

We protect and beautify the world™

At PPG, we work every day to develop and deliver the paints, coatings and materials that our customers have trusted for more than 135 years. Through dedication and creativity, we solve our customers' biggest challenges, collaborating closely to find the right path forward.

With headquarters in Pittsburgh, we operate and innovate in more than 70 countries. We serve customers in construction, consumer products, industrial and transportation markets and aftermarkets. To learn more, visit www.ppg.com.

Trusted by Professionals

Founded in 1981, the Prominent Paints brand has been built on strong partnerships with dynamic retailers an ever-growing compliment of trade contractors and painters. Through the exceptional service delivery that stems from the internal drive and passion of our people, Prominent Paints has not only become a trusted brand in the market, but has also been acknowledged as one of the preferred paint brands in South Africa.

Our head office and manufacturing plant is situated in Alrode, Johannesburg and employs more than 220 people. This modern facility enjoys full integration and synergy with the research and development infrastructure of our parent company, PPG, and benefits from the more than \$474 million invested in research and development in 2017.

We offer quality products, professional colour advice, free quotations and free delivery. Our Brands include: Prominent Paints High Performance Range, Premium Range, Select Range and Access Range

Brand new product launching in the High Performance Range in September 2019

ALL-SEASONS

INNOVATION

Whatever the Weather

PPG introduces the new **All Seasons Technology®**

Unpredictable weather conditions can make it hard to plan your jobs. New **Prominent Paints High Performance ALL-SEASONS** is rain resistant after 20 minutes and delivers a beautifully smooth result.

You can now confidently schedule all of your exterior paint projects! Can be applied direct to substrate in temperatures between 2°C and 35°C and 90% relative humidity.
