Nuusbrief 3 Januarie    Newsletter 3 January 2019

## DIE MEES SUIDELIKE GHOLFBAAN IN AFRIKA THE SOUTHERNMOST GOLF COURSE IN AFRICA

**Beste gholfvriende**      Ons wens almal 'n baie voorspoedige en gesonde 2019 toe. Praat van gesond, ons het hierdie maand nog 'n lid, Pierre Lombard, wat 80 jaar word. Baie geluk Pierre! Mens wonder of ons klub die rekord hou vir die mees aktiewe 80-jarige gholfspelers? En nie sommer sulke gholf nie, hul name is kort-kort op die wennergelys. Daar moet sekerlik iets in Gansbaai se drinkwater wees.

Desember was 'n baie besige maand by die gholfklub, ons het baie besoekers gehad, hopelik sien ons hul weer in die toekoms. Dankie aan ons baanpersoneel, kroegmanne, komitee en administreerder wat moes bontstaan. Jul maak ons klub suksesvol.

**Dear golf friends**      We wish all of you a prosperous and healthy 2019. Regarding health, we have another member, Pierre Lombard, celebrating his 80th birthday this month. Hearty congratulations Pierre! One wonders if our club holds the record for the most active 80 year old golf players? And their golf is not to be trifled with as their names regularly appear on the winners list. Clearly there must be something in the Gansbaai drinking water.

We had a busy December at the golf club with many visitors who we will hopefully see again in the future. Thank you to our course workers, bar men, committee and administrator who had to really roll up their sleeves during this period. You make our club successful.

## NUWE LEDE / NEW MEMBERS

Ons verwelkom die volgende nuwe lede: Charl Celliers, Schalk Klopper en Neil Harrison. Ons hoop jul gaan baie deelneem aan ons aktiwiteite.

### MORE GOLF CHANGES FOR 2020

Just when we thought the dust had settled over the new handicap index system / another new ruling is announced. This is due in 2020. (Source: the HNA Handicap newsletter December 2018).

#### “The World Handicap System – Key Changes

The new World Handicap System has been designed to encourage more golfers to obtain a handicap – enabling them to play with, or against, each other anywhere in the world.

One of the major changes we can expect is that, along with every other country in the world, we are going to be moving to net two over par as the maximum score allowed on a hole for handicapping purposes. In other words, this is a net double bogey (or zero Stableford points).

Currently in South Africa the maximum score allowed is 2 over par, unless you have two strokes on a hole, in which case you can enter a 3 over. When we change to net double bogey, if you have a stroke on a hole then you can enter a 3 over par and if you have two strokes on a hole then you can enter a 4 over par score for handicap purposes.

This will cause most of our handicaps to drift out, but it will also bring us in line with handicaps in the rest of the world”.

## BAAN INLIGTING

Die afgelope drie maande is daar gewerk aan ons baan se inligtingsborde, bofnommers en -merkers. Daar is ook 'n splinternuwe bord aangebring by die ingang na die eerste bof (foto links). Ons baan is werklik goed toegerus met inligting. Dankie aan almal wat hierby betrokke was. Hierdie netjiese en noodsaaklike inligting maak ons baan baie gebruikers vriendelik.
