# UITNODIGING! INVITATION!

Wil jy leer om 'n perfekte hou te slaan, die bal te laat land presies waarheen jy mik? Net so presies as wat jy hom in jou gedagtes kan foeter? Dit kos oefen en nogmaals baie oefen. Maak gebruik van Kaptein Bev se geskenk aan elke gholfer:

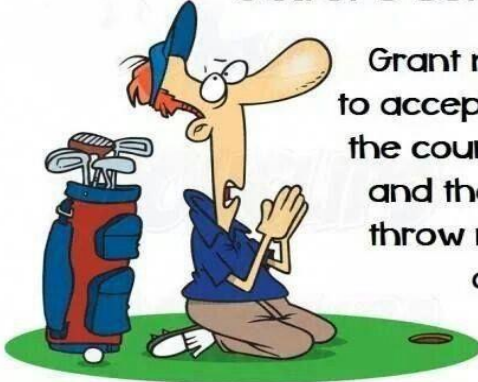

Die **Moker Plek**. (Wat 'n beskrywende woord! Engels net so treffend!) The **Wallop Spot**.

The place where you can practice and learn to hammer, bash, clonk, thrash the little ball into submission. Club Captain Bev Swart, is developing this spot with lovely Wild Banana trees in a small garden to enhance the lure of "practice makes perfect."

Klubkaptein Bev Swart se interessante idee om te bewys dat oefen-en-oefen alleenlik die perfekte manier is om te bemeester waar jou balletjie land. Bev is hard aan die werk en beplan die aanplant van Wilde Piesangbome om 'n pragtige klein tuin daar te stel om die ondervinding nog meer genotvol te maak. Gebruik hierdie kans om jou spel te verbeter!!!

## Golfer's Serenity Prayer!

Grant me the serenity  
to accept the shots I miss,  
the courage to try again  
and the wisdom not to  
throw my clubs in the  
damn lake.
