

# Winter Warmth Appeal, 2026

Time to get our winter woolies out and keep warm. However, for many folk, especially children, the elderly and the frail, this is a very vulnerable time. People living in shacks with no safe heating at all feel it the most. Imagine getting into a cold bed with not even a warm blanket to snuggle into. This leaves them susceptible to flu, bronchitis and even pneumonia.

We're appealing to you, our kind and generous supporters, to dig deep and sponsor a few blankets for those in need. We're estimating the need to be between 250 and 300 blankets with a much bigger need for older children this year.

The cost of a blanket is only R100

Deposits can be made directly into our bank account as follows:
