GOLF GAME TIPS / GHOLFWENKE

✚ Putting Technique.

If you've never used a putting training aid, you're missing out!

Because this is the fastest and easiest way to improve your putting, and take 5-10 strokes off every round you play.

In order to drain putts from all over the green, you must be able to hit the ball dead straight. But most golfers can't do this! Instead, they're aiming off line and don't even know it.

This is where the Precision Putt training aid comes in. It shoots out a laser beam from your putter, so you can know exactly where you're aiming.

The laser refines your technique, as with practice, you'll learn to aim your putter head correctly - which will send your putting accuracy through the roof!

Here's What This Means For Your Game:

- You'll sink those 3-foot and 6-foot putts every time.
- You'll judge the distance accurately on those long, lag putts.
- Your confidence on the greens will skyrocket.
- And you'll eliminate 3-putting from your game!

The Precision Putt training aid is equipped with a high power red laser which is easy to see - even outdoors.

It easily attaches to all putters. And you can practice with it at home, or on the practice green.

PERFECT YOUR TECHNIQUE

As an amateur, the easiest way to improve your score is by focusing on your putting and eliminating 3-putts. The “Precision Putt Training Aid” will help you do that extremely quickly, and you’ll see the results in your scorecard in no time.

NEVER MISS A SHORT PUTT AGAIN

You’ll get real-time feedback on where you’re aiming your putter head, so

you can tweak your technique and improve your putting fast.

Practicing for as little as 5 minutes, a few times per week, will improve your technique so fast, it will blow your mind. And then when you get out on the golf course, you’ll have total confidence that you’re going to hole that putt.

LIGHTWEIGHT AND PORTABLE

This training aid is easy to store in your golf bag so you can easily access it at the range, or while practicing at home.

There are no cables involved because it’s powered by batteries. Easy and convenient to use.

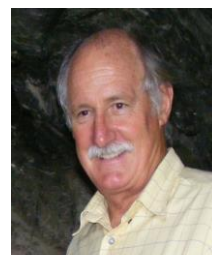

The Precision Putt Training Aid is the perfect tool to improve your putting technique and eliminate 3-putts from your game.

We thank Bev Swart and Welcome Wulana for the great condition of the golf course:
