

School Clothes Appeal - Help Us Keep Children in School

We all know how vital it is to keep children in school. One of the reasons children don't want to attend school is their school uniform. Whether these clothes are too big, too small, torn or simply non-existent, children are teased and bullied because of it. So, in order to avoid that, some children don't attend school.

The need for assistance is particularly big this year due to an influx of children, specifically at Die Bron. In February this year we managed to assist 100 children with a new pair of trousers and a shirt each – 85 at Die Bron and 15 at St Paul's. These are children who come from especially poor homes where there is little or no income, chosen by the schools.

With winter on our doorstep we would like to provide each of these children with a raincoat, a pair of shoes and 2 pairs of socks, bearing in mind most of them walk a fair distance to get to school, while the St Paul's children wait at the roadside for their transport – no fun in the cold rain.

In order to achieve this we really need your support. The cost per child is around R300. We are appealing to you to find it in your hearts to support these children, please, and keep them in school.
