs locally.

For interviews and more information, contact Gretha Hanekom at gretha@imed.ngo

'Warriors Walk' rek bene in Uilenkraalsmond -Darius du Plessis-

Die dapper stapper van Stilbaai, Darius du Plessis (32), het Sondag, 3 April 2022 bietjie bene gerek in Uilenkraalsmond. Hy het sy staptog in Gordonsbaai begin en beplan om tot in Port Elizabeth te stap.

By Uilenkraalsmond is hy deur Nick van Eenden se verloofde, Nicky du Plessis ingewag - nie uit nuuskierigheid nie, maar Darius is Nicky se neef. "Ons het mekaar tien jaar laas gesien," het Nicky gesê. "Ons pa's is broers en toe ek besef dit is Darius wat die staptog onderneem het, het ek gereël dat ons mekaar hier ontmoet." Darius kon ongelukkig nie daar oornag nie, aangesien hy nog 'n paar kilometers vir die dag gekort het om by sy stapprogram te hou - hy moes na die gesellige wedersiens voor donker in die pad val.

Darius du Plessis en sy niggie, Nicky du Plessis in Uilenkraalsmond.

Waarom die uitmergelende staptog van meer as 1 000km so op sy eie? "Ek het by my suster van 'n tragiese geval gehoor," vertel Darius. "n 4-jarige kind van Pretoria was jonger as 'n jaar toe hy ernstige beserings tydens 'n motorongeluk opgedoen het." Die gevolge was van so 'n aard dat die kind waarskynlik nooit 'n normale lewe sal kan lei nie. Darius sê hy het hom nie daaraan gesteur nie en besluit al kan die fondse wat hy insamel net tot beter mediese hulp en -toerusting bydra, sal die staptog vir hom die moeite werd wees - "Ek ken die kind ook van geen kant af nie."

Op 31 Maart 2022 het Darius, gewapen met sy oproltentjie, rugsak en stapstok sy fondsinsamelingsprojek vanaf Gordonsbaai aangepak. Die oproltentjie se penne het hy in Bettiesbaai weggegooi. Hy sê dit het nogal swaar begin raak! "Ek wou spesifiek die roete in April doen, aangesien dit my verjaarsdagmaand is," vertel hy met 'n breë glimlag. "Ek word 32 op 24 April vanjaar."

Darius vertel dat die afstand wat hy stap met die N2 langs sowat 1 000km is. In sy geval is dit nader aan 1 500km, aangesien hy van ompaaie gebruik maak en so veel as moontlik kuslangs stap. Op die pamflet wat hy langs die pad uitdeel, kan die volgende wyse woorde gelees word: "Together we can make a difference. The more you want the more you can. I'm here to remind you about all the things we take for granted. Stop for a moment and think how much do we take for granted - it can happen to anyone!"

City Nature Challenge 2022: Southern Africa

Die City Nature Challenge 2022 vind hierdie jaar plaas van 29 April tot 2 Mei. Dit is 'n internasionale initiatief waaraan meer as 400 stede dwars oor die wêreld deelneem. Negentien stede (of streke) in die Suiderlike deel van Afrika neem vanjaar deel. Ons is gelukkig dat ons naby aan twee sulke streke bly - die Southern Overberg en die Overstrand. Beide neem vir die eerste keer deel en vra graag jul ondersteuning.

Enige persoon mag dus deelneem, binne enige deelnemende streek. Jy mag selfs aan twee streke deelneem. Solank jy net jou waarnemings doen binne daardie streek. Jy benodig 'n smartphone met GPS en 'n internet koneksie. Laai die iNaturalist App af op jou foon en registreer as 'n user. iNaturalist is die inisiatief van [California Academy of Sciences](#) en die [National Geographic Society](#). Dit werk soos 'n virtuele museum of biblioteek en is 'n uitstekende

instrument wat soos 'n pak esel data rond dra totdat waarnemings hoë kwaliteit status bereik wat vir wetenskaplike doeleindes gebruik kan word, soos SANBI se SA Redlist of plants and animals of conservation concern.

