

# STANFORD ANIMAL WELFARE SOCIETY

NEWSLETTER VOL2 #3 September 2024

## STANFORD IN BLOOM

We are thrilled to share that Stanford Animal Welfare benefitted immensely from the recent Chelsea Flower Show. Many animal lovers, both locals and visitors, supported our cause in various ways—through generous donations, purchasing items, and simply spending their time and money with us.

This show of kindness has provided a much-needed boost to our funds after a particularly slow winter, giving us the financial cushion to continue our important work.

It was truly wonderful to witness thousands of people visiting our beautiful village of Stanford, and we are incredibly grateful for the support shown by everyone. This event has not only highlighted the beauty of our community but also the generosity and care that so many people have for animal welfare.

## Fencing Project in the new RDP Houses

At the Beginning of the year we reached out to our community for assistance of materials to build fences for the owners of dogs that were moving to the new houses. We had a fantastic response through building materials as well as donations and are happy to report that as of today we have provided fencing for 11 homes. We continue to appeal for

donation to complete this task of ensuring all animals moving into the new houses are safe and protected
