March 2017

Hello to all our bowlers.

In the beautiful month of March we had to say another sad farewell to one of our bowlers. Guy Whittle passed away on 9 March. He will be missed by many.

What happened in March

Club Men's Singles

After some exciting bowls our two finalists are Keith Kruth and Paul Naylor. The final will be played on a date still to be decided.

Club Ladies' Singles

The third round will be played on Wednesday the 5th of April.

Club Men's Novices

The second round was played on 30th March and the next round will be played on a date to be confirmed.

Snowball

The Snowball of 8 March rolled.

The Snowball for 15 March was a separate little Snowball, due to there being some of our members that were away playing in the Inter-district tournament. That one was jointly won by the teams skipped by Paul Malherbe and Louise Roediger respectively.

The Snowball of 22 March rolled!

The Snowball of 29 March rolled!

Hyundai Funday

Hyundai brought some of their lovely little red cars to display between our greens and sponsored some prizes for the day. Colin Butler and his team won the greatest aggregate and there were also some lucky draws.

Ladies' Boland Senior Singles

Elsie McGeoch won her section in Hermanus to go through to the finals played at Worcester. After a very tight battle she came home with a silver medal – very well done Elsie, great bowling!

Inter-District

Our very own Stephanie Crause and Anneke Thorpe were part of the Boland Open Ladies team that won bronze in the Inter-district tournament held in Cape Town in March.

Our Senior Inter-district teams went to Pietermaritzburg where they played really well and missed out in the medals by one and a half points for the ladies and one point for the men!

Below is a photograph of the men and ladies from Hermanus that held our name high in the Inter-District teams.

Back – Dave, Paul, Keith, Sonja, Elsie, Jean.

Front – Ena, Rosa, Stephanie, Anneke, Tish, Amanda.

Calendar

Please print the calendar that I send out and put it on your fridge for easy reference. Please note, the dates are correct when I send it out, but sometimes they change due to circumstances beyond our control. If they do I will send out an email for you to make the necessary pencil note.