Boonop geniet deelnemers dit om deel te wees van hierdie hele proses. Hul voel hul kan regtig 'n verskil maak aan die bewaring van ons land se biodiversiteit. Dit is ook lekker om meer tyd buite te spandeer in die natuur deur foto's van lewendige spesies te neem wat wild in die natuur voorkom soos fynbos blomme, skoenlappers, voëls, insekte, visse, skilpaaie ens. Hierdie fotos word dan opgelaa as waarnemings op iNaturalist deur die App op jou foon of deur die iNaturalist website. Die mikpunt is om jou waarnemings geïdentifiseer te kry met die hulp van die iNaturalist gemeenskap wat bestaan uit plaaslike kenners en dikwels bewaringsdeskundiges en bekwame

Botaniste van ons land. Dit is nie ongewoon dat John Manning, Chris Whitehouse of Tony Rebelo jou waarnemings sal bevestig nie. Dis nou indien dit korrek is. Anders moet jy teruggaan en jou foto's vergelyk met wat beskikbaar is in die virtuele biblioteek.

So ons nooi u uit, kom spandeer tyd in die natuur, en neem deel aan die City Nature Challenge vanjaar. Dis groot pret vir families. Begin solank eksperimenteer en onthou jy kan 'n verskil maak deur deelteneem!

Indien jy meer wil uitvind en hoe iNaturalist werk, woon gerus SANBI's citizen scientist span se series elke Woensdag van 30 March tot 27 April by. Sien dit op iNaturalist Facebook page: <https://www.facebook.com/iNatureZA/events/>

1 Ton 'CFM'-hondekos vir BARC

Dit was 'n vreugdevolle geleentheid vir BARC (Birkenhead Animal Rescue Centre) toe 1 000kg ('n hele ton!) hondekos onlangs by die dierehokke afgelaai is. Hierdie aflewering het voortgespruit uit 'n suksesvolle projek, 'Feed-a-Stray-community-drive' deur CFM Wireless, Caledon FM en Anré's Begrafnisdienste. Die 'rondreisende' aanbieders se laaste gazebo-opstaan was in Gansbaai op die hoek van Hoof- en Voortrekkerstrate.

Die voorrade wat ingesamel is, is gelykop tussen die onderskeie dorpe se dierebeskermingsverenigings verdeel. Dit kon toe by die onderskeie punte afgelaai word. Pieter Visser van CFM Wireless het die aflewering persoonlik gedoen. Hy is deur Wiaan Calitz en Elderick Spandiel vergesel. Julian April van Anré's

Wiaan Calitz en Pieter Visser van CFM Wireless.

Begrafnisdienste het in Gansbaai by hulle aangesluit.

Groter Gansbaai het die pragtige hoeveelheid van 2 365kg hondekos ingesamel. Debbie Watson, aanbieder, het haar talente gewys waar dit by insamelings kom. Sy het beroepe, instansies en besighede behoorlik teen mekaar 'opgesweep' met uitdagings wat sy oor die radio letterlik uitgeroep het. In Gansbaai het Eagle Security van Annerie Carstens en Lizette Vosloo 'n enorme rol gespeel.

Armed robbery -Arrests within 1 hour-

On Friday, 2 April 2022 at 11:58, the complainant (a gardener) was at his place of employment. Six males, 2 white males and 4 African males, ranging between the ages of 20 and 60 years, approach him with a firearm and force

him to open the gate. The complainant, the cleaner and three other males on the premises were tied up.

The suspects stole property with an estimated value of R50 000.00 and fled the scene in a Quantum Panel Van. Leads were quickly followed up and the suspects were spotted on the route to Struisbaai. The suspects were arrested in Struisbaai and the stolen property was recovered. An additional case of Possession of Stolen Property was opened by Struisbaai SAPS.

One of the suspects was also wanted on a warrant of arrest on a Gansbaai case of February 2020 for possession of a dangerous weapon and assault on a police official.

The suspects appeared on Monday 4 April 2022 in the Hermanus Court on which bail was opposed.

Redaksionele kommentaar:

Telefoniese navrae is deur Gans-Berg Nuus aan die betrokkenes gerig. Ten einde nie enige verdere ondersoeke te belemmer nie, of die betrokkenes in gevaar te stel nie, word daar nie na enige persoonsname en/of plekke verwys nie.

