We were in Gansbaai for business for a couple of days and stayed at Rest and Sea accommodations. What a amazing experience.. They are highly recommended by team JJ.. Jan and Julene Venter Everything was done with so much love and care.. We had the honor to meet the Owners Mark Collings and Shirley Collings. We were so spoiled by them.. Not even to mention the Chefs table.. The food was out of this world
The attention to detail in everything they do just made our stay so so special.
