Nuusbrief 3 Januarie Newsletter 3 January 2019

DIE MEES SUIDELIKE GHOLFBAAN IN AFRIKA THE SOUTHERNMOST GOLF COURSE IN AFRICA

Beste gholfvriende

Januarie sal seker onthou word as die 'maand van die groot brande.' Mens kan seker maar net weer maan teen die gevaar van vuur en vra dat enige aktiwiteite wat verdag lyk rapporteer word.

Let asseblief daarop om speelkaarte na 'n rondte korrek in te vul. Dit moet onder andere die CH (baan voorgee) sowel as die HI (voorgee indeks) van elke speler bevat.

Dear golf friends

January will probably be remembered as 'the month of the great fires.' One can only once again caution against the danger of fire and request that any activity that looks suspicious be reported.

Please take note that scores cards need to be filled in correctly after a round of golf. It needs amongst others to have the CH (course handicap) as well as the HI (handicap index) for each player.
