Isolde has sent in the application for the liquor license. Birkenhead Brewery has confirmed that they will take a stall. Alderman Coetzee will ask Frik at the Rooibier to reserve additional ice. He added that it was decided to dispense with the Bedouin tent as there were too many issues regarding erecting it etc. He has received numerous confirmations from potential stall holders. The "music" tent will be erected the night before if there is no wind. Dave confirmed that he would spray the grass with ant poison. Nelia will organize a jumping castle. Jason requested that no vendors make use of the herbarium for their stalls. Dave will have signage made for the entrance to Pearly Beach. The Affaire commences at 11am until 4pm.

Village Green:

Shirley informed the meeting that the sprinkler system was working on the green and that the municipality would be mowing the grass during the week. She also said that Princess was still weeding the green.