Die eienaar het bogenoemde inligting bevestig en is vol lof vir die blitsige en doeltreffende optrede deur die plaaslike polisie wat tot die inhegtenisname van die oortreders gelei het.

Gans-Berg Nuus is meegedeel dat een van die werknemers gedwing is om die hek oop te sluit. Toe hy onraad vermoed het hy die eienaar, wat nie op die perseel was nie, probeer skakel. Sy foon is by hom afgeneem, maar die oproep is wel deur die eienaar ontvang, wat besef het daar is groot fout. Op sy beurt het die eienaar 'n ander werknemer geskakel sodat hy en sy twee werknemers kan gaan kyk wat aan die gang is.

Met sy aankoms is hy in die bakkie met 'n vuurwapen teen sy kop gedwing om uit sy

voertuig te klim. Hy en sy werkers moes op die kombuisvloer gaan lê om hulle hande agter die rug vas te bind. "In my geval kon hulle nie daarin slaag nie en moes my hande agter rug vasmaak met 2 kussingslope," het hy gesê. Hulle is na die badkamer geneem, waar hulle die ander werknemers ook vasgebond op die vloer gevind het. "Ek kon daarin slaag om myself te bevry nadat hulle weg is en die ander ook los te maak." Die badkamerdeur was gelukkig nie gesluit nie. Die rowers was reeds op pad en hy kon die voertuig wat op die perseel was gebruik om na 'n naby geleë besigheid te ry om die SAPD te skakel. Daarna het dinge baie vinnig met die hulp van die veiligheidskameras op die perseel gebeur, soos wat in die polisie-verklaring gesien kan word.

Die betrokke werknemer het gesê dat dit die tweede keer in sy lewe is waar hy in 'n gewapende rooftog met 'n vuurwapen teen sy kop betrokke was. "Die vorige keer was dit in Johannesburg en hierdie gebeurde in Gansbaai het my met koue rillings aan die vorige keer laat terugdink," het hy gesê. "My enigste raad wat ek kan gee, is dat rowers nooit in die oë gekyk moet word nie, moet ook nooit rondkyk om te sien wat hulle doen nie en moenie praat nie - dit kan jou lewe red."

Waardering oor munisipale werkers se 'Omgee'

"Daar is nog mense wat omgee, wat 'n riem onder die hart vir 'n mens is," sê Hannes van der Merwe van Kleinbaai. Sy eggenote, Nellie van der Merwe, het op Dinsdag, 5 April 2022 buite hulle huis geval. Hannes sê sy het baie hard geval en Cassie Carstens van OMR (Overstrand Medical Rescue) is van mening dat sy moontlik van haar ribbebene gebreek het. Nellie is per ambulans na Hermanus Provinsiale Hospitaal geneem.

Hannes vertel dat daar 'n groep Overstrand Munisipale werkers in Duikerstraat besig was om te werk. Hulle het gesien wat

gebeur het en het haar te hulp gesnel. "Vir hierdie mooi en omgee-gebaar deur hulle, wil ek graag baie dankie sê," het Hannes aan Gans-Berg Nuus gesê. "Indien dit nie vir hulle was nie, kon die gevolge dalk erger gewees het."

Die munisipale werkers wat opreg deur Hannes bedank word, is: M Dunjwa, Sanidile Vergotine, Mapukata Mthetheleli, Sibusiso Mali, Sammy Memanie en J Opperman.

Overstrand Dam levels are dropping

Overstrand Municipality is calling on residents to continue using water in a responsible manner in order to avoid future water shortages.

Although there are currently no formal water restrictions in the Overstrand, the Municipality has a permanent provision that prohibits residents from irrigating gardens between 09:00 - 17:00 in order to prevent unnecessary loss of water through evaporation as per the water services by-law no. 46.(1).

The Overstrand receives its water from six dams and several springs, boreholes and rivers.

The De Bos Dam in the Hemel-en-Aarde Valley, is the Greater Hermanus' main water source apart from the 12 boreholes.

The De Bos Dam is currently 87.4% full compared to 86,01% by end March 2021 and a very low 41.94% at the end of March 2020.

