XL	54cm
2XL	57cm
3XL	60cm
4XL	63cm

The wearer must measure their own garment (that they currently fit into) by laying it down on a flat surface. Measure at the widest point (half chest) from side to side. Use that measurement in cm to choose a size above. If in doubt, choose the bigger size as the wearer needs to be comfortable/sit/move around in the garment.
