Part of the 36 players on our course. Gansbaai Golf Club feels really honoured that the Boland Golf Union had so much confidence in our course that they moved the competition from Caledon to Gansbaai.

Diefstal by ons groot boorgat. Moet asseblief nie gholfballe op die baan koop nie. Dit lok net meer ongewenste karakters na die baan.
Theft at our large borehole. Please do not buy golf balls on the course. It just invites more unwelcome characters to the course.

HI = Handicap Index®

OPEN HI = Handicap Index® at the time of round

Low HI = Low Handicap Index™

What is a Low Handicap Index™?

A player's Low Handicap Index™ (Low HI) represents their lowest Handicap Index® over the preceding 365-day period and provides a reference point against which their current Handicap Index® can be compared and capped.

Indexes are capped to ensure they do not increase too quickly.

CH = Course Handicap™
PRR = Registered Rounds Percentage
ADJ. GR = Adjusted Gross Score
PCC = Playing Conditions Calculation
DIFF = Differential
PAR = Par Rating
CR = Course Rating™
SLOPE = Slope Rating™

p = Penalty Differential

1. Why did I receive a Penalty Score?

Penalty Scores are awarded automatically if you fail to enter a score within the 24-hour window period allowed for score entry, which starts at midnight on the day of play. This is done to ensure all Handicap Indexes® are up to date and curb Handicap Index® manipulation.

2. How is a Penalty Score calculated?

A Penalty Score is the lowest differential of the player's last 20 recorded scores, or such penalty as the club handicapper may decide, based on the circumstances around the failure of the player to enter the score.

3. How long will a Penalty Score be considered in my handicap calculation?

A Penalty Score will be considered in your Handicap Index® calculation until it falls out of your most recent 20 scores.

4. Is it possible to remove a Penalty Score?

Yes. If you feel that you received a penalty score unfairly (it might not have been possible for you to enter a score in good time), please get in touch with your home club's handicap administrator, who'll look into the matter and remove it if necessary. Please note that the onus is on the player to make sure that their scores have been recorded successfully. They can do so by visiting their '[Handicap Record Sheet](#)'. If a score doesn't show here, then it hasn't been entered successfully and it will have to be resubmitted.

e = Exceptional Score Adjustment

What is an exceptional score?

When an *exceptional score* is posted to a player's *scoring record*, the *Handicap Index®* will be reduced in accordance with the following adjustment table:

Number of strokes the <i>Score Differential</i> is lower than a player's <i>Handicap Index</i> ® in effect when the round was played	<i>Exceptional score reduction</i>
7.0 – 9.9	-1.0
10.0 or more	-2.0

- A reduction can be applied based on a single *exceptional score*.
- Reductions for multiple *exceptional scores* are applied cumulatively.
- A reduction is automatically applied to a *Handicap Index*® after it is updated following the submission of an *exceptional score*.
- To ensure that the impact of the adjustment remains after the next score is submitted, the reduction is also applied to the previous 19 *Score Differentials* recorded in the player's *scoring record*. The impact of the adjustment will become gradually diluted as new scores are submitted.

Where there are fewer than 20 scores in a player's *scoring record* the reduction is applied to all recorded *Score Differentials*.

S = Soft Cap

This is triggered when the difference between a player's newly calculated *Handicap Index*® and their *Low Handicap Index*® is greater than 3.0 strokes.

When a calculated *Handicap Index*® increase is greater than 3.0 strokes, the value above 3.0 strokes is restricted to 50% of the increase.

H = Hard Cap

The hard cap triggers to restrict the amount by which a player's *Handicap Index*® can increase, after application of the soft cap, to no more than 5.0 strokes above their *Low Handicap Index*™.

There is no limit on the amount by which a player's *Handicap Index*® can decrease.

c = Competition Round

m = Manually Entered

***** = Registered Round