The average daily water consumption in Hermanus during February 2022 was 13.17 million litres per day,

compared to 12.58 million litres per day during February 2021 and 10.79 million liters per day during February 2020, when level 2 water restrictions were still in place.

Rooi-Els, Pringle Bay and Betty's Bay are supplied from the Buffels River Dam, Kleinmond from the Palmiet River, Gansbaai from the Kraaibosch Dam and the Grotte and De Kelders Springs, Stanford from the Eye Spring and two boreholes, and Pearly Beach from the Pearly Beach and Koekemoer Dams.

The Buffels River and Kraaibosch Dams are still above 85% of capacity, while the combined level of the two dams at Pearly Beach is at 65% of capacity.

Overstrand Municipal Manager, Dean O'Neill says the water levels are being constantly monitored, and appropriate steps will be taken if deemed necessary.

In an effort to maintain a culture of water conservation, we have a collective responsibility to use water

sparingly. This means thinking about water differently and finding more efficient ways of using it.

Let's try to make a difference:

Do not leave taps dripping
Wash your car on the grass, this will water your lawn at the same time
Shorten your showering time
Close the tap while brushing your teeth
Take shallow baths
Re-use water to water your garden or pot plants
Limit washing the dishes to once a day
Check for leaking taps and/or connections and repair it
Where possible install water efficient fittings and technologies

Residents are advised to continue to report all burst pipes and leaking water meters to the 24-hour Control Room 028 313 8111.

Hermanus community march against GBV

Overstrand Executive Mayor, Dr Annelie Rabie, and fellow councillors joined the Speaker of the Western Cape Provincial Parliament, Masizole Mnqasela as Constituency head of the Overstrand Municipal area, on their third Anti-Gender Based Violence (GBV) march in Hermanus, for a bid to call for justice for Sisipho Mayile.

Sisipho, a matric student at Qhayiya Secondary School in Zwelihle, went missing on 16 January, and her body was found in the bushes near Camphill bridge in Hermanus on 25 January. "I am calling on communities across the Province to stand up and speak out against all forms of GBV and domestic violence. If we keep silent, the war will continue to be waged as frustrations of lockdown and alcohol abuse rise to exacerbate the crises," said

Speaker Mnqasela.

The march was also aimed at sending a clear message to SAPS to drastically increase their efforts in combatting and investigating gender-based violence cases in the Overstrand.

Mayor Rabie said that it should not be necessary for anyone to have "these kind of marches" to encourage SAPS to actually do their work.

She also requested a progress report on whether someone has been arrested or not; was it part of an organised crime or just someone being nasty. "Tell us, so that we know what we are dealing with".

"Trusting one another is the only way forward with this matter otherwise we are creating factions and groupings that are not conducive to promoting woman's rights to make informed decisions for herself in a secure and safe environment," the Mayor concluded.

Dis lekkerr Basaartyd

Dis alweer basaartyd en dis sonder uitsondering altyd 'n lekkerr tyd om na uit te sien.

Eerste aan die beurt is Pearly Beach se NGK-basaar op Saterdag, 16 April 2022. Dis die moeite werd om daarheen te ry - dis jaarliks altyd 'n pure plaasbasaar met iets van alles.

Tweede aan die beurt is die NG-gemeente Gansbaai op Saterdag, 30 April 2022. Gewoonlik moet daar vroegoggend opgedaag word of dit is neusie verby met alles wat lekker is.

Raak solank lus vir lekkernye soos jaffles, boereworsrolle, sosaties, koeldrank, kleinkoekies, groot koeke, melkterte, pasteie, vetkoeke, poedings, pannekoek, potjiekos - neewat! Hopeloos te veel om op te noem. Dan is daar nog naaldwerk, speelgoed, 'n wit olifanttafel, groente, plante en baie meer - moet nie een van hierdie basare misloop nie.

HaS-Winkel

HaS beoog 'n interessante winkel van hul eie wat byna soos 'n tuisnywerheid bedryf sal word, sodra groot genoeg spasie daarvoor gevind kan word. Die winkel het reeds in die klein begin - somer by die toonbank neffens die voordeur, maar daar word beplan om uit te brei.

Voorraad sal net uit nie-bederfbare eetgoed, soos koekies, ingelegde vrugte, tuisgemaakte konfyte en dies meer bestaan. 'n Beroep word op vrywilligers gedoen om in te skakel met die verskaffing van voorraad teen 'n kommissie.

Navrae kan aan die Tehuis by 028 384 0501 gerig word.

Funksie met 'Sirloin Steak' -Birkenhead Boothengelklub-

'n Funksie met De Wet Giliomee en Steve Muller as die braaiers van sappige 'sirloin steaks' is op sigself 'n wenresep. *Bykomende bestanddele:* Elize Burger se bykosse; Jan Lourens se Musiekfabriek vir voetejukk-musiek; geluktrekkings; goeie en gesellige geselskap; 'n bekostigbare kroeg; nuwe lede wat ingelyf word; prysoorhandigings vir boothengelkompetisies;

trofee-oorhandiging aan 'n wenner rolbalspan, bestaande uit hengelaars. *Metode:* meng die bestanddele en 'bak' vir 'n Saterdagagaand tot laataand teen lae hitte wat mettertyd al hoër kan word. *Eindproduk:* 'n funksie wat nie maklik geëwenaar kan word nie!

Sowat 70 lede en gaste het vir Saterdagagaand, 2

April 2022 vir die funksie opgedaag - die meeste sedert die begin van die pandemie - 'n teken dat mense uitgehonger is vir 'n behoorlike kuier. Meer kan nie oor so 'n spesiale aand gesê word nie.

Twee enkeldames in De Kelders beroof

“Ek het so teen 06:00 wakker geword en gesien die battery van my selfoon is pap,” vertel 'n 77-jarige huiseienaar van De Kelders. “Ek het die foon op laai gaan sit en verder gaan slaap.” Haar 70-jarige niggie van Hermanus, wat by haar kuier, het om en by dieselfde tyd opgestaan om haar medikasie te gaan drink en ook weer verder geslaap. Vir die beskerming van hierdie dames, word hul persoonsname nie genoem nie.

So teen 06:30 het die huiseienaar opgestaan en gesien haar selfoon, wat feitlik langs haar was, is weg. Haar niggie het ook opgestaan en

agtergekom haar selfoon is ook weg, asook haar handsak, met die beursie, kaarte en R500 kontant daarin. Hulle het verdere onraad vermoed toe hulle sien dat daar iets by die gordyn fout is en dat die venster aan die straatkant oopgebreek is. Die handsak is op die stoep gekry waar dit uitgeskud is, waarna die inhoud gevat is.

'n Buurman het aan die deur kom klop om te hoor of alles reg is, aangesien hy twee mans vroeër op die stoep gesien het. Gansbaai SAPD is gekontak en die saak word ondersoek. “Ek sal 'n berig hieroor in Gans-Berg Nuus wil sien om

mense te waarsku,” het die eienaar gesê. “Hulle wag nie eers dat mense weg is of gedurende die nag nie, hulle is arrogant genoeg om sommer vroegoggend die huis binne te kom.”

Die eienaar het geen aangename herinneringe nie. Sy is op 30 Oktober 2021 in die huwelik bevestig en 'n skrale 4 maande later is haar eggenoot op 23 Februarie 2022 oorlede - en nou hierdie inbraak!

'Een plaasmoord, is een te veel' -Agri Wes-Kaap-

Agri Wes-Kaap veroordeel die moord op 'n bejaarde vrou en die aanval op 'n bejaarde man van die Moorreesburg-omgewing ten sterkste.

Jannie Strydom, hoof uitvoerende beampte van Agri Wes-Kaap, sê landbouprodusente ervaar tans hewige druk van verskeie oorde en dat die veiligheid van produsente, werkers en hul gesinne nie een van dié uitdagings moet wees nie.

“Een plaasmoord, is een te veel. Landelike veiligheid moet bo-aan die prioriteitslys wees om sodoende die veiligheid van produsente, hul werkers en gesinne te verseker. Daar is 'n landelike veiligheidsplan en Agri Wes-Kaap doen 'n beroep op alle relevante rolspelers om die landelike veiligheidsplan te implementeer.”

Agri Wes-Kaap betuig ons innige meegevoel met die slagoffer se naasbestaandes en vriende.
